4. INSTALLATION

Professional installation is recommended. Ensure the vehicle's power is disconnected before beginning installation. The unit is designed for a direct fit in Fiat Grande Punto and Linea models (2007-2012).

4.1 Pre-Installation Check

Before installing the new unit, compare the existing car radio and dashboard layout with the new unit to ensure compatibility. The CANBUS decoder and specific wiring harnesses are provided for seamless integration with your vehicle's electrical system.

4.2 Installation Steps (General Guidance)

1. Carefully remove the original car radio from the dashboard.
2. Connect the provided power cable, RCA harness, and CANBUS decoder to the corresponding ports on the new unit and the vehicle's wiring.
3. Install the GPS antenna in a location with a clear view of the sky (e.g., on the dashboard or under the windshield).
4. Connect the external microphone for hands-free calling.
5. If installing a rear view camera (sold separately), connect its RCA cable to the designated input on the unit.
6. Carefully slide the new car radio into the dashboard opening, ensuring all cables are properly routed and not pinched.
7. Secure the unit in place.
8. Reconnect the vehicle's power and test all functions.

5. OPERATING INSTRUCTIONS

5.1 Basic Operation (Touchscreen)

The unit features a responsive 7-inch touchscreen. Navigate through menus, select applications, and control functions by tapping, swiping, and pinching gestures similar to a smartphone.

Figure 5.1: Touchscreen interface.

5.2 Wireless Carplay & Android Auto

Connect your smartphone wirelessly to access Apple Carplay or Android Auto. This allows you to use phone music, maps (Waze, Google Maps), podcasts, and other compatible apps directly on the car radio screen. The Zlink application is pre-installed and activated for this functionality.

- Ensure your smartphone's Wi-Fi and Bluetooth are enabled.
- Open the Zlink app on the car radio.
- Follow the on-screen prompts to pair your phone.

7. TROUBLESHOOTING

This section addresses common issues you might encounter. For problems not listed here, please contact customer support.

7.1 No Power / Unit Does Not Turn On

- Check all power connections to ensure they are secure.
- Verify the vehicle's fuse for the radio is intact.
- Ensure the vehicle's ignition is on.

7.2 No Sound

- Check speaker connections.
- Ensure the volume is not muted or set too low.
- Verify the audio source is correctly selected.

7.3 GPS Signal Lost or Inaccurate

- Ensure the GPS antenna is installed in a location with a clear view of the sky.
- Check the GPS antenna connection to the unit.
- Move the vehicle to an open area away from tall buildings or dense foliage.

7.4 Bluetooth Connection Issues

- Ensure Bluetooth is enabled on both the car radio and your smartphone.
- Delete previous pairings on both devices and attempt to pair again.
- Restart both the car radio and your smartphone.

7.5 Carplay/Android Auto Not Connecting

- Ensure the Zlink app is running on the car radio.
- Verify your phone's Wi-Fi and Bluetooth are active.
- Check for any pending software updates for the Zlink app or your phone's operating system.

8. MAINTENANCE

Proper care will extend the life of your car radio.

- **Cleaning the Screen:** Use a soft, lint-free cloth to gently wipe the touchscreen. For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaner. Avoid harsh chemicals or abrasive materials.
- **Software Updates:** Periodically check for software updates via the unit's settings menu when connected to WiFi. Updates can improve performance and add new features.
- **Environmental Conditions:** Avoid exposing the unit to extreme temperatures, direct sunlight for prolonged periods, or excessive moisture.

9. WARRANTY AND SUPPORT

Your Ossuret car radio comes with a **1-year warranty** from the date of purchase. This warranty covers manufacturing defects and malfunctions under normal use.

The warranty does not cover:

- Damage caused by improper installation or unauthorized repairs.
- Damage due to accidents, misuse, abuse, or negligence.
- Normal wear and tear.

For warranty claims, technical support, or any questions regarding your product, please contact Ossuret customer service

through your retailer or the official Ossuret website.
