## 3. Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

## MAINTENANCE

Proper care ensures the longevity and performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Earcaps:** Remove and clean the earcaps periodically with water and mild soap, then dry thoroughly before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place.
- **Water Resistance:** The earbuds are IPX7 waterproof, meaning they can withstand sweat and splashes. However, they are not designed for swimming or prolonged submersion. Ensure the charging port is dry before charging.
