1. SAFETY INFORMATION

Please read and understand all instructions before assembling and using this product. Failure to follow these instructions may result in serious injury.

- Keep all small parts and packaging materials away from children during assembly to prevent choking hazards.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not allow children to hang or climb on the bed frame or guardrails.
- Use only the recommended mattress thickness (6-8 inches) to ensure the guardrails provide adequate safety.
- Place the bed on a flat, level surface.
- This product is designed for indoor use only.

2. PRODUCT OVERVIEW

The MERITLINE Twin Floor Bed Frame is a modern metal bed designed for children, featuring a fence and a functional door for enhanced safety and play. Its low-profile design makes it suitable for Montessori-style bedrooms, promoting independence and easy access for children. The frame is constructed from durable

metal for long-lasting use.

Image: A direct front view of the MERITLINE Twin Floor Bed Frame. The pink metal frame shows the full length of the guardrails and the central door, which is currently closed. The design emphasizes the enclosed, safe sleeping space.

3. PARTS LIST

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Front Guardrail Section (with door)
- Rear Guardrail Section
- Side Guardrail Sections (2)
- Connecting Brackets/Plates
- Assembly Hardware (bolts, screws, washers, nuts)
- Hex Key / Wrench (included)

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 20 minutes with one person. It is recommended to have a second person for easier handling of larger components.

Tools Required:

- Hex Key (provided)
- Wrench (provided)

Step-by-Step Assembly:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Refer to the parts list to ensure all pieces are accounted for.
2. **Assemble the Rear and Side Sections:** Connect the rear guardrail section to the two side guardrail sections using the provided bolts and connecting brackets. Ensure all connections are finger-tightened initially.
3. **Attach the Front Section:** Connect the front guardrail section (with the door) to the open ends of the side guardrail sections. Again, finger-tighten all bolts.
4. **Secure All Connections:** Once the entire frame is assembled, systematically tighten all bolts and screws using the provided hex key and wrench. Ensure all connections are firm and stable. Do not overtighten.
5. **Check Door Functionality:** Verify that the door opens and closes smoothly and that the latch mechanism functions correctly.

Image: A close-up view of the hinges on the bed frame's door. This detail shows how the door is attached to the main frame, indicating a secure and functional pivot point for opening and closing.

Image: A detailed view of the latch mechanism on the bed frame's door. The sliding bolt ensures the door remains securely closed when engaged, providing a safe enclosure.

5. OPERATING INSTRUCTIONS

The MERITLINE Twin Floor Bed Frame is designed for simple and safe use.

- **Door Operation:** To open the door, slide the latch mechanism to disengage the bolt, then gently swing the door outwards. To close, swing the door back into position and engage the latch.
- **Mattress Placement:** Place a twin-size mattress directly onto the floor within the assembled frame. No box spring or foundation is required.

Image: The MERITLINE Twin Floor Bed Frame with its door in the open position. This demonstrates the accessibility feature of the bed, allowing easy entry and exit.

6. MAINTENANCE

Regular maintenance will help prolong the life and safety of your bed frame.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Hardware Check:** Periodically (e.g., every 3 months) inspect all bolts, screws, and connections to ensure they are tight. Re-tighten any loose hardware to maintain stability and safety.
- **Damage Inspection:** Regularly check the frame for any signs of damage, such as bends, cracks, or rust. If damage is found, discontinue use and contact customer support for assistance.

7. TROUBLESHOOTING

If you encounter any issues with your MERITLINE Twin Floor Bed Frame, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed frame is wobbly or unstable.	Loose hardware connections.	Ensure all bolts and screws are securely tightened. Check that the bed is on a level surface.
Door does not close or latch properly.	Misalignment or latch mechanism issue.	Check hinges for proper installation. Ensure the latch bolt aligns with the receiving hole. Adjust if necessary.
Missing parts during assembly.	Packaging error.	Do not proceed with assembly. Contact MERITLINE customer support immediately for replacement parts.

8. SPECIFICATIONS

Feature	Detail
Product Type	Floor Bed Frame
Size	Twin
Color	Pink
Material	Metal
Overall Product Dimensions (L x W x H)	77" x 41.1" x 21.7"
Weight Capacity	No limited (referring to the frame's structural integrity)
Recommended Mattress Thickness	6-8 inches
Assembly Required	Yes
Product Weight	44.09 LBS
Model Number	MF307108
UPC	198573900497

SIZE: INCH
