2. SAFETY INFORMATION

Warning: This product contains small parts. Not suitable for children under 3 years due to choking hazard. Adult supervision is recommended for younger builders (recommended age 6 years and up).

3. PACKAGE CONTENTS

The HiWEEGO Flowers Botanicals Building Set (Model HG1091) includes 507 building pieces. Please verify all components are present before beginning assembly. The package typically contains:

- Assorted building blocks for 11 roses (blue, purple, black, pink) and several buds.
- Building blocks for gypsophila (small filler flowers).
- Building blocks for a decorative planter/vase.
- Detailed printed instruction manual for step-by-step assembly.

4. ASSEMBLY INSTRUCTIONS

Follow the numbered steps in the included physical instruction booklet for the most accurate assembly guidance. The process generally involves:

1. **Preparation:** Unpack all building pieces and sort them by color and type to facilitate easier assembly.
2. **Planter Assembly:** Begin by constructing the decorative planter according to the instructions.
3. **Flower Assembly:** Assemble each individual rose and bud. Pay attention to the petal orientation and connection points. The petals are designed to be adjustable, allowing for customization of the bloom's appearance.
4. **Gypsophila Assembly:** Construct the small gypsophila clusters.
5. **Arrangement:** Once all individual floral components are built, insert them into the assembled planter to create your desired botanical arrangement.

5. CARE AND MAINTENANCE

This artificial botanical set requires minimal maintenance. Unlike real plants, it does not need watering, sunlight, or pruning. To keep your display looking its best:

- **Cleaning:** Gently dust the assembled model with a soft brush or cloth as needed to remove accumulated dust.
- **Placement:** Place the display in a stable location to prevent accidental knocking, which could dislodge individual pieces.

6. TROUBLESHOOTING

- **Missing Pieces:** If you find any missing pieces upon opening the package, please contact HiWEEGO customer support for assistance.
- **Pieces Detaching:** During or after assembly, if pieces become loose or detach, carefully re-attach them by ensuring they are firmly pressed into their connection points. Some flower components, particularly petals, may require gentle handling.
- **Difficulty with Assembly:** Refer to the detailed steps in the physical instruction manual. Ensure you are using the correct pieces for each step. The assembly video (Video 4.1) can also provide visual clarification.
