2. SAFETY INFORMATION

- Always ensure the dresser is placed on a flat, stable surface.
- To prevent tipping, securely attach the included anti-tipping device to a wall stud. This is crucial for household safety, especially in homes with children.
- Do not allow children to climb on the dresser or hang from the drawers.
- Distribute weight evenly across drawers to maintain stability.

3. PACKAGE CONTENTS

Please refer to the detailed parts list and hardware included in your product packaging. All components are labeled with numbers for easy identification during assembly.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the HOUROM 10-Drawer Fluted Dresser requires careful attention to the step-by-step instructions provided in your package. While precise holes and numbered parts facilitate the process, it is highly recommended to have two people for assembly to ensure stability and ease of construction. The estimated assembly time is a few hours.

Key Assembly Features:

- **L-Shape Metal Brackets:** These brackets are integrated into the design to provide enhanced stability and prevent sinking or deformation of the dresser.
- **Pre-drilled Holes:** All panels come with pre-drilled holes for accurate and faster assembly.

6. MAINTENANCE

To ensure the longevity and pristine appearance of your HOUROM dresser, follow these maintenance guidelines:

- **Cleaning:** The MDF wood panels are waterproof and scratch-proof, making them easy to clean. Wipe surfaces with a soft, damp cloth and mild detergent. Avoid abrasive cleaners.
- **Spills:** Promptly wipe up any spills to prevent water damage, although the material is designed to resist it.
- **Hardware:** Periodically check and tighten any loose screws or hardware to maintain structural integrity.

- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or discoloration of the finish.

7. TROUBLESHOOTING

- **Drawers not sliding smoothly:** Check if the drawer rails are properly aligned and free from obstructions. Ensure all screws on the rails are tightened.
- **Dresser feels wobbly:** Verify that all assembly hardware is securely tightened. Ensure the dresser is on a level surface. Re-attach the anti-tipping device if it has come loose.
- **Minor cosmetic damage:** For small scratches, a furniture repair pen matching the dresser's color can be used.
