› CollaredEagle Vanity Desk with Mirror and Lights (Model VD004-WH-A) - Instruction Manual

## CollaredEagle VD004-WH-A

# CollaredEagle Vanity Desk with Mirror and Lights

Model: VD004-WH-A

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your CollaredEagle Vanity Desk with Mirror and Lights, Model VD004-WH-A. Please read this manual thoroughly before assembly and use to ensure safe and correct operation.

### Important Safety Information

- Always unplug the vanity before assembly or disassembly.
- Be cautious of sharp edges and pinch points during assembly.
- Do not operate the vanity with wet hands.
- Keep the vanity away from heat sources.
- Do not use the vanity outdoors or in damp environments.
- Always follow the manufacturer's instructions for assembly and usage.

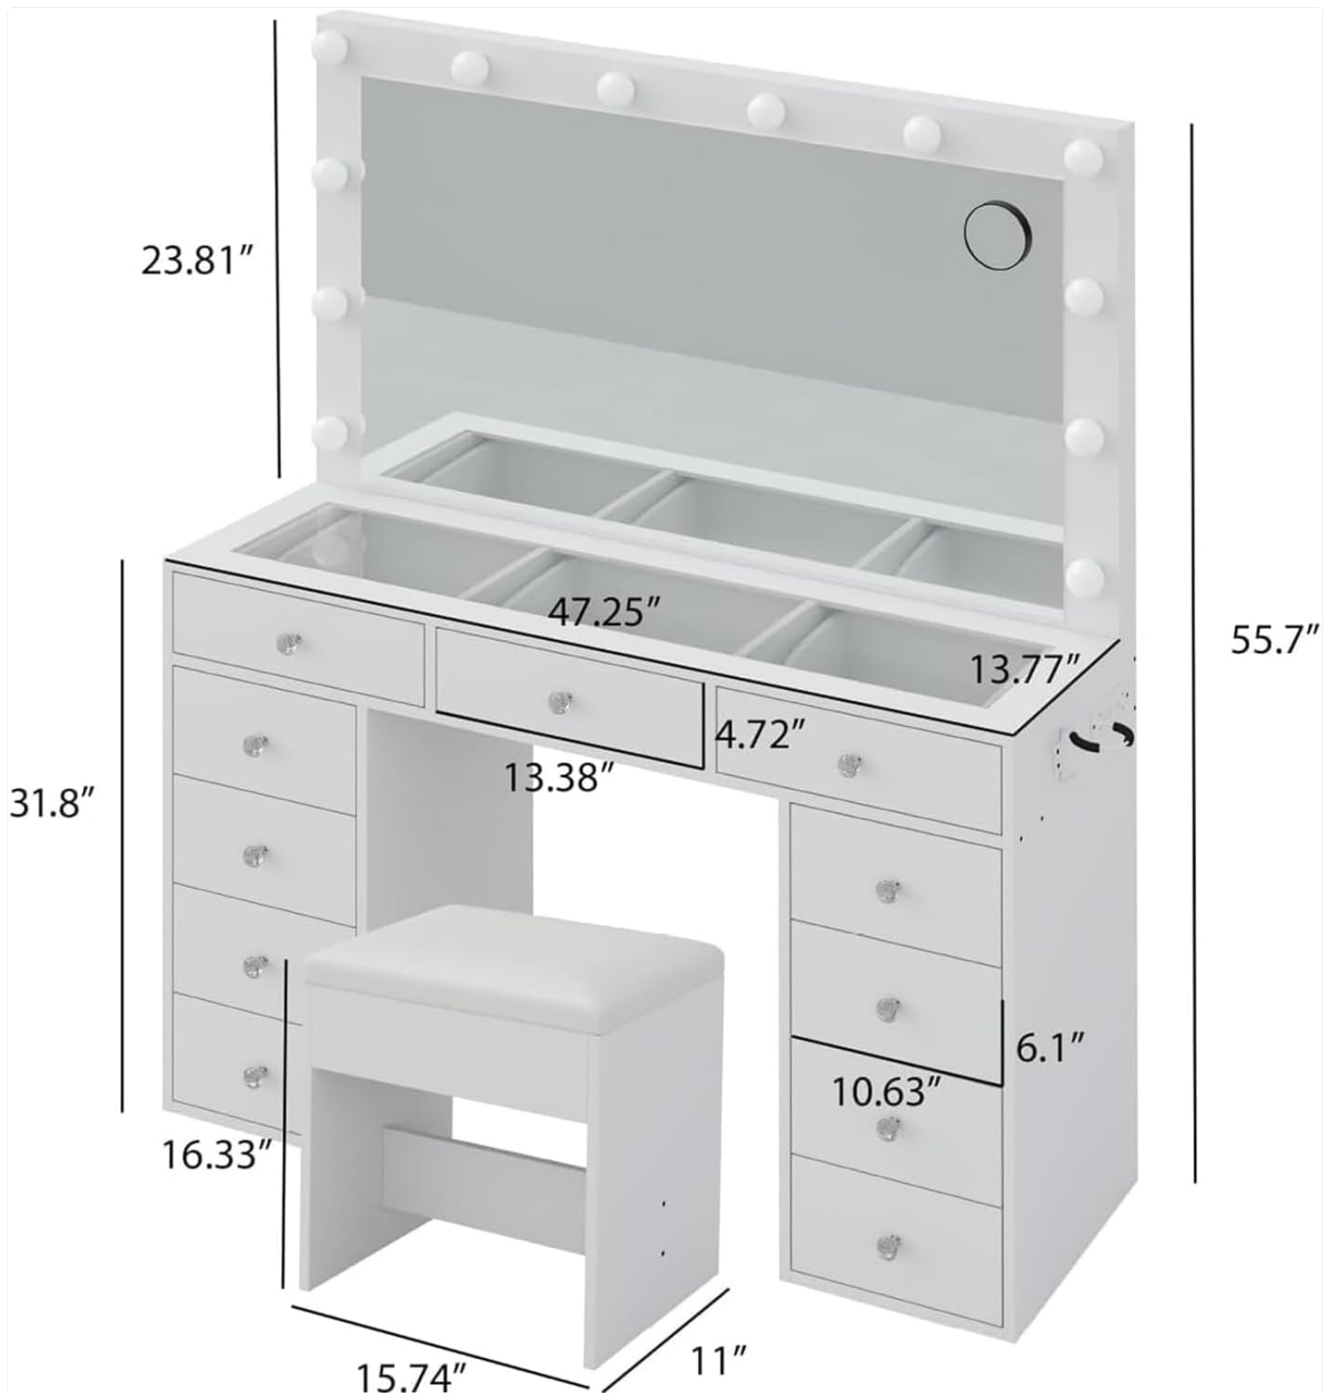

## SETUP AND ASSEMBLY

---

The CollaredEagle Vanity Desk requires assembly. Please ensure all components are present and undamaged before beginning. Refer to the included assembly diagrams (not provided in this digital manual) for specific step-by-step instructions.

### Components Overview

Familiarize yourself with the main components and their dimensions to aid in assembly.

**Image Description:** An isometric line drawing illustrating the overall dimensions of the vanity desk, including the mirror height (55.7 inches), desk width (47.25 inches), and depth (15.77 inches). Key measurements for the stool and drawer sections are also indicated.

## General Assembly Steps

1. Unpack all parts and lay them out on a clean, soft surface to prevent scratches.
2. Identify all hardware and components using the parts list (typically found in the physical manual).
3. Follow the numerical sequence of the assembly diagrams to connect the desk frame, drawers, and mirror.
4. Secure all fasteners tightly, but do not overtighten to avoid damaging the engineered wood.
5. Attach the mirror securely to the desk structure.
6. Assemble the cushioned stool according to its specific instructions.
7. Once assembled, carefully move the vanity to its desired location.

## OPERATING INSTRUCTIONS

## Lighting System

The vanity mirror is equipped with 11 Hollywood-style LED light bulbs offering three adjustable lighting modes and brightness control.

