ALAULM 8'x 5' Outdoor Grill Gazebo

ALAULM 8'x 5' Outdoor Grill Gazebo Soft Top BBQ Canopy Instruction Manual

Model: 8'x 5' Outdoor Grill Gazebo

INTRODUCTION

Thank you for choosing the ALAULM 8'x 5' Outdoor Grill Gazebo. This soft top BBQ canopy is designed to provide a shaded and functional space for your outdoor grilling and entertaining needs. It features a sturdy frame, practical side shelves, and a removable canopy. Please read this manual thoroughly before assembly and use to ensure safe operation and proper maintenance of your gazebo.

SAFETY INFORMATION

Important Safety Precautions:

- Always secure the gazebo to the ground using the provided anchors to prevent wind-related accidents.
- Maintain a safe distance from heat sources, such as grills, to prevent fire hazards.
- Never leave the grill unattended while in use under the gazebo.
- Avoid prolonged exposure to direct sunlight under the canopy to minimize UV risks and prolong canopy life.
- Always follow the assembly instructions carefully to ensure safe setup and dismantling.
- Ensure all connections are tight and secure before and during use.
- Do not use the gazebo in extreme weather conditions, such as heavy winds, snow, or thunderstorms.

PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. Refer to the parts list in your separate assembly guide.

The package typically includes:

- Galvanized metal frame components (ribs, columns)
- Soft fabric canopy
- Two metal side shelves
- Five tool hooks
- Ground anchors
- Assembly hardware (screws, bolts, nuts)
- Instruction manual

If any parts are missing or damaged, please contact customer support immediately.

SETUP AND ASSEMBLY

The ALAULM Grill Gazebo is designed for user-friendly assembly. It is recommended that two adults perform the assembly. Please follow the detailed step-by-step instructions provided in the separate assembly guide included with your product. Below are general guidelines and key points:

1. **Unpack and Identify Parts:** Lay out all components and verify against the parts list.
2. **Assemble the Frame:** Connect the main columns and ribs according to the diagrams. Ensure all bolts are finger-tight initially.
3. **Attach Side Shelves:** Secure the two metal side shelves to the frame. These shelves are perforated for drainage.
4. **Install Tool Hooks:** Attach the five tool hooks to the designated areas on the side shelves.
5. **Install Canopy:** Carefully place the fabric canopy over the frame. The canopy attaches with four Velcro straps for easy removal.
6. **Secure the Gazebo:** Once the frame is fully assembled and the canopy is in place, tighten all bolts securely. Use the provided ground anchors to firmly secure the gazebo to the ground.

Easy Assembly

The canopy can be easily assembled and removed for cleaning

OPERATING INSTRUCTIONS

Your grill gazebo is designed for outdoor use to provide shade and convenience during grilling activities.

- **Canopy Function:** The fabric canopy blocks UV rays and allows for better air circulation and smoke ventilation. Its arched design helps disperse wind.
- **Side Shelves:** Utilize the two spacious, perforated metal side shelves for holding barbecue tools, seasonings, plates, and beverages. The perforations facilitate drainage.
- **Tool Hooks:** Hang your grilling utensils on the five integrated tool hooks for easy access.
- **Placement:** Position the gazebo on a flat, stable surface. Ensure adequate clearance around the grill for safety and ventilation.

MAINTENANCE

Regular maintenance will extend the life and appearance of your gazebo.

- **Canopy Cleaning:** The fabric canopy can be easily removed for cleaning. Hand wash with mild soap and water, then air dry completely before reattaching. Do not machine wash or tumble dry.
- **Frame Cleaning:** Wipe the metal frame with a damp cloth and mild detergent. Rinse thoroughly and dry to prevent rust.
- **Rust Prevention:** The galvanized metal frame is rust-resistant, but regular inspection and cleaning can further prevent corrosion. Touch up any scratches with rust-inhibiting paint if necessary.
- **Seasonal Storage:** For prolonged periods of non-use or during harsh weather conditions (heavy snow, strong winds), it is recommended to remove the canopy and store it indoors.
- **Anchor Check:** Periodically check that the ground anchors are secure and the gazebo remains firmly attached to the ground.

TROUBLESHOOTING

If you encounter issues with your gazebo, refer to these common solutions:

- **Gazebo feels unstable:** Ensure all frame connections are tightened. Verify that ground anchors are properly installed and secure. Re-anchor if necessary.
- **Canopy collects water:** Ensure the canopy is stretched taut and properly secured to the frame. The arched design is intended to shed water, but heavy rainfall might cause temporary pooling if not properly tensioned.
- **Difficulty with assembly:** Double-check the assembly guide for correct part orientation and sequence. Ensure you have all necessary tools. It is often easier with two people.
- **Parts missing or damaged:** Contact ALAULM customer support immediately with your product model and details of the missing/damaged parts.

SPECIFICATIONS

Brand	ALAULM
-------	--------

Model	8'x 5' Outdoor Grill Gazebo
Material	Metal (Frame), Fabric (Canopy)
Frame Material	Iron (Galvanized)
