2. IMPORTANT SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Do not exceed the maximum weight recommendation of 1000 pounds.
- Be cautious of sharp edges during assembly and use.
- Always follow the assembly instructions carefully to prevent instability or collapse.
- Ensure all screws and fasteners are securely tightened before use.
- Keep small parts away from children during assembly.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

3.1. Bed Frame Components

- Headboard Frame (2 parts)

- Footboard Frame (1 part)
- Side Rails (2 parts)
- Center Support Legs (3 parts)
- Upholstered Headboard Panel (1 part)
- Upholstered Footboard Panel (1 part)
- Headboard Storage Shelf (2 parts)
- LED Light Strip (1 part)

4.2. Step-by-Step Assembly

1. **Assemble the Headboard Storage Shelf:** Attach the LED light strip (13) and the side panels (16, 17) to the main shelf board (14) using screws (J). Ensure the LED strip is correctly positioned.
2. **Attach Upholstered Headboard to Frame:** Secure the upholstered headboard panel (3) to the headboard frame parts (1, 2) using screws (D) and (G).
3. **Install Charging Station:** Insert the charging station (M) into the designated slot on the headboard storage shelf and secure it with screws (K).
4. **Connect Headboard Storage to Headboard Frame:** Attach the assembled headboard storage shelf (13, 14) to the top of the upholstered headboard frame using screws (I) and (J).
5. **Assemble Side Rails:** Connect the side rail sections (5, 6) and center support legs (7) using screws (A).
6. **Attach Footboard:** Connect the upholstered footboard panel (4) to the side rails using screws (B), (C), and washers (H).
7. **Connect Headboard to Side Rails:** Attach the assembled headboard to the side rails using screws (B), (C), and washers (H).
8. **Install Center Support Beam:** Attach the center support beam (8) to the bed frame using screws (D) and (F).
9. **Place Metal Slats:** Lay the metal slats (11) across the bed frame. Ensure they are evenly spaced and securely seated in the designated slots. Apply EVA insulation foam (O) to the slats to prevent noise.

5. OPERATING INSTRUCTIONS

5.1. Smart LED Lights

The integrated RGB LED lights can be controlled via the included remote control or a dedicated mobile application.

- **Color and Brightness Adjustment:** Use the remote control (N) or app to select from over 60,000 colors and adjust brightness levels.
- **Dynamic Modes:** Choose from various dynamic lighting modes to create different ambiances.
- **Music Sync Mode:** The lights can change in rhythm with music, enhancing your bedroom atmosphere.

Enjoy Your Lighting Ambiance

5.2. Charging Station

The headboard features a convenient charging station for your electronic devices.

- **USB-A Ports:** Two 5V/2A USB-A ports are available for charging smartphones, tablets, and other USB-powered devices.
- **AC Outlets:** Two 120V/12A AC outlets provide power for larger electronics.

Storage & Charging Headboard

Figure 4: The 2-tier storage headboard with integrated charging station.

5.3. Ergonomic Headboard

The headboard is designed with a 101° angled backrest, providing optimal support for your back and neck while sitting up in bed.

Velvet Ergonomic Headboard

All for your comfort

6. MAINTENANCE

6.1. Cleaning

To maintain the appearance and longevity of your bed frame:

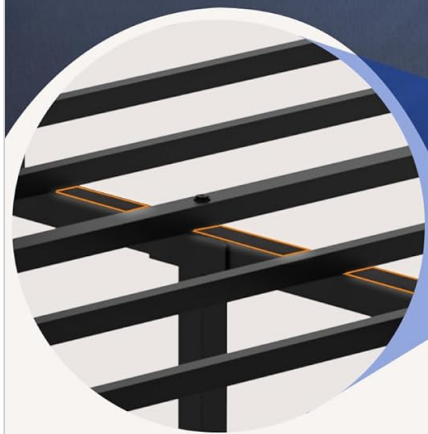

- **Frame:** Wipe the metal frame with a dry cloth. Avoid abrasive cleaners.
- **Upholstery:** For the velvet upholstered parts, gently spot clean with a damp cloth and mild detergent if necessary. Blot dry immediately.
- **Storage Shelf:** Wipe with a dry or slightly damp cloth.

6.2. Noise Prevention

The bed frame is designed with EVA insulation foam between metal components to minimize noise. If any squeaking occurs, check all connections and tighten any loose screws. Ensure the EVA foam is properly seated.

Quiet Sleep All Night

No more squeaking

Stable structure

Soundproofing foam

Figure 6: The stable structure and soundproofing foam ensure a quiet sleeping environment.

7. TROUBLESHOOTING

7.1. LED Lights Not Working

- Check if the power adapter is securely plugged into a working outlet.
- Ensure the LED light strip is properly connected to the power source.
- Verify that the remote control batteries are functional and correctly inserted.
- If using the app, ensure your device is properly paired and within range.

7.2. Bed Frame Squeaking

- Inspect all bolts and screws and tighten any that are loose.
- Ensure the metal slats are correctly positioned and the EVA insulation foam is intact.
- Verify that the center support legs are firmly on the ground and properly aligned.

8. SPECIFICATIONS

Size	Queen
------	-------

Product Dimensions	88"L x 61"W x 46"H
