LCAOPC LCA-MZ10WH01

LCAOPC 71" Tall Metal Wardrobe Closet Instruction Manual

Model: LCA-MZ10WH01

1. PRODUCT OVERVIEW

The LCAOPC 71" Tall Metal Wardrobe Closet is designed for versatile storage in various home and office environments. Constructed from durable metal with a powder-coated surface, it offers a robust and easy-to-maintain storage solution. Key features include adjustable shelves, a hanging rod, and two doors with magnetic closures and golden handles.

Image 1: Fully assembled LCAOPC 71" Tall Metal Wardrobe Closet in white, showcasing its two doors and golden handles.

2. SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Use appropriate safety gear during assembly.
- Ensure the anti-tipping device is securely installed at the back of the cabinet to prevent accidental tipping, especially in households with children or pets.
- Do not exceed the maximum load capacity for shelves (120 lbs per shelf) or the hanging rod (66 lbs).
- Keep small parts away from children during assembly.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present and undamaged. Refer to the detailed parts list in the included manual for identification.

CUSTOMIZABLE SPACIOUS STORAGE SPACE

you can move the hanging rod and shelves up or down according to your need, making storage unlimited and creating a unique storage space

Image 2: All components and hardware laid out for assembly, including panels, shelves, hanging rod, and various fasteners.

4. SETUP AND ASSEMBLY

Assembly requires two people. An electric screwdriver is recommended to expedite the process. Follow the step-by-step instructions provided in the video and accompanying diagrams.

4.1. Assembly Video

Your browser does not support the video tag.

Video 1: Detailed installation instructions for the LCAOPC Farmhouse Wardrobe. This video demonstrates the step-by-step assembly process.

4.2. Key Assembly Steps

1. **Prepare Components:** Lay out all metal panels and hardware on a soft, clean surface to prevent scratches. Identify parts A, B, C, D, etc., as per the manual.
2. **Assemble Base:** Connect the bottom panels using screws (L*3, N) as shown in the video.
3. **Attach Side Panels:** Secure the side panels (C*1, D*1) to the base using screws (N). Ensure the panels are aligned correctly.
4. **Install Back Panel:** Attach the back panel (B*1) to the assembled frame using screws (N).
5. **Secure Top Panel:** Place the top panel (H*1) and secure it with screws (N).

6. **Install Adjustable Feet:** Attach the adjustable non-slip feet (G*4) to the bottom of the wardrobe. These can be adjusted to stabilize the unit on uneven floors.
7. **Insert Shelf Supports:** Place the shelf supports (O*4) into the desired slots along the side panels.
8. **Place Shelves:** Insert the adjustable shelves (F*1) onto the supports. The shelves can be repositioned as needed.
9. **Install Hanging Rod:** Secure the clothes hanging rod (CC*1) into its designated position.
10. **Attach Doors:** Mount the two doors (J*1) to the main frame. Ensure they swing freely and close securely with the magnetic closures (Q*4).
11. **Install Handles:** Attach the golden handles (T*3) to the doors using screws (U*4).
12. **Assemble Drawer (if applicable):** If your model includes a drawer, assemble the drawer components (Y*1, Z*1, X*1) using screws (N) and attach the golden handle (T*3) with screws (UU*2). Install the drawer slides (P*1) into the cabinet and onto the drawer.
13. **Install Anti-Tipping Device:** Securely attach the anti-tipping device to the back of the wardrobe and to the wall as per the instructions to prevent tipping.

Image 3: Diagram showing the dimensions of the wardrobe: 71" H x 31.5" W x 17.72" D, with load capacities for shelves (120 lbs each).

5. OPERATING INSTRUCTIONS

The LCAOPC metal wardrobe is designed for ease of use and customizable storage.

- **Opening/Closing Doors:** Gently pull the golden handles to open the doors. Magnetic closures ensure the doors remain securely shut when closed.
- **Adjusting Shelves:** The shelves are adjustable to accommodate items of various heights. To adjust, remove items from the shelf, lift the shelf, reposition the shelf supports (O*4) to the desired height, and then reinsert the shelf (F*1).
- **Using the Hanging Rod:** The sturdy aluminum alloy hanging rod (CC*1) is suitable for hanging clothes, coats, and other garments.
- **Drawer Use:** If your model includes a drawer, pull the golden handle to open and push to close. The drawer slides ensure smooth operation.

Image 4: Interior of the wardrobe showing a hanging rod on the left and adjustable shelves on the right, filled with various items.

6. MAINTENANCE

The metal construction with environmental powder coating makes this wardrobe easy to maintain.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Scratch and Rust Resistance:** The powder-coated surface provides resistance against scratches and rust. However, avoid sharp objects that could chip the coating.
- **Adjustable Feet:** Periodically check the adjustable feet to ensure they are tight and the wardrobe

remains stable.

7. TROUBLESHOOTING

- **Doors not closing properly:** Ensure the wardrobe is level by adjusting the non-slip feet. Check that no items inside are obstructing the doors.
- **Wobbling:** Adjust the non-slip feet on the base to ensure all four feet are making firm contact with the floor and the unit is stable.
- **Difficulty with drawer operation:** Check that the drawer slides are correctly installed and free from obstructions. Ensure the drawer is not overloaded.

8. SPECIFICATIONS
