

Dowinx LS-MB38 Series

Dowinx LS-MB38 Series Gaming Chair Instruction Manual

MODEL: LS-MB38 SERIES

1. Introduction

This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your Dowinx LS-MB38 Series Gaming Chair. Please read these instructions carefully before assembly and use to ensure proper function and safety.

2. Product Overview and Features

The Dowinx LS-MB38 Series Gaming Chair is designed for comfort and support during extended periods of sitting, whether for gaming, office work, or relaxation. Key features include:

- **Heated Massage Lumbar Support:** Integrated lumbar cushion with rotating massage heads and an adjustable warmth function to alleviate back tension and promote circulation.
- **Spacious Seating with Pocket Spring Cushions:** Combines responsive coil technology and plush padding for adaptive comfort, offering ample room for movement.
- **Cooling Seat Surface:** Textile material designed for enhanced airflow to maintain comfort during long sessions.
- **Ergonomic Design:** Features a contoured headpiece for neck support and an elevated back cushion for lower-back alignment.
- **Versatile Adjustability:** Includes an extendable footrest, a backrest that reclines up to 155°, synchronized arm movements, adjustable seat height, and 360° swivel with smooth-rolling casters.
- **Durable Construction:** Built with a reinforced metal foundation and certified components, supporting up to 350 lbs.

3. Package Contents

Verify that all components are present and undamaged before beginning assembly. Refer to the assembly instructions for a complete list of parts.

4. Setup and Assembly

Follow the step-by-step instructions provided in the included assembly manual. Ensure all screws are tightened securely, but do not overtighten. Assembly typically takes less than 10 minutes with pre-drilled holes.

1. **Install the Base:** Attach the casters to the chair base.
2. **Attach Gas Lift:** Insert the gas lift cylinder into the center hole of the base.
3. **Mount Tilt Mechanism:** Secure the tilt mechanism to the underside of the seat cushion.
4. **Connect Seat to Base:** Place the assembled seat onto the gas lift cylinder.
5. **Attach Backrest:** Secure the backrest to the seat using the provided screws.
6. **Install Armrests:** Attach the armrests to the chair.
7. **Add Cushions:** Attach the headrest and lumbar massage cushion using their straps.

5. Operating Instructions

Familiarize yourself with the chair's adjustable features for optimal comfort.

- **Seat Height Adjustment:** Use the lever located on the right side beneath the seat to raise or lower the chair. Pull up to raise, push down while seated to lower.
- **Backrest Recline:** Use the lever on the left side to adjust the backrest angle. Recline up to 155 degrees and lock into your desired position.
- **Extendable Footrest:** Pull the footrest out from beneath the seat for leg support. Push it back in when not in use.
- **Heated Massage Lumbar Cushion:**
 - a. Connect the massage cushion's USB cable to a power source.
 - b. Press the button on the cushion to activate the massage and heating functions.
 - c. Press again to change the direction of rotation for the massage.
 - d. Press a third time to switch off the heating function.
 - e. Press a fourth time to switch off the massage function.
- **Armrest Adjustment:** The armrests move synchronously with the backrest recline.

6. Maintenance

To ensure the longevity and optimal performance of your Dowinx Gaming Chair, follow these maintenance guidelines:

- **Cleaning:** Use a soft, damp cloth for general cleaning of the textile surfaces. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all screws and bolts to ensure they are tight. Retighten if necessary.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 350 lbs to prevent damage and ensure safety.
- **Placement:** Use the chair on a stable, flat surface to prevent tipping.
- **Lumbar Cushion Care:** Disconnect the power cable before cleaning. The cover can be gently wiped clean.

7. Troubleshooting

If you encounter any issues with your chair, refer to the following common solutions:

- **Chair does not adjust height:** Ensure the gas lift lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement.
- **Backrest does not recline:** Check that the recline lever is functioning correctly and not obstructed.
- **Massage function not working:** Verify that the USB cable for the lumbar cushion is securely plugged into a working power source. Ensure the power button on the cushion is pressed.
- **Squeaking noises:** Check and tighten all assembly bolts. Applying a small amount of lubricant to moving parts may also help.

For issues not covered here, please contact Dowinx customer support.
