HOMRELEXA 106" L Shape with Adjustable Chaise

HOMRELEXA 106" Sectional Couch with High Backrest, L-Shape Modular Sofa Instruction Manual

Model: 106" L Shape with Adjustable Chaise | Brand: HOMRELEXA

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the HOMRELEXA 106" L-Shape Modular Sectional Sofa. This manual provides essential information for the proper setup, usage, and maintenance of your new furniture. Designed for comfort and versatility, this sectional couch features a high backrest, adjustable chaise, and dual-layer foam technology for an optimal seating experience.

Key Features:

- **Ergonomic High Backrest:** Provides optimal support for your neck, back, and lumbar region, promoting improved sitting posture.
- **Adjustable Left or Right Chaise:** The chaise lounge and its armrest are not fixed, allowing for flexible configuration as a left-facing or right-facing L-shaped sofa, or even a sofa bed.
- **Dual-Layer Foam Technology:** Innovative dual-layer sponge ensures even weight distribution for cloud-like comfort, with a built-in cooling gel layer for freshness.
- **Velvety Corduroy Comfort:** Upholstered in premium corduroy fabric, offering a plush feel, enhanced breathability, and easy maintenance.
- **10-Second Setup:** Tool-free assembly for quick and easy installation.

2. SETUP AND ASSEMBLY

Your HOMRELEXA sectional sofa is designed for quick and easy assembly without the need for any tools. Follow these simple steps to set up your new couch.

Assembly Steps:

1. **Unbox and Unroll:** Carefully remove the packaging from each compressed module. The sofa

components are vacuum-sealed for shipping.

2. **Position Modules:** Place the individual sofa modules in your desired L-shape configuration. The chaise can be positioned on either the left or right side.
3. **Allow for Expansion:** The foam components will begin to expand immediately upon opening. Allow up to 72 hours for the sectional sofa to fully recover its shape and firmness. Gently patting the cushions can help accelerate this process.
4. **Arrange Cushions:** Place the backrest and side cushions onto the base modules as desired.

3. OPERATING AND USAGE

The HOMRELEXA sectional sofa offers versatile usage options to suit your comfort and living space needs.

Configuring Your Sofa:

- **Adjustable Chaise:** The chaise module can be easily moved to either the left or right side of the main sofa section to create your preferred L-shape configuration. Simply lift and reposition the module.
- **Modular Design:** All individual modules (seat bases, backrests, armrests) are independent, allowing you to rearrange them to create various layouts, including a sofa bed or a larger seating area.

Comfort Features:

- **High Backrest:** Lean back and enjoy the ergonomic support for your neck, back, and lumbar region.
- **Deep Seating:** The generous seat depth (30.3 inches) provides ample space for lounging and relaxation.
- **Cooling Comfort:** The dual-layer foam with built-in cooling gel helps regulate temperature for a comfortable experience.

4. MAINTENANCE

Proper care will ensure the longevity and appearance of your HOMRELEXA sectional sofa.

Cleaning Instructions:

- **Spot Cleaning:** For spills and minor stains, wipe immediately with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **General Cleaning:** Regularly vacuum the sofa using an upholstery attachment to remove dust and debris.
- **Cushion Care:** Fluff and rotate cushions periodically to maintain their shape and even wear.

5. TROUBLESHOOTING

If you encounter any issues with your sofa, please refer to the following common troubleshooting tips:

- **Cushions Not Fully Expanded:** Allow the full 72 hours for foam expansion. Gently patting and massaging the cushions can help distribute the foam and air. Ensure the room temperature is moderate, as extreme cold can slow expansion.
- **Uneven Seating:** If modules feel uneven, ensure they are properly aligned and pushed together. Rearrange cushions to ensure even distribution of filling.
- **Fabric Wrinkles:** Minor wrinkles from packaging are normal. These should smooth out as the foam expands and with regular use. Gentle steaming can also help.
