PACKAGE CONTENTS

Upon opening your package, you should find the following items:

- 1 x WIWU Magnetic Detachable Keyboard Case (Model MK-005)
- 1 x USB-C Charging Cable
- 1 x User Manual (this document)

SETUP INSTRUCTIONS

1. Attaching Your iPad to the Case

1. Align your compatible iPad with the protective back cover of the case.
2. Gently press the iPad into the case until it is securely seated. The case is designed for a snug fit to protect your device.

2. Charging the Keyboard

Before initial use, fully charge the keyboard. The keyboard features a USB-C charging port.

1. Locate the USB-C charging port on the side of the keyboard.
2. Connect the provided USB-C charging cable to the keyboard and a suitable power source (e.g., USB wall adapter, computer USB port).
3. The charging indicator light will illuminate. A full charge typically takes approximately 2 hours and provides up to 100 hours of use.

100 hours battery life, ready to work anytime

Bluetooth 5.3 ensures no lag pairing and stable connectivity

USB-C recharging in 2 hours for up to 100 hours of use

3. Bluetooth Pairing

1. Ensure the keyboard is charged and powered on using the switch located on the side. The Bluetooth indicator light will flash.
2. On your iPad, go to **Settings > Bluetooth**.
3. Turn on Bluetooth. Your iPad will search for nearby devices.
4. Locate "MK-005" in the list of "Other Devices" and tap to connect.
5. A Bluetooth Pairing Request pop-up may appear. Tap "Pair" to confirm the connection.
6. Once connected, the Bluetooth indicator light on the keyboard will stop flashing and remain solid, and "MK-005" will appear under "My Devices" as "Connected".

OPERATING INSTRUCTIONS

1. Using the Keyboard and Trackpad

- **Activating the Trackpad:** After connecting via Bluetooth, press **Fn + Spacebar** to activate the trackpad function.
- **Typing:** The scissor-switch keys offer a comfortable and responsive typing experience.
- **Trackpad Gestures:** The multi-touch trackpad supports 18 intuitive gestures for navigation, clicking, and app switching. Refer to the gesture guide below.
- **iPad OS Shortcuts:** Utilize multimedia shortcuts for increased efficiency, such as quick screenshots or returning to the desktop.

MAINTENANCE

- **Cleaning the Case:** Use a soft, damp cloth to wipe the PU leather case. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning the Keyboard:** Use a soft, dry cloth or a can of compressed air to clean between the keys. Do not immerse the keyboard in water.
- **Storage:** When not in use, store the keyboard case in a cool, dry place.
- **Battery Care:** To prolong battery life, avoid fully discharging the keyboard frequently. Charge it regularly.

TROUBLESHOOTING

Keyboard Not Connecting via Bluetooth

- Ensure the keyboard is powered on and fully charged.
- Make sure Bluetooth is enabled on your iPad.
- Forget the device ("MK-005") from your iPad's Bluetooth settings and attempt to re-pair.
- Restart both your iPad and the keyboard.
- Ensure the keyboard is within the effective Bluetooth range (typically 10 meters).

Trackpad Not Responding

- Ensure the keyboard is successfully connected via Bluetooth.
- Activate the trackpad by pressing **Fn + Spacebar**.
- Check if your iPad's operating system is iOS 14.5 or later for full gesture support.

Backlight Not Working

- Ensure the keyboard is powered on and has sufficient battery charge.
- Use the dedicated backlight keys (often combined with Fn) to turn on/off or adjust brightness/color.
