Laptop

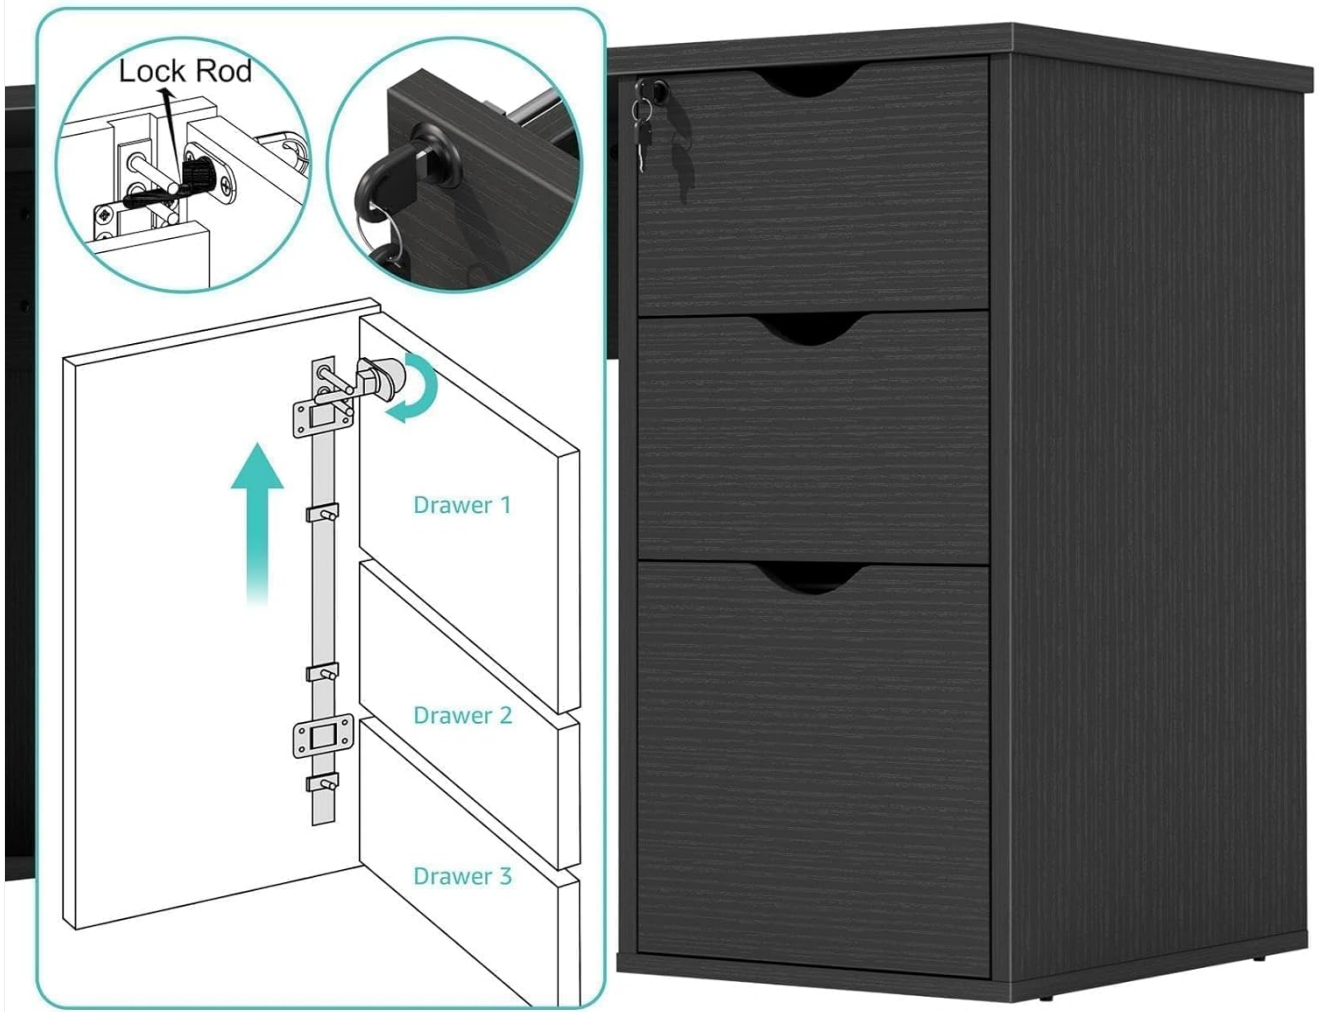

This L-shaped desk includes 6 wooden drawers. Two large file cabinets are designed to keep documents organized and accessible, featuring adjustable dividers and a hanging-file drawer compatible with A4, F4, Letter, and Legal sizes. Four smaller drawers are suitable for storing supplies such as pens and notepads, helping to maintain a clutter-free workspace.

Secure & Silent Storage

Secure Multi-Drawer Interlock System

Perfect for organizing and protecting sensitive documents, personal items, or valuables across multiple compartments.

Safeguard valuables and sensitive documents using the 2 lockable file cabinets and 4 keyed small drawers. The interlock system, operated with the 2 included keys, provides essential security. Stainless steel slide rails ensure stable, smooth, and quiet drawer operation.

Mobile CPU Platform

Mobile CPU Platform

Protects your PC from dust, kicks, and uneven floors

The 18.5"x9.25" MDF stand safely elevates your computer tower. It features 4 height-adjustable leg pads to protect your PC from dust, accidental kicks, and uneven floors, while also ensuring optimal airflow. The tool-free design allows it to slide effortlessly under your desk or between work zones.

Spacious Worksurface

The generous 66"x47.2" desktop provides ample room for multiple monitors, laptops, and various work tasks, gaming setups, or creative projects. This design helps keep everything organized and within easy reach.

Maintenance

To maintain the quality and appearance of your WINAZ L-Shaped Office Desk, regularly wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish. Ensure all screws and fittings remain tight to maintain structural integrity. Periodically check the drawer slides for smooth operation and lubricate if necessary.

Troubleshooting

If you encounter any issues during assembly or use, please refer to the troubleshooting section in your physical manual or contact customer support. Common issues may include:

- **Loose connections:** Re-tighten all screws and eccentric nuts.
- **Drawer misalignment:** Check that drawer slides are correctly installed and aligned.
- **Power outlet not working:** Ensure the power strip is properly plugged into a functional wall outlet and check for any tripped circuit breakers.
