MERITLINE SF000193

MERITLINE Twin Size Upholstered Daybed with Pop Up Trundle Instruction Manual

Model: SF000193 | **Brand:** MERITLINE

1. Introduction

This manual provides essential instructions for the assembly, operation, and maintenance of your MERITLINE Twin Size Upholstered Daybed with Pop Up Trundle, Model SF000193. Please read these instructions carefully before assembly and retain them for future reference. Proper assembly and care will ensure the longevity and safe use of your daybed.

2. Product Features

- **Elegant Upholstered Design:** Features an L-shaped backrest and armrests, upholstered in linen for a comfortable and stylish appearance.
- **Twin to King Functionality:** The integrated pop-up trundle allows the daybed to expand from a twin size to an irregular king size, providing versatile sleeping arrangements.
- **No Box Spring Required:** Designed with a slat support system, eliminating the need for a box spring or foundation.
- **Durable Construction:** Constructed with upholstered materials and plywood for stability and support.
- **Color:** Beige finish.

3. Safety Information

- Always follow assembly instructions precisely.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as needed.
- Do not exceed the recommended weight capacity: 330 lbs for the main bed and 330 lbs for the trundle.
- Keep small parts away from children during assembly to prevent choking hazards.
- Use only the recommended mattress thickness (5 inches for both bed and trundle) to ensure proper fit and safety.
- Avoid standing or jumping on the daybed or trundle.

4. Package Contents

Before beginning assembly, verify that all components and hardware are present. Refer to the included parts list in your packaging. If any items are missing or damaged, please contact MERITLINE customer support.

5. Setup and Assembly Instructions

Assembly of the MERITLINE Daybed is required. Please follow the detailed step-by-step instructions and diagrams provided in the separate assembly guide included with your product. Ensure you have adequate space and the necessary tools (usually included) before starting.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts and hardware using the provided list.
3. Follow the numerical sequence of steps in the assembly guide.
4. Do not over-tighten screws until instructed, as this may damage components.
5. Once fully assembled, ensure all connections are secure and the daybed is stable before use.

6. Operating Instructions (Pop-Up Trundle)

The daybed features a convenient pop-up trundle for additional sleeping space.

1. **To Extend the Trundle:** Gently pull the trundle unit out from under the main daybed frame. The trundle is equipped with wheels for easy movement.
2. **To Elevate the Trundle:** Once pulled out, locate the lifting mechanism on the trundle frame. Carefully lift the trundle frame upwards until it locks into place, bringing it to the same height as the main daybed. This transforms the twin daybed into an irregular king-sized sleeping area.
3. **To Retract the Trundle:** To lower the trundle, disengage the locking mechanism (refer to your assembly guide for specific details on releasing the lock). Gently push the trundle frame downwards until it is flat. Then, push the entire trundle unit back under the main daybed until it is fully stored.

Image 2: The MERITLINE daybed with the pop-up trundle fully extended and elevated, creating a larger sleeping surface.

Image 3: View of the MERITLINE daybed frame with the trundle retracted, highlighting the wooden slat support system.

7. Maintenance and Care

- **Cleaning Upholstery:** For general cleaning, gently vacuum the upholstered surfaces to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner following the product's instructions, testing on an inconspicuous area first.
- **Frame Care:** Wipe the wooden and metal components with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary to maintain stability and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading of the upholstery fabric.

8. Troubleshooting

- **Wobbly Frame:** Ensure all bolts and screws are fully tightened. If the issue persists, disassemble and reassemble, paying close attention to alignment.
- **Trundle Not Extending/Retracting Smoothly:** Check for any obstructions under the trundle. Ensure the wheels are clean and free of debris. Verify the lifting mechanism is correctly engaged/disengaged.
- **Missing Parts:** If any parts are missing upon unboxing, do not proceed with assembly. Contact MERITLINE customer support immediately for replacement parts.

9. Specifications
