Volkano X VKX-208-GT

Volkano X Ignite Series Bluetooth Wireless Keyboard and Mouse Combo User Manual

INTRODUCTION

This manual provides detailed instructions for the Volkano X Ignite Series Bluetooth Wireless Keyboard and Mouse Combo. This combo offers dual-mode wireless connectivity (Bluetooth and 2.4GHz USB) for flexible pairing across various devices and operating systems. It features silent typing and clicking, ergonomic design, and long-lasting rechargeable batteries. The mouse includes adjustable DPI settings for precision, and the keyboard offers multimedia shortcut keys for enhanced functionality. Please read this manual thoroughly to ensure proper use and maintenance of your device.

WHAT'S IN THE BOX

- Volkano X Ignite Series Wireless Keyboard
- Volkano X Ignite Series Wireless Mouse
- 2.4GHz USB Nano Receiver
- USB-C Charging Cable
- USB-C to USB-A Adapter (if applicable for receiver)

SETUP

1. Charging the Devices

Before initial use, ensure both the keyboard and mouse are fully charged. Connect the provided USB-C charging cable to the charging port on each device and to a USB power source. The charging indicator light will show charging status and turn off when fully charged.

2. Connecting via 2.4GHz USB Receiver

1. Locate the 2.4GHz USB Nano Receiver, typically stored in the mouse's battery compartment.
2. Insert the USB receiver into an available USB port on your computer or device. If your device only has USB-C ports, use the provided USB-C to USB-A adapter.
3. Turn on the keyboard and mouse using their respective power switches. The devices should automatically connect to your computer.

3. Connecting via Bluetooth

The Ignite Series supports Bluetooth connectivity for up to three devices. Use the dedicated Bluetooth switching keys on the keyboard to manage connections.

1. Keyboard Bluetooth Pairing:

- a. Turn on the keyboard. Press and hold one of the Bluetooth keys (e.g., **BT1**, **BT2**, or **BT3**) for 3-5 seconds until the indicator light flashes rapidly, indicating pairing mode.
- b. On your device (computer, tablet, smartphone), go to Bluetooth settings and search for available devices. Select "Volkano X Ignite Keyboard" from the list.

c. Follow any on-screen prompts to complete the pairing process.

2. Mouse Bluetooth Pairing:

- Turn on the mouse. Press and hold the Bluetooth pairing button (often located on the underside or a dedicated button) for 3-5 seconds until the indicator light flashes rapidly.
- On your device, go to Bluetooth settings and search for available devices. Select "Volkano X Ignite Mouse" from the list.
- Follow any on-screen prompts to complete the pairing process.

OPERATING INSTRUCTIONS

Keyboard Functions

- **Silent Soft Touch Keys:** The keyboard is designed with silent keys for a quiet typing experience.
- **Multimedia Shortcuts:** Utilize the function keys (F1-F12) in combination with the **Fn** key for quick access to multimedia controls (e.g., volume, play/pause, brightness).
- **Copilot Shortcut Key:** A dedicated key is available for quick access to Copilot features (if supported by your operating system).
- **Bluetooth Device Switching:** Press the **BT1**, **BT2**, or **BT3** keys to switch between paired Bluetooth devices.

Mouse Functions

- **Adjustable DPI:** Press the **DPI** button on the top of the mouse to cycle through sensitivity settings: 1000, 2000,

3000, and 4000 DPI. The indicator light will change color or flash to indicate the current DPI level.

- **Silent Buttons:** The mouse features silent click buttons for a quiet working environment.
- **Additional Function Buttons:** Two side buttons are available for forward/backward navigation in web browsers or other applications.
- **Metal Scroll Wheel:** Provides smooth and precise scrolling.

Image: An overhead view of a user typing on the Volcano X Ignite keyboard and operating the mouse on a desk, demonstrating ergonomic use.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the surfaces of the keyboard and mouse. For stubborn dirt, slightly dampen the cloth with water or a mild cleaning solution. Avoid harsh chemicals or abrasive materials.
- **Battery Care:** To prolong battery life, avoid fully discharging the devices frequently. Charge them regularly, especially if they will be stored for an extended period. Do not expose the devices to extreme temperatures.

- **Storage:** When not in use, store the keyboard and mouse in a cool, dry place away from direct sunlight and excessive dust.

TROUBLESHOOTING

Problem	Solution
Device not connecting via 2.4GHz	Ensure the USB receiver is fully inserted into a working USB port. Check if the keyboard/mouse power switch is ON. Try a different USB port.
Device not connecting via Bluetooth	Ensure the device is in pairing mode (indicator light flashing). Check your computer's Bluetooth settings and ensure Bluetooth is enabled. Remove previous pairings and try pairing again. Ensure the keyboard/mouse power switch is ON.
Keyboard/Mouse unresponsive	Check battery level and recharge if necessary. Ensure the device is connected (either via 2.4GHz receiver or Bluetooth). Restart your computer/device.
Mouse cursor movement is erratic or too slow/fast	Adjust the DPI setting using the DPI button on the mouse. Ensure the mouse sensor is clean and operating on a suitable surface.
Multimedia keys not working	Ensure you are pressing the Fn key simultaneously with the desired function key. Check your operating system settings for function key behavior.
