## Otterease VVB007

# Otterease VVB007 Vanity Desk with LED Lighted Mirror User Manual

Model: VVB007

## INTRODUCTION

Thank you for choosing the Otterease VVB007 Vanity Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions carefully before use and retain them for future reference.

### CHARGING STATION

Fast charging for your device,  
easy and convenient.

## SAFETY INFORMATION

Please observe the following safety precautions:

- Assembly may require tools and safety precautions. Always follow the provided assembly instructions.

- Keep electrical components (LED mirror, charging station) away from water or damp environments to prevent electric shock.
- Do not exceed the weight limit of the vanity desk or stool. Refer to specifications for details.
- Ensure all connections for electrical components are secure before use.
- Avoid placing heavy or sharp objects directly on the mirror surface.
- Regularly check all fasteners to ensure they remain tight.

## SETUP AND ASSEMBLY

The Otterase VVB007 Vanity Desk requires assembly. All necessary parts, detailed instructions, and tools are included in the package. It is recommended to follow every step in the provided assembly instructions carefully.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list in the separate assembly guide.
2. **Prepare Workspace:** Ensure you have a clean, flat, and spacious area for assembly.
3. **Follow Instructions:** Refer to the step-by-step assembly guide provided with your product. Pay close attention to diagrams and fastener types.
4. **Secure Connections:** Once assembled, ensure all screws and connectors are tightened securely.
5. **Positioning:** Place the vanity desk on a level surface.

## OPERATING INSTRUCTIONS

### LED Lighted Mirror

The vanity mirror is equipped with LED lights offering three adjustable lighting modes to suit different environments and makeup needs.

- **Power On/Off:** Locate the touch sensor on the mirror. Tap once to turn the lights on or off.
- **Adjust Brightness:** With the lights on, press and hold the touch sensor to cycle through brightness levels. Release when the desired brightness is reached.
- **Change Light Color:** Tap the touch sensor repeatedly to switch between the three color modes:
  - Warm Yellow (3000K)

- Natural White (4000K)
- Cool White (6000K)

**Ottepease**

We focus on high-quality lifestyle, providing exceptional service and superior furniture. With our dedicated team, we ensure a perfect experience.

**3 COLOR LIGHTING ADJUSTMENT**  
Create Diverse Lighting Environments For Your Makeup

## Charging Station

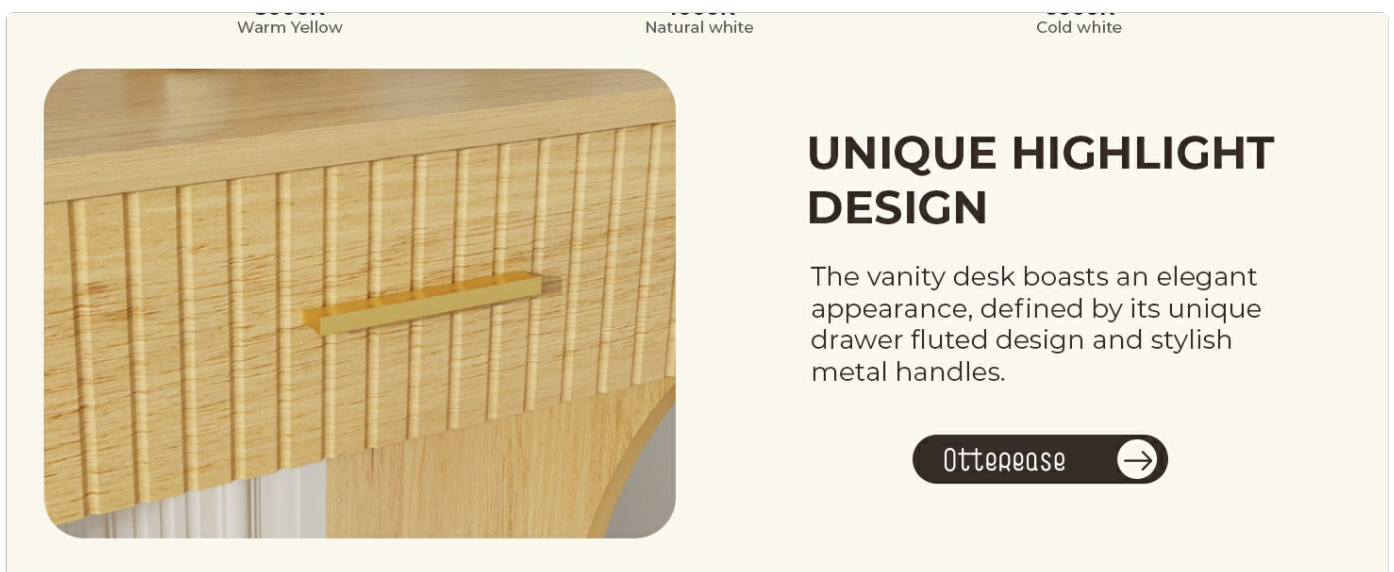

The integrated charging station provides convenient power outlets and USB ports for your electronic devices.

- **AC Outlets:** Plug in standard electrical devices (125V/12A).
- **USB Ports:** Connect USB-powered devices for charging (5V/3A).
- Ensure the vanity desk is properly connected to a power source for the charging station to function.

## Hair Dryer Rack

A dedicated holder is provided to keep your hair dryer accessible and your countertop clutter-free.

- Place your hair dryer securely in the designated rack on the side of the vanity.

Warm Yellow      Natural white      Cold white

**UNIQUE HIGHLIGHT DESIGN**

The vanity desk boasts an elegant appearance, defined by its unique drawer fluted design and stylish metal handles.

## MAINTENANCE

Proper maintenance will extend the life of your vanity desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors. Spray onto a cloth, then wipe the mirror to avoid liquid dripping into electrical components.
- **Electrical Components:** Ensure the vanity is unplugged before cleaning any electrical parts. Do not immerse any part of the vanity in water.
- **Fasteners:** Periodically check and tighten all screws and bolts to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the finish.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not turning on.	Power cord not plugged in; loose connection; faulty power outlet; mirror sensor issue.	Ensure the power cord is securely plugged into a working outlet. Check all electrical connections. Try a different outlet. Contact customer support if the issue persists.
Lights not changing brightness or color.	Sensor not responding; temporary electrical glitch.	Ensure your finger is making full contact with the touch sensor. Try turning the mirror off and on again.
Charging station not working.	Vanity not powered; device not properly connected; faulty device cable.	Verify the vanity is plugged in and receiving power. Ensure devices are correctly plugged into the AC outlets or USB ports. Test with a different device or cable.
Vanity feels unstable.	Loose fasteners; uneven floor.	Check and tighten all assembly screws and bolts. Ensure the vanity is placed on a level surface.
