Polibi B0FJRG1ZGC

Polibi Convertible Sofa Bed with Independent Chaise - Instruction Manual

Model: B0FJRG1ZGC

Brand: Polibi

INTRODUCTION

This manual provides essential information for the setup, operation, maintenance, and care of your Polibi Convertible Sofa Bed. This versatile furniture piece is designed to seamlessly transform between a sofa, a king-size bed, and a floor lounge, featuring an independent chaise and a multi-functional blanket. It is upholstered in plush corduroy for comfort and durability.

SETUP

The Polibi Convertible Sofa Bed is designed for minimal setup. It arrives fully assembled, requiring no complex construction. Follow these steps to prepare your sofa bed for use:

1. **Unpack:** Carefully remove all packaging materials from the sofa bed components.
2. **Position:** Place the sofa and chaise components in your desired location.
3. **Fluff Cushions:** Gently fluff the high-resilience foam cushions and pillows (3 pillows included) to help them regain their full shape after shipping. Allow some time for the foam to fully rebound.

Product Dimension

(Manual Measurement, Please Allow $\pm 0.4''$ - $0.8''$ Error)

No assembly required

OPERATING INSTRUCTIONS

Sofa to Bed Transformation

The Polibi Convertible Sofa Bed can be easily transformed from a sofa configuration to a king-size bed or floor lounge. This process involves adjusting the backrests and integrating the independent chaise.

- 1. Remove Cushions:** Take off all back cushions and pillows from the sofa and chaise.
- 2. Adjust Sofa Backrest:** Gently push the sofa backrest forward and then lay it flat to create a continuous sleeping surface.
- 3. Integrate Chaise:** Position the independent chaise next to the flattened sofa to extend the sleeping area, forming a spacious king-size bed.
- 4. Reconfigure for Floor Lounge:** The components can also be arranged as a versatile floor lounge by simply laying them flat on the floor.

Functional Blanket Use

The unique design includes a multi-functional blanket that serves a dual purpose:

- **Seat Cushion:** When zipped, it functions as a plush and supportive seat cushion for the sofa.
- **Cozy Blanket:** When unzipped, it unfolds into a warm and comfortable blanket, ideal for lounging or sleeping on the sofa bed.

Multifunctional Seat Cushion

When combined into a sofa, it can be used as a seat cushion.

Blanket

It can be used as a quilt when combined into a sofa bed.

Independent Chaise Use

The independent chaise lounge offers additional flexibility:

- **Standalone Seating:** Use the chaise as a separate seating option for individual relaxation.
- **Sectional Extension:** Easily integrate it with the main sofa unit to create various L-shaped configurations or to expand the sleeping surface when converted to a bed.

MAINTENANCE

Proper care will extend the life and appearance of your Polibi Convertible Sofa Bed:

- **Cleaning:** For spills, blot immediately with a clean, dry cloth. For general cleaning, use a soft brush or vacuum with an upholstery attachment to remove dust and debris. For deeper cleaning, spot clean with a mild, water-free solvent or dry-cleaning product. Test on an inconspicuous area first.
- **Fluffing:** Regularly fluff cushions and pillows to maintain their shape and comfort.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa bed away from direct sunlight or use curtains/blinds.

- **Avoid Sharp Objects:** Keep sharp objects away from the fabric to prevent tears or snags.

TROUBLESHOOTING

If you encounter any issues with your Polibi Convertible Sofa Bed, consider the following common solutions:

- **Cushions appear flat:** High-density foam cushions may require some time to fully expand after unpacking. Regularly fluffing them will help restore their shape.
- **Sofa bed feels unstable:** Ensure all components are properly aligned and placed on a flat, even surface. The anti-slip base is designed to provide stability.
- **Difficulty converting:** Ensure all cushions are removed before attempting to adjust the backrests or reconfigure the chaise. Refer to the 'Sofa to Bed Transformation' section for detailed steps.

If problems persist, please contact Polibi customer support for further assistance.

SPECIFICATIONS
