VINGLI Twin Daybed with Pop-up Trundle Bed Instruction Manual

Model: B0FJS6SQKW | Brand: VINGLI

1. INTRODUCTION

Thank you for choosing the VINGLI Twin Daybed with Pop-up Trundle Bed. This versatile furniture piece is designed to provide comfortable seating and sleeping solutions for various spaces, including living rooms, bedrooms, and guest rooms. It features an integrated LED light system, a convenient charging station, an upholstered storage headboard, and a sturdy metal frame with a pop-up trundle bed. This manual provides essential information for assembly, operation, maintenance, and safety to ensure optimal use and longevity of your daybed.

2. SAFETY INFORMATION

- **Weight Capacity:** Do not exceed the maximum weight capacity of 450 lbs for the main daybed and 350 lbs for the trundle bed.
- **Sharp Edges:** Be cautious of any sharp edges on the headboard or frame during assembly and use.
- **Stability:** Ensure all connections are securely tightened after assembly. Use the lockable casters on the trundle bed to prevent unintended movement when in use or extended.
- **Mattress Size:** For proper fit and function, the trundle bed requires a mattress no thicker than 6 inches.
- **Children:** Supervise children around the daybed, especially when operating the trundle mechanism.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact VINGLI customer support.

- Daybed Frame Components (Main frame, trundle frame)

- Upholstered Headboard with Storage Shelf
- Metal Slats for both main and trundle beds
- Charging Station Unit (2 USB ports, 2 AC outlets)
- LED Light Strip and Controller (Remote control included)
- Assembly Hardware (Screws, bolts, washers, Allen wrench)
- Instruction Manual

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this daybed. It is recommended that two adults perform the assembly for ease and safety. All parts are labeled, and clear instructions are provided in the included assembly guide.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Main Frame:** Follow the step-by-step instructions in the assembly guide to construct the main daybed frame. Ensure all bolts are tightened securely.
3. **Attach Headboard:** Secure the upholstered headboard to the main frame. Connect the charging station and LED light strip according to the wiring diagram.
4. **Install Slats:** Place and secure the metal slats onto the main daybed frame.
5. **Assemble Trundle Frame:** Construct the pop-up trundle bed frame, attaching the lockable wheels.
6. **Install Trundle Slats:** Place and secure the metal slats onto the trundle bed frame.
7. **Insert Trundle:** Slide the assembled trundle bed under the main daybed.

5. OPERATING INSTRUCTIONS

5.1. Trundle Bed Operation

The pop-up trundle bed can be easily extended and raised to create an additional sleeping surface or combined with the main daybed to form a larger bed.

- **To Extend:** Gently pull the trundle frame out from under the main daybed.
- **To Pop-Up:** Lift the trundle frame upwards until it locks into place at the same height as the main daybed. Ensure the lockable casters are engaged to prevent movement.
- **To Retract:** Disengage the locking mechanism, gently lower the trundle frame, and push it back under the main daybed.

5.2. LED Light System

The integrated RGB LED light strip offers customizable ambiance with 6000 colors and dynamic modes.

- **Control:** Use the included remote control or download the dedicated app to control the LED lights.
- **Functions:** Adjust brightness, change colors, select dynamic lighting modes, and set timers for automatic on/off.

5.3. Charging Station

The headboard features a built-in power station for convenient device charging.

- **Outlets:** Includes 2 standard AC outlets (125V/12A).
- **USB Ports:** Includes 2 USB ports (5V/2A) for charging mobile devices.
- **Power Cord:** The charging station is powered by a 6.5-foot power cord.

6. MAINTENANCE

- **Cleaning:** Wipe the metal frame with a damp cloth and mild detergent. For the upholstered headboard, use a fabric cleaner suitable for polyester linen. Avoid harsh chemicals.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain stability.
- **Caster Maintenance:** Keep the trundle wheels clean and free of debris for smooth operation.
- **Electrical Components:** Ensure the charging station and LED light connections are secure. Do not expose electrical components to moisture.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Trundle bed does not slide smoothly.	Wheels are dirty or obstructed; casters are locked.	Clean wheels and remove any obstructions. Ensure casters are unlocked for movement.
Trundle bed does not pop up or stay up.	Locking mechanism not engaged properly.	Ensure the trundle is fully lifted until the locking mechanism clicks into place.
LED lights are not working.	Power connection loose; remote/app issue; faulty LED strip.	Check power connections to the LED strip and controller. Replace remote batteries. Re-pair with the app. If issues persist, contact support.
Charging station is not providing power.	Power cord not plugged in; outlet issue; internal wiring loose.	Ensure the main power cord is securely plugged into a working wall outlet. Check internal connections if accessible.
Mattresses slide apart when daybed and trundle are combined.	Lack of mattress adhesive or securing clips.	Consider using mattress adhesive pads or additional securing clips (not included) to keep mattresses together.
