## Xiaomi A 65 2026

# Xiaomi 65-inch 4K HDR10 Google TV (Model A 65 2026) User Manual

Your comprehensive guide to setting up and using your new Xiaomi TV.

## 1. INTRODUCTION

---

This manual provides essential information for the safe and efficient operation of your Xiaomi 65-inch 4K HDR10 Google TV, Model A 65 2026. Please read this manual thoroughly before using the product and retain it for future reference.

## 2. SAFETY INFORMATION

---

Always follow basic safety precautions when using this product to reduce the risk of fire, electric shock, and injury. Keep the TV away from water and moisture. Do not block ventilation openings. Use only attachments/accessories specified by the manufacturer. Refer to the 'Safety and Setup Instructions' document included in the package for detailed safety guidelines.

## 3. PACKAGE CONTENTS

## 5. OPERATING INSTRUCTIONS

### 5.1 Google TV Features

Your Xiaomi TV comes with Google TV built-in, offering a personalized experience with access to over 10,000 apps and various video-on-demand (VOD) services like YouTube, Netflix, Prime Video, Hulu, and Disney+. The tunerless design means you'll need an external tuner for terrestrial broadcasts.

## 5.2 Voice Control

Use the 'OK Google' voice search feature on your remote control to quickly find content, control your TV, and manage smart home devices. The 360° Bluetooth voice remote allows for flexible operation.

## 5.3 Screen Sharing

Easily share content from your smartphone or tablet to the TV using Chromecast built-in and Apple AirPlay. This allows you to enjoy photos, videos, and other media on the large screen.

## 6. MAINTENANCE

To ensure the longevity and optimal performance of your TV, follow these maintenance tips:

- **Cleaning the Screen:** Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a screen cleaner specifically designed for TVs. Do not spray liquid directly onto the screen.
- **Cleaning the Frame:** Use a soft, dry cloth to wipe the TV frame.
- **Ventilation:** Ensure the ventilation openings on the back of the TV are not blocked to prevent overheating.
- **Power Cord:** Regularly check the power cord for any damage. If damaged, discontinue use and contact customer support.

## 7. TROUBLESHOOTING

If you encounter any issues with your TV, refer to the following common troubleshooting steps:

- **No Power:** Check if the power cable is securely connected to both the TV and the power outlet. Ensure the power outlet is functioning.
- **No Picture/Sound:** Verify that the correct input source is selected. Check all cable connections (HDMI, etc.).
- **Remote Not Responding:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the TV. Re-pair the Bluetooth remote if necessary.
- **Network Connection Issues:** Restart your router and modem. Check your Wi-Fi password. Try connecting other devices to the network to confirm internet functionality.
- **App Freezing/Crashing:** Restart the TV. Clear the cache of the problematic app in the TV settings.
