Merax 90x200 cm

Merax Children's Cabin Bed 90x200 cm - User Manual

Model: 90x200 cm White Cabin Bed

1. INTRODUCTION

Thank you for choosing the Merax Children's Cabin Bed. This manual provides essential information for the safe assembly, use, and maintenance of your new bed. Please read these instructions carefully before beginning assembly and retain them for future reference.

This bed features a unique house-shaped frame, integrated storage shelves in the headboard, a secure opening door, and a blackboard panel, designed to create a fun and functional sleeping space for your child.

2. SAFETY INFORMATION

Important Safety Warnings:

- Assemble the bed carefully, strictly following the provided instructions.
- This product is designed with your child's safety in mind. However, constant vigilance is required during use and maintenance.
- Ensure all screws and fasteners are securely tightened before use and check them periodically.
- Do not allow children to climb on the bed frame or headboard shelves.
- Keep small parts out of reach of children during assembly to prevent choking hazards.
- The slatted base is designed to support a mattress up to 120 kg. Do not exceed this weight limit.
- Ensure adequate ventilation around the mattress to prevent moisture buildup.

3. PACKAGE CONTENTS

Your Merax Children's Cabin Bed is delivered in two separate packages. It is possible that these packages may arrive at different times. Please wait for both packages to arrive before beginning assembly.

The packages contain all necessary components for assembly, including:

- Bed frame components (pine wood)
- Slatted base
- Headboard with storage shelves and blackboard panel
- Secure door and safety barriers

- Assembly instructions
- All required tools and hardware (screws, bolts, etc.)

NOTE: If any parts are missing or damaged, please contact Merax customer support immediately.

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow the step-by-step instructions provided in the included assembly manual. It is recommended to have two adults for assembly.

1. **Unpack all components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all components against the parts list in the assembly manual.
2. **Assemble the headboard:** Attach the storage shelves and blackboard panel to the headboard frame as per the diagrams.
3. **Construct the main bed frame:** Connect the side rails and footboard to the headboard.
4. **Install the slatted base:** Secure the individual slats to the bed frame. Ensure they are evenly spaced and firmly attached.
5. **Attach safety barriers and door:** Mount the safety barriers and the secure door mechanism. Ensure the door opens and closes smoothly and latches securely.
6. **Final check:** Once assembled, double-check all connections to ensure they are tight and secure.

TAILLE : CM

Figure 2: View of the Merax Children's Cabin Bed with the secure door open, ready for mattress placement.

5. OPERATING INSTRUCTIONS

The Merax Children's Cabin Bed is designed for comfortable and safe use by children.

- **Mattress Placement:** Place a standard 90x200 cm mattress (not included) directly onto the slatted base. Ensure the mattress fits snugly within the frame.
- **Secure Door:** The small door can be opened and closed to allow easy access to the bed while providing a secure enclosure when closed. Always ensure the door is properly latched when the child is in bed.
- **Storage Shelves:** Use the integrated shelves in the headboard to store books, small toys, or nightlights. Do not place heavy or fragile items on these shelves.
- **Blackboard Panel:** The blackboard panel on the headboard allows for creative expression. Use standard chalk (not included) and wipe clean with a damp cloth.

6. MAINTENANCE

Regular maintenance will help prolong the life and safety of your Merax Children's Cabin Bed.

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the wood finish.
- **Hardware Check:** Periodically check all screws, bolts, and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Wood Care:** As the bed is made of pine wood, avoid exposing it to extreme temperatures or humidity, which can cause warping or cracking.
- **Blackboard Care:** Use only standard chalk on the blackboard. Clean with a slightly damp cloth and dry thoroughly.

7. TROUBLESHOOTING

If you encounter any issues with your Merax Children's Cabin Bed, please refer to the following common solutions:

Problem	Possible Cause	Solution
Missing parts or damaged components upon delivery.	Shipping damage or packaging error.	Do not proceed with assembly. Contact Merax customer support immediately with your purchase details and a description of the missing/damaged parts.
Difficulty during assembly.	Incorrect step sequence, misaligned parts, or insufficient tightening.	Review the assembly instructions carefully. Ensure parts are oriented correctly. Loosen connections, realign, and re-tighten. Ensure all hardware is used as specified.
Bed feels unstable or wobbly.	Loose connections or uneven floor.	Check and tighten all screws and bolts. Ensure the bed is placed on a flat, level surface.
Door does not latch securely or is difficult to open/close.	Misaligned hinges or latch mechanism.	Inspect the hinges and latch. Adjust their position if necessary to ensure proper alignment and smooth operation.
Mould or moisture under the mattress.	Lack of ventilation.	Ensure the room is well-ventilated. Regularly air out the mattress. If possible, lift the mattress periodically to allow air circulation beneath it.
