Product Overview

Familiarize yourself with the key features and components of your earbuds.

Key Features:

- **Bluetooth 5.3:** Provides stable and efficient wireless connection.
- **Low-Latency Gaming Mode:** Minimizes audio delay for synchronized gaming.
- **Environmental Noise-Cancelling (ENC) Microphones:** Enhances voice clarity during calls.
- **Long Battery Life:** Up to 22.5 hours of use with the charging case.
- **Type-C Fast Charging:** Fully charges in approximately 1.5 hours.
- **LED Charging Case:** Compact case with LED accents for visual feedback.

Setup

1. Charging the Earbuds and Case:

1. Place the earbuds into the charging case.
2. Connect the Type-C charging cable to the charging port on the case and plug the other end into a USB power source (e.g., wall adapter, computer USB port).
3. The LED indicators on the case will illuminate to show charging status. A full charge takes approximately 1.5 hours.
4. Once fully charged, disconnect the charging cable.

2. Pairing with a Device:

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by flashing LED lights on the earbuds.
3. On your device (smartphone, tablet, computer, gaming console), go to the Bluetooth settings.
4. Search for available devices and select "RadioShack 3304452" (or similar name) from the list.

5. Once connected, the earbud LEDs will stop flashing. You are now ready to use your earbuds.
6. If pairing fails, close the case, wait a few seconds, and repeat the steps.

Operating Instructions

Power On/Off:

- **Power On:** Open the charging case, or press and hold the touch control area on both earbuds for 3 seconds.
- **Power Off:** Place the earbuds back into the charging case and close the lid, or press and hold the touch control area on both earbuds for 5 seconds.

Music Playback:

- **Play/Pause:** Tap the touch control area on either earbud once.
- **Next Track:** Double-tap the right earbud.
- **Previous Track:** Double-tap the left earbud.
- **Volume Up:** Triple-tap the right earbud.
- **Volume Down:** Triple-tap the left earbud.

Call Management:

- **Answer/End Call:** Tap the touch control area on either earbud once.
- **Reject Call:** Press and hold the touch control area on either earbud for 2 seconds.

Gaming Mode:

Activate low-latency gaming mode for improved audio synchronization during gameplay.

- **Activate Gaming Mode:** Press and hold the touch control area on the right earbud for 2 seconds. You will hear an audio prompt.
- **Deactivate Gaming Mode:** Press and hold the touch control area on the right earbud for 2 seconds again. You will hear an audio prompt confirming deactivation.

Low latency gaming mode reduces input lag for smoother, real-time audio.

Maintenance

To ensure the longevity and optimal performance of your earbuds, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Water:** The earbuds are not waterproof. Avoid exposure to water, moisture, or excessive humidity.
- **Temperature:** Do not expose the earbuds to extreme temperatures (hot or cold).
- **Charging:** Only use the provided Type-C cable or a certified equivalent for charging.

Troubleshooting

If you encounter issues with your earbuds, refer to the following common solutions:

Problem	Solution
Earbuds not powering on	Ensure earbuds and charging case are fully charged.
Cannot pair with device	Make sure Bluetooth is enabled on your device. Place earbuds in case, close, then reopen to re-enter pairing mode. Forget previous pairing on your device and try again.
No sound from earbuds	Check device volume. Ensure earbuds are properly paired and connected. Try restarting your device.
One earbud has no sound	Place both earbuds back into the charging case, close the lid, then reopen. This often re-syncs them.
Poor call quality	Ensure microphones are not obstructed. Move to an area with less background noise.
