## Scentiment Diffuser Air 2

# Scentiment Diffuser Air 2 Discovery Kit User Manual

Model: Diffuser Air 2

### INTRODUCTION

The Scentiment Diffuser Air 2 utilizes advanced cold-air diffusion technology to deliver pure fragrance without the use of heat or water. This method ensures a consistent, mold-free, and long-lasting scenting experience, covering areas up to 1,250 square feet. Designed for homes, offices, and commercial spaces, the Diffuser Air 2 provides a clean, residue-free fragrance that is safe for pets, children, furniture, and artwork. This manual provides instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your device.

### PACKAGE CONTENTS

Please verify that all items are present in your package:

- Scentiment Diffuser Air 2 Unit (Silver)
- Luxury Hotel-Inspired Fragrance Oils (20ml each): The One, Ocean Breeze, Day Dream, and additional fragrances.
- USB-C Charging Cable with Extended Tip

## IMPORTANT SAFETY INFORMATION

- The Scentiment Diffuser Air 2 uses cold-air diffusion, which is mold-free and residue-free.
- Fragrances are formulated without harsh chemicals, making them safe for households with pets, children, furniture, and artwork.

- Keep the diffuser and fragrance oils out of reach of children and pets.
- Do not ingest fragrance oils. In case of ingestion, seek medical attention immediately.
- Avoid direct contact of fragrance oils with skin and eyes. If contact occurs, rinse thoroughly with water.
- Use only Scentiment approved fragrance oils with this device.
- Do not disassemble or attempt to repair the device yourself, except for the interchangeable motor replacement as instructed.
- Ensure the device is placed on a stable, flat surface.
- Unplug the device before cleaning or when not in use for extended periods.

## SAFE FOR PETS & KIDS

Fragrances are thoughtfully designed to never include harsh chemicals. Every fragrance is ethically sourced and **safe for children, pets, furniture, and artwork.**

### SETUP GUIDE

1. **Unpack the Diffuser:** Carefully remove the Scentiment Diffuser Air 2 and all accessories from its packaging.

2. **Charge the Device:** Before first use, fully charge the diffuser using the provided USB-C charging cable. Connect the cable to the charging port on the diffuser and a suitable USB power adapter (not included). The indicator light will show charging status. A full charge provides wireless operation.
  3. **Insert Fragrance Oil:**
    - Remove the top cover of the diffuser by gently twisting or lifting it.
    - Unscrew the cap from your chosen Scentiment fragrance oil bottle.
    - Carefully screw the fragrance oil bottle into the designated port at the base of the diffuser's internal mechanism. Ensure it is securely fastened to prevent leaks.
    - Replace the top cover of the diffuser.
  4. **Placement:** Place the diffuser on a flat, stable surface in your desired area. For optimal diffusion, avoid placing it directly against walls or in enclosed spaces.
- 

## OPERATING INSTRUCTIONS

### Powering On/Off

The Scentiment Diffuser Air 2 is primarily controlled via the mobile application. Refer to the app for power functions.

### Using the Scentiment Mobile App (Available January 2025)

For full control and customization of your diffuser, download the Scentiment mobile app (available for iOS and Android devices from January 2025).

1. **Download the App:** Search for "Scentiment" in your device's app store and install the application.
  2. **Create an Account:** Follow the on-screen prompts to create a Scentiment account or log in if you already have one.
  3. **Connect Your Diffuser:**
    - Ensure your diffuser is powered on and within range of your Wi-Fi network and Bluetooth-enabled device.
    - In the app, select "Add Device" and follow the instructions to connect your Diffuser Air 2 via Wi-Fi and Bluetooth.
  4. **Adjust Settings:** Once connected, you can:
    - **Fragrance Intensity:** Adjust the diffusion intensity to your preference.
    - **Scheduling:** Set custom schedules for when the diffuser turns on and off, and at what intensity.
    - **Remote Control:** Control your diffuser from anywhere with an internet connection.
- 

## MAINTENANCE

### Cleaning the Diffuser

- Ensure the diffuser is powered off and unplugged before cleaning.
- Wipe the exterior of the diffuser with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- If any oil residue is present around the diffusion nozzle, gently wipe it with a cotton swab lightly dampened with rubbing alcohol. Ensure no liquid enters the internal components.

- Do not submerge the diffuser in water or any other liquid.

## Replacing Fragrance Oils

- When a fragrance oil bottle is empty, power off the diffuser.
- Remove the top cover.
- Carefully unscrew the empty fragrance oil bottle from the diffuser.
- Dispose of the empty bottle responsibly.
- Screw in a new Scentiment fragrance oil bottle securely.
- Replace the top cover.

## Interchangeable Motor Technology

The Scentiment Diffuser Air 2 features patent-pending interchangeable motor technology, allowing for easy self-serve motor replacement. This ensures long-lasting performance without the need for costly repairs or service visits. Refer to the Scentiment website or contact customer support for instructions on motor replacement, if needed.
