## Jocisland led bed frame

# Jocisland King Size Bed Frame with LED Lights and Charging Station User Manual

Model: led bed frame

## 1. INTRODUCTION

Thank you for choosing the Jocisland King Size Bed Frame. This bed frame is designed to provide both comfort and functionality, featuring a tall upholstered headboard with integrated LED lighting, a convenient charging station, and ample storage. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure a safe and enjoyable experience with your new bed frame.

## 2. SAFETY INFORMATION

---

- Read all instructions carefully before assembly and use.
- Keep all packaging materials away from children to prevent choking hazards.
- Ensure all screws and bolts are securely tightened during assembly. Periodically check and re-tighten as needed.
- Do not exceed the maximum weight capacity of 1000 lbs.
- Avoid placing heavy objects on the headboard storage shelf.
- Keep liquids away from the charging station to prevent electrical hazards.
- Use only the provided power adapter for the LED lights and charging station.
- Assembly is recommended for two people to ensure safety and ease.

## 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Upholstered Headboard with Storage and Integrated LED/Charging Station
- Side Rails (Left and Right)
- Footboard
- Bed Slats and Support Legs
- Hardware Pack (Screws, Bolts, Washers, Allen Wrench)
- LED Remote Control
- Power Adapter for LED and Charging Station
- Assembly Instructions Manual

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly typically requires two people and takes approximately 2-3 hours. Follow the detailed step-by-step instructions provided in the separate assembly manual included with your product. Ensure you have adequate space and all tools (usually an Allen wrench is provided) before starting.

### Pre-Assembly Checklist:

- Unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Identify each part by comparing it with the parts list in your assembly manual.
- Ensure all hardware is present.

### General Assembly Steps:

1. Attach the side rails to the headboard.
2. Connect the footboard to the side rails.
3. Install the central support beam and support legs.
4. Place and secure the bed slats onto the frame. The slats feature EVA strips and a bolt-fixed rail design for stability and noise reduction.
5. Connect the LED strip and charging station power cables to the main power adapter.