### 3 Color Lighting Modes

Long Press the Switch to  
Adjust the Brightness of Each Lighting Mode

**Image Description:** A visual representation of the three lighting modes: cold light (bright white), natural light (balanced white), and warm light (yellowish white). A slider graphic indicates brightness adjustment from 0% to 100% by long-pressing the switch.

- **Power On/Off:** Press the touch switch on the mirror to turn the lights on or off.
- **Change Lighting Mode:** Short press the touch switch to cycle through the three modes: Cold Light, Natural Light, and Warm Light.
- **Adjust Brightness:** Long press the touch switch to increase or decrease the brightness within the selected lighting mode. Release the switch when the desired brightness is reached.

## Built-in Power Outlet

The vanity includes a convenient built-in power strip for charging devices and powering accessories.

# Built-in Power Strip

Convenient for phone charging & hair dryer use

**Image Description:** A detailed view of the integrated power strip on the side of the vanity desk. It features two standard AC outlets (125V/12A), one USB port (5V/2A), and one Type-C port. A hair dryer is shown plugged into one of the AC outlets, illustrating its practical use.

- The power strip includes 2 standard AC plug sockets (125V/12A), 1 USB port (5V/2A), and 1 Type-C port.
- Use these outlets to connect hair dryers, curling irons, mobile phones, tablets, or other electronic devices.
- Ensure devices are compatible with the provided voltage and current ratings.

## Storage Capacity

The vanity desk features extensive storage options to organize your items.

**Image Description:** An aerial perspective of the vanity desk with several drawers pulled open, revealing their interior space. The image highlights the three main drawers with a tempered glass top for visible storage and the eight deep side drawers for concealed organization. A cushioned stool is positioned beneath the central desk area.

- **Main Drawers (3):** Located directly under the mirror, these drawers are suitable for hair accessories, jewelry, and frequently used cosmetics. The glass top allows for easy viewing of contents.
- **Deep Drawers (8):** Eight additional deep drawers provide ample space for larger cosmetics, skincare products, office supplies, or personal items.

## MAINTENANCE

### Cleaning

- **Surfaces:** Wipe all engineered wood surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Dry immediately with a clean cloth.
- **Mirror:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Avoid spraying cleaner directly onto the mirror frame or electrical components.
- **Electrical Components:** Ensure the vanity is unplugged before cleaning any electrical parts, including the light

bulbs and power outlet. Wipe with a dry cloth only.

## General Care

- Avoid placing hot items directly on the vanity surface. Use coasters or protective pads.
- Do not expose the vanity to excessive moisture or direct sunlight for prolonged periods.
- Periodically check and tighten any loose screws or fasteners to maintain stability.

## TROUBLESHOOTING

---

### Lights Not Functioning

- **Check Power Connection:** Ensure the vanity is properly plugged into a working electrical outlet.
- **Inspect Bulbs:** Verify that all light bulbs are securely screwed into their sockets. Replace any burnt-out bulbs if necessary.
- **Touch Switch:** Ensure the touch switch is clean and free from obstructions that might prevent proper contact.

### Power Outlet Not Working

- **Verify Main Power:** Confirm the vanity's main power cord is plugged in and the wall outlet is functional.
- **Check Device:** Test the device you are trying to power with another outlet to ensure it is working correctly.
- **Overload:** Avoid overloading the power strip. Disconnect some devices and try again.

### Drawers Sticking or Not Closing Smoothly

- **Check Contents:** Ensure drawers are not overloaded or obstructed by items inside.
- **Inspect Tracks:** Look for any debris or damage in the drawer slides. Clean the tracks if necessary.
- **Alignment:** Verify that the drawer slides are properly aligned and securely attached to both the drawer and the vanity frame.

## SPECIFICATIONS

---

Feature	Detail
Brand	CollaredEagle
Model Number	VD004-WH-A
ASIN	B0FJR6RZLS
Product Dimensions	15.77"D x 47.25"W x 55.7"H
Item Weight	130 pounds
Material	Engineered Wood
Color	White
Number of Drawers	11
Lighting Modes	3 (Cold, Natural, Warm)
