SETUP AND ASSEMBLY

Assembly of the chartustriable Makeup Vanity Desk requires careful attention to detail. It is recommended to install

this product on carpets to effectively reduce friction damage between the boards and the ground. Please refer to the detailed video instructions below for a step-by-step guide.

Video 1: Detailed assembly instructions for the 62" Large Makeup Vanity Desk.

Assembly Steps Overview:

- 1. Unpacking and Part Identification:** Carefully unbox all components. Lay them out on a soft surface (like a carpet) and identify each part using the provided labels and the instruction manual. Handle all boards and glass components with care to prevent scratches or damage.
- 2. Drawer Assembly:** Assemble the side drawers and middle drawers. This involves fixing the drawer slides (parts O-DL, O-DR, N-DL, N-DR) to the drawer bases and sides using screws (parts F, G). Ensure correct orientation as shown in the video.
- 3. Main Frame Assembly:** Connect the various wooden panels that form the main structure of the vanity, including the side supports and the central desk area. Use the designated screws and wooden plugs (parts A, B, C, D, E) to secure these connections.
- 4. Mirror and Top Cabinet Assembly:** Attach the mirror panel and the top storage cabinets. Secure the mirror to the main frame and ensure all light bulbs are correctly installed and wired.
- 5. Electrical Connections:** Connect all LED light strips and the power outlet unit. Ensure all wires are neatly tucked away and secured to prevent damage or entanglement.
- 6. Final Adjustments:** Insert the assembled drawers into their respective slots. Attach any remaining decorative elements or accessories.

For detailed visual guidance on each step, please refer to the assembly video above.

MAINTENANCE

Proper care will ensure the longevity and appearance of your vanity desk.

- **Cleaning Surfaces:** Wipe down engineered wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Glass Care:** Clean glass surfaces (mirror, tabletop, cabinet doors) with a glass cleaner and a lint-free cloth.
- **Electrical Components:** Ensure all electrical components are unplugged before cleaning. Wipe gently with a dry cloth. Do not expose to water.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, apply a small amount of silicone

lubricant.

- **Tighten Fasteners:** Over time, fasteners may loosen. Periodically check and tighten all screws and bolts to maintain stability.

TROUBLESHOOTING

Common Issues and Solutions:

- **Lights Not Working:**
 - Check if the power cord is securely plugged into a working outlet.
 - Ensure all light bulb connections are tight.
 - Verify the light switch is in the 'on' position.
- **Charging Station Not Functioning:**
 - Confirm the vanity's main power is connected.
 - Test the outlets/USB ports with a different device.
- **Drawers Sticking or Not Closing Properly:**
 - Check for any obstructions in the drawer slides.
 - Ensure the drawer slides are properly aligned and securely fastened.
 - Verify that the drawer contents are not overflowing or misaligned.
- **RGB Lights Malfunctioning:**
 - Ensure the APP is correctly paired with the RGB lighting system.
 - Check the power connection to the RGB light strips.
 - Restart the APP or the vanity's power to reset the system.