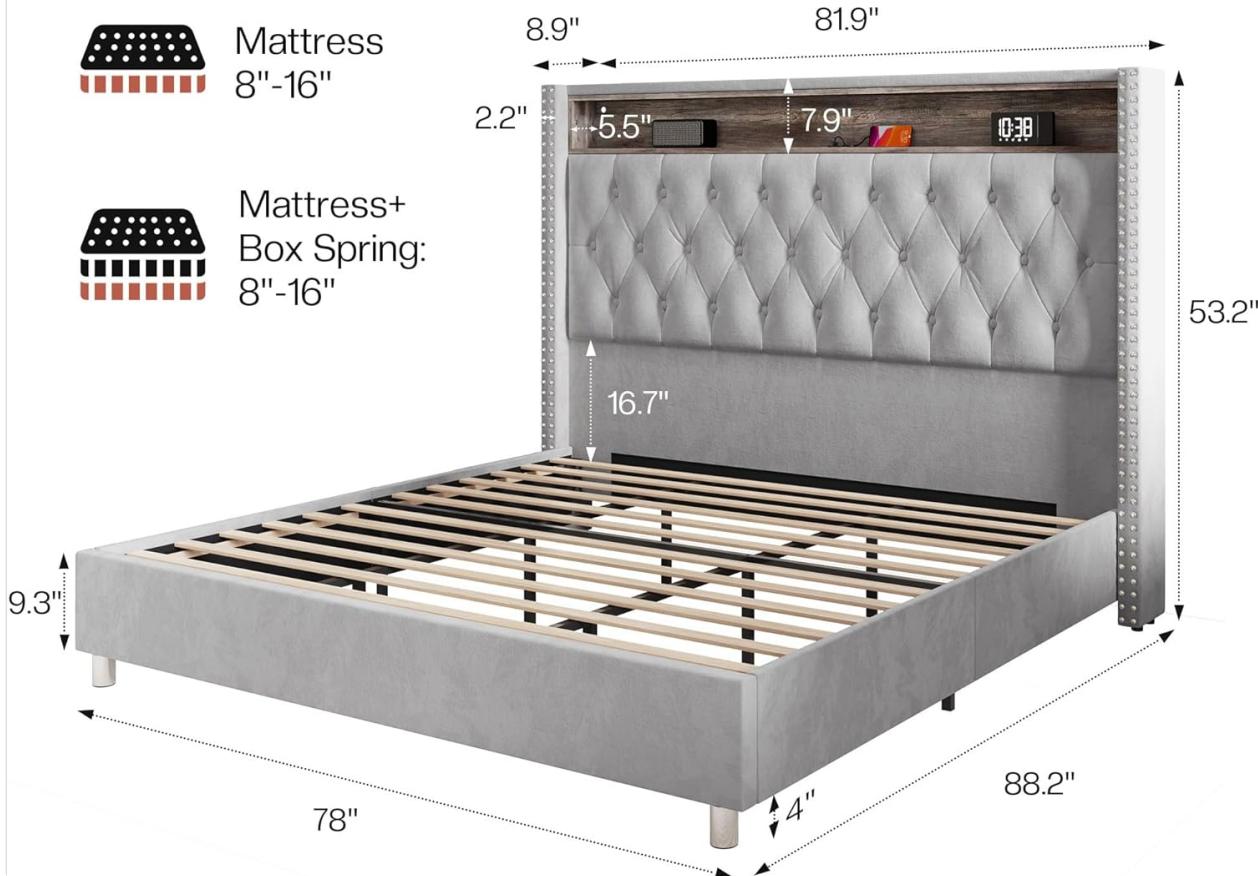

# KING

88.2" L\*81.9" W\*53.2" H

Weight Capacity

1000 LBS

## 5. OPERATING INSTRUCTIONS

### 5.1 LED Mood Lighting

The integrated RGB LED strip in the headboard offers customizable lighting to enhance your bedroom ambiance.

- Power On/Off:** Use the designated button on the remote control or the mobile application to turn the LED lights on or off.
- Color Selection:** Choose from 20 static RGB colors using the remote or app.
- Dynamic Modes:** Select from 21 dynamic modes that offer various lighting effects and transitions.
- Brightness Adjustment:** Adjust the light intensity with 8 brightness levels.
- Speed Control:** For dynamic modes, adjust the speed of the effects with 8 speed settings.
- Control Options:** The LED lights can be controlled via a wired controller, the included remote control, or a compatible mobile application (refer to the assembly manual for app details).

**Image 5.1:** This image illustrates the RGB LED lighting features, including the wired controller, remote control, and mobile app control options, along with the 20 RGB colors, 21 dynamic modes, 8 speed modes, and 8 brightness modes.

## 5.2 Charging Station

The headboard includes a built-in charging station with USB and USB-C ports for convenient device charging.

- **Connection:** Ensure the bed frame's power adapter is securely plugged into a wall outlet.
- **Usage:** Connect your devices to the 5V/3A USB or USB-C ports located on the headboard.
- **Power Cord:** The charging station is powered by a 6.5-foot power cord.

# 53.5" Tall LED Storage Headboard

**Image 5.2:** A detailed view of the 53.5-inch tall headboard, highlighting the built-in charging station with USB and USB-C ports, the storage shelf, and the 6.5-foot power cord.

## 6. MAINTENANCE

- **Cleaning:** For the velvet upholstered surfaces, gently wipe with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the headboard storage area and frame with a soft, dry cloth.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent noise.
- **Electrical Components:** Ensure the power cord and connections for the LED lights and charging station are not pinched or damaged.

## 7. TROUBLESHOOTING

Issue	Possible Cause	Solution
-------	----------------	----------

Issue	Possible Cause	Solution
LED lights not working	Power adapter unplugged; remote battery dead; loose connection.	Ensure power adapter is securely plugged in. Replace remote battery. Check all LED strip connections.
Charging ports not working	Power adapter unplugged; device cable faulty; port malfunction.	Verify power adapter connection. Try a different charging cable. Test with another device.
Bed frame is noisy or wobbly	Loose hardware; uneven floor.	Re-tighten all bolts and screws. Ensure the bed frame is on a level surface.
Missing parts or damaged components	Shipping error; manufacturing defect.	Contact Jocisland customer support immediately with your purchase details.
