## 6. MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your Dreamzie sofa bed. The velvet fabric is skin-friendly, breathable, and designed for easy cleaning.

- **Regular Cleaning:** Vacuum the sofa regularly using a soft brush attachment to remove dust, crumbs, and pet hair.
- **Spot Cleaning:** For spills, immediately blot the affected area with a clean, dry, white cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for velvet, testing on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or harsh chemical solvents, as these can damage the fabric and color.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.
- **Mechanism Care:** Periodically check the conversion mechanism for smooth operation. If needed, a small amount of silicone-based lubricant can be applied to moving parts, avoiding contact with fabric.
