# HLDIRECT 32-inch Computer Desk with Storage Bag User Manual

Model: 1 | Brand: HLDIRECT

## 1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your HLDIRECT 32-inch Computer Desk with Storage Bag. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

The HLDIRECT 32-inch Computer Desk is designed for modern homes, offices, or small spaces. Measuring 32 inches in length and 20 inches in width, with a desktop height of 30 inches, it offers ample legroom and a spacious work surface for various daily needs, including work, study, or entertainment. Its minimalist design features clean lines and no unnecessary decorations.

This versatile desk can accommodate laptops, books, monitors, keyboards, and gaming setups. Its lightweight design allows for easy relocation, making it suitable for use as a coffee corner, craft table, or temporary dining table.

## 2. SAFETY INFORMATION

- Always place the desk on a flat, stable surface.
- Use the adjustable footpads to level the desk and prevent wobbling.
- Avoid placing heavy items unevenly on the desk to maintain stability.
- Do not exceed the maximum load-bearing capacity of 50kg (110 lbs).
- Keep small parts and assembly tools away from children during assembly.
- Regularly check all screws and connections to ensure they remain tight.

## 4. SETUP AND ASSEMBLY INSTRUCTIONS

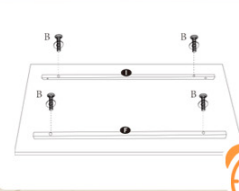

Assembly of this desk is designed to be straightforward and can typically be completed within 30 minutes. All necessary tools are provided. Please follow these steps carefully:

1. **Step 1: Attach the Support Bars.** Secure the support bars under the tabletop using the provided screws. Ensure they are aligned correctly.
2. **Step 2: Connect the Frame.** Attach the desk frame components (legs) to the tabletop assembly. Make sure all connections are firm and stable.
3. **Step 3: Add the Side Fabric Bag.** Install the fabric storage bag to the side of the desk. It can be installed on either the left or right side according to your preference.
4. **Step 4: Adjust Footpads.** Once the desk is assembled, place it in its desired location. Adjust the footpads at the bottom of each leg to ensure the desk is level and stable on uneven floors.

## 5.2 Adjusting for Stability

The desk is equipped with adjustable footpads. To ensure maximum stability, especially on uneven floors, rotate the footpads clockwise or counter-clockwise until all four legs make firm contact with the ground and the desk no longer wobbles.

## 6. MAINTENANCE

### 6.1 Cleaning

The desk's thick particleboard surface is wear-resistant, scratch-proof, and stain-resistant, making it easy to clean. Use a soft, damp cloth with a mild detergent to wipe down the surface. Avoid abrasive cleaners or harsh chemicals that could damage the finish. Dry immediately with a clean cloth.

## 6.2 General Care

- Periodically check and tighten all screws and bolts to maintain structural integrity.
- Avoid exposing the desk to direct sunlight or extreme temperature changes to prevent material degradation.
- Do not place hot items directly on the desktop without a protective coaster.

## 7. TROUBLESHOOTING

### 7.1 Desk Wobbles After Assembly

- **Check Footpads:** Ensure all four adjustable footpads are properly extended and making firm contact with the floor. Adjust them individually until the desk is stable.
- **Tighten Screws:** Verify that all assembly screws are fully tightened. Loose connections can cause instability.
- **Even Weight Distribution:** Ensure that heavy items are distributed evenly across the desktop.
