Maxi-Cosi Pria All-in-One Convertible Car Seat (Model CC414FGDA)

Maxi-Cosi Pria All-in-One Convertible Car Seat Instruction Manual

Brand: Maxi-Cosi | Model: Pria All-in-One Convertible Car Seat (CC414FGDA)

---

1. PRODUCT OVERVIEW

The Maxi-Cosi Pria All-in-One Convertible Car Seat is designed to accommodate children through multiple growth stages, from infancy to toddlerhood. It offers three modes of use: rear-facing, forward-facing, and belt-positioning booster.

- **Rear-Facing Car Seat:** Suitable for children weighing 5–40 lbs. and measuring 19"–40".
- **Forward-Facing Car Seat:** Suitable for children weighing 30–65 lbs. and measuring 34.4"–49".
- **Belt-Positioning Booster Seat:** Suitable for children weighing 40–100 lbs. and measuring 43.4"–52".

This car seat features premium fabrics, adjustable components for a customized fit, and multiple recline positions to enhance comfort and ease of installation.

2. SETUP AND INSTALLATION

The Pria All-in-One car seat offers flexible installation options using either the vehicle's LATCH system or seat belt. Always refer to your vehicle's owner's manual for specific car seat installation instructions.

2.1 LATCH Connectors

The car seat is equipped with 1-click LATCH connectors for a fast, easy, and secure installation. Locate the LATCH anchors in your vehicle and attach the connectors firmly.

Figure 2: Detail of the 1-click LATCH connectors for secure installation.

2.2 Seat Belt Installation

Alternatively, the car seat can be installed using the vehicle's seat belt. Follow the belt path indicators on the car seat for correct routing of the lap and shoulder belts. Ensure the car seat is tightly secured and does not move more than one inch side-to-side or front-to-back at the belt path.

2.3 Adjusting for Growth

The integrated QuikFit headrest and harness system allows for one-handed height adjustment, eliminating the need for rethreading the harness as your child grows. This ensures a proper fit at every stage.

Figure 3: The QuikFit system allows for easy, one-handed adjustment of the headrest and harness.

3. Operating the Car Seat

3.1 Harness System

The car seat utilizes a 5-point harness system for optimal security. Ensure the harness straps are snug against your child's body and positioned at or below the shoulders for rear-facing, and at or above the shoulders for forward-facing.

3.2 Recline Positions

The ReclineFit feature offers 3 reclining positions, allowing you to adjust the seat angle for your child's comfort and to achieve a proper fit in your vehicle. The recline lever is typically located at the front of the car seat base.

Figure 4: The ReclineFit system provides three recline positions for comfort and vehicle fit.

3.3 Cup Holders

Two removable cup holders are integrated into the car seat design. These can be easily detached for cleaning and are dishwasher-safe.

4. Maintenance and Cleaning

The Maxi-Cosi Pria All-in-One car seat is designed for easy maintenance. All fabrics are machine-washable and dryer-safe, simplifying cleanup after spills or accidents.

4.1 Fabric Care

The car seat features EcoCare, a 100%-recycled fabric made from plastic bottles, and PureCosi fabric, made without added fire retardant treatments. Both are soft, comfortable, breathable, and easy to clean.

4.2 Infant Pillows and Cushions

Plush infant pillows and cushions provide extra support for newborns and can be easily removed for cleaning or when your child no longer requires them.

5. SAFETY INFORMATION

The Maxi-Cosi Pria All-in-One Convertible Car Seat is engineered and tested to meet or exceed federal safety standards, including the federal Side Impact standard. Always ensure proper installation and harness adjustment for maximum safety.
