Safety Information

- **Two-Person Assembly:** Due to the size and weight of the components, assembly requires at least two individuals.
- **Anti-Tip Hardware:** Always install the provided anti-tip hardware to secure the closet system to the wall. This prevents accidental tipping and ensures safety, especially in households with children or pets.
- **Weight Capacity:** Do not exceed the maximum load capacity of 1500+ lbs for the entire system. Distribute weight evenly across shelves and hanging rods.
- **Component Inspection:** Before assembly, inspect all components for any damage. Do not proceed with assembly if parts are damaged. Contact customer service for replacements.

Package Contents

The Besiost Corner Closet System (Model DKY-95+DKY-96*2) is shipped in three separate boxes. Please ensure all boxes are received before beginning assembly. The system includes:

Setup and Assembly

Follow the detailed instructions provided in the included assembly manual. It is highly recommended that two people perform the assembly due to the size and weight of the components. Ensure you have adequate space for assembly.

Configuration Options:

The modular design allows for various configurations to suit your space and storage needs. You can set up the system as a single, multi-functional L-shaped or U-shaped unit, or as three separate closet organizers.

- **L-Shaped Configuration:** Combine all units to form a corner system.
- **Separate Units:** Utilize the corner unit and the two drawer units independently in different areas.

Three different Combinations

You can set it up as a multi-function unit or as 3 separate closet organizers.

Assembly Tips:

- Organize all parts and hardware before starting.
- Do not overtighten screws or cam locks to avoid damaging the wood.
- Ensure all connections are secure before loading the system with items.

Please note that the Closet System Sets will be shipped in 3 boxes and you may receive them at different times.

Maintenance

To maintain the appearance and durability of your closet system:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the laminated finish.
- **Dusting:** Regularly dust the shelves and other surfaces to prevent buildup.
- **Inspection:** Periodically check all hardware connections to ensure they remain tight and secure.

Troubleshooting

- **Missing Parts:** If any parts are missing upon delivery, refer to the package contents list and contact Besiost customer service immediately for replacements.
- **Assembly Difficulties:** If you encounter difficulties during assembly, review the provided instructions carefully. Ensure all components are oriented correctly. If issues persist, contact customer service for

assistance.

- **Stability Issues:** Ensure the anti-tip hardware is correctly installed and secured to a wall stud. Verify all cam locks and screws are tightened.
