

Marsail TZESD3V-N1-US-1

Marsail TZESD3V-N1-US-1 Electric L-Shaped Standing Desk User Manual

Model: TZESD3V-N1-US-1

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Marsail Electric L-Shaped Standing Desk. Designed for versatility and ergonomic comfort, this desk allows for seamless transitions between sitting and standing positions, enhancing your workspace experience. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

2. SAFETY INFORMATION

- Ensure the desk is properly assembled by two people to prevent injury and ensure stability.
- Do not exceed the maximum weight recommendation of 220 pounds (100 kg) on the desktop.
- Maintain stability by keeping the desk on a flat, level surface.
- Avoid overloading the desk, especially during height adjustments.
- Keep children and pets away from the desk during operation.
- Ensure all cables are properly managed to prevent entanglement during height changes.

3. PACKAGE CONTENTS

Please verify that all components listed in the packaging insert are present before beginning assembly. If any parts are missing or damaged, contact customer support.

4. ASSEMBLY INSTRUCTIONS

Assembly of the Marsail Electric L-Shaped Standing Desk requires two individuals. Follow the step-by-step instructions provided in the separate assembly guide included with your product. All necessary tools are typically included. Ensure all screws are tightened securely for optimal stability.

5. OPERATING INSTRUCTIONS

5.1 Height Adjustment

The desk features an electric lifting system allowing height adjustments from 28.3 inches to 46.5 inches. Use the control panel located on the desk to raise or lower the desktop. The motor operates quietly to minimize disruption.

Image: A visual representation of the desk's sit-stand functionality, showing a user comfortably seated and another user standing at the adjusted height.

5.2 Memory Settings

The control panel allows you to save up to 4 preferred height settings. To save a height, adjust the desk to the desired level, then press and hold one of the memory buttons (e.g., '1', '2', '3', '4') until you hear a beep or see a confirmation on the display. To recall a saved height, simply press the corresponding memory button.

5.3 Built-in Electrical Outlet

The desk includes a convenient 4-in-1 electrical outlet with 2 AC outlets and 2 USB-A ports. This allows for direct power access for your devices without needing additional power strips.

5.4 Headphone Hook

A headphone hook is integrated into the desk design, providing a convenient storage solution for your headphones or headset.

6. KEY FEATURES

- **Spacious L-Shaped Design:** Offers ample surface area for multiple monitors, laptops, and other office essentials, suitable for home offices or workstations.
- **Strong & Steady Build:** Constructed with a solid steel frame and aerospace-grade lifting column connectors, ensuring stability even at maximum height and under its maximum load capacity of 220 lbs.
- **Durable Motor System:** The motor utilizes high-tech worm gear technology and has passed 50,000 lift tests, indicating long-term reliability.

Image: An illustration highlighting the triple motor system and the robust construction that supports a maximum load of 330 lbs.

7. MAINTENANCE

To clean the desk surface, wipe with a damp cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the finish. Regularly check all screws and connections to ensure they remain tight.

8. TROUBLESHOOTING

- **Desk not moving:** Check all power connections. Ensure the power cord is securely plugged into both the desk and a working electrical outlet.
- **Uneven height adjustment:** Ensure the desk is on a level surface. If the issue persists, refer to the detailed troubleshooting section in the full assembly guide or contact customer support.
- **Error codes on display:** Consult the assembly guide for specific error code meanings and solutions.

9. SPECIFICATIONS

Feature	Detail
Brand	Marsail
Model Number	TZESD3V-N1-US-1
Shape	L-Shape
Product Dimensions (D x W x H)	62.99"D x 55.12"W x 28.35"H
Color	Brown
Base Material	Alloy Steel, Carbon Steel
Top Material Type	Wood (Laminated Finish)
Minimum Height	28.35 Inches
Maximum Height	46.46 Inches
Maximum Weight Recommendation	220 Pounds
Included Components	Built-in Outlet (2 AC, 2 USB-A), Headphone Hook

Lifting Mechanism	Electric
Number of Height Positions	4 (Memory Presets)
Required Assembly	Yes (Recommended 2 people)
