SAFETY INFORMATION

- This product contains small parts and is not suitable for children under 14 years of age due to choking hazards.
- Metal parts may have sharp edges. Handle with care to avoid cuts or injuries.
- Keep all components away from pets.
- Do not attempt to bend or force parts excessively, as this may cause damage or injury.

PACKAGE CONTENTS

Your Suapouen 503CW Camera 3D Metal Puzzle kit includes:

- 1 set of 3D camera model parts (approximately 65 individual parts across 3 metal sheets).

- Assembly instructions (included within the package).

TOOLS REQUIRED (NOT INCLUDED)

For optimal assembly, the following tools are recommended:

- Small scissors or nippers for detaching parts from metal sheets.
- Fine-point tweezers for handling small components and precise placement.

ASSEMBLY INSTRUCTIONS

The assembly process requires careful attention to detail. Please follow the included pictorial instructions provided in your package for specific step-by-step guidance.

1. **Preparation:** Unpack all components and lay them out on a clean, well-lit surface. Familiarize yourself with the different metal sheets and the parts on them.
2. **Review Instructions:** Carefully read through the entire instruction manual provided in the kit before beginning assembly. This will help you understand the sequence and identify parts.
3. **Detaching Parts:** Using scissors or nippers, carefully detach each part from its metal sheet. Be gentle to avoid bending or damaging the parts. Smooth any rough edges if necessary.
4. **Assembly Steps:** Follow the numbered steps in the provided instruction manual. The model utilizes a snap-on splicing mechanism for connecting parts. Use tweezers for precise alignment and to apply gentle pressure for secure connections.
5. **Patience is Key:** Some steps may be challenging. If a part does not fit immediately, re-check the instructions and ensure correct orientation. Do not force parts.
6. **Precision Structure:** Pay close attention to the precision structure and laser-detailed engraving as you assemble, ensuring each piece aligns correctly to restore the camera's intricate details.

DISPLAY AND HANDLING

Once assembled, your 503CW Camera 3D Metal Puzzle is a display model. Handle it carefully to avoid accidental damage to the delicate metal components. Place it on a stable surface away from direct sunlight or extreme temperatures to preserve its appearance.

MAINTENANCE

To maintain the appearance of your metal puzzle model:

- Dust regularly with a soft, dry cloth or a soft brush.
- Avoid using abrasive cleaners or solvents, as these can damage the metal finish.
- Do not expose to excessive moisture.

TROUBLESHOOTING

- **Difficulty Assembling:** If you encounter difficulty, refer back to the specific step in the included instruction manual. Ensure all parts are correctly oriented and that you are using the recommended tools.
- **Bent Parts:** If a part becomes slightly bent, gently try to straighten it with tweezers. Be careful not to over-bend, as metal fatigue can cause breakage.
- **Missing Parts:** In the rare event of missing parts, please contact the retailer or manufacturer for assistance.

SPECIFICATIONS

Brand	Suapouen
Model	503CW
Material	Metal (Metallic stainless steel)
Finished Product Dimensions	5.4 x 9.7 x 8.5 cm
Product Weight	Approximately 65 g
