4. SETUP & ASSEMBLY

Assembly is required for this furniture set. It is recommended to have two people for easier and safer assembly. Please refer to the separate detailed assembly guide included in your package for step-by-step instructions specific to your model.

General Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Identify Hardware:** Match all hardware components with the parts list in the assembly guide.
3. **Assemble Sofa Sections:** Follow the guide to attach the backrests and armrests to the seat frames of both sofa sections using the provided hardware. Do not fully tighten bolts until all parts are aligned.
4. **Connect Sofa Sections:** Join the two sofa sections to form the L-shape as desired, securing them with the appropriate connectors.

5. **Assemble Coffee Table:** Attach the legs to the coffee table top and secure the lower storage shelf.
6. **Final Tightening:** Once all components are assembled and aligned, fully tighten all bolts.
7. **Attach Adjustable Feet:** Ensure the adjustable foot pads on the acacia wood legs are properly installed and adjusted to level the furniture on uneven surfaces.
8. **Place Cushions:** Position the seat and back cushions on the assembled sofa.

6. MAINTENANCE & CARE

Proper care will extend the life and appearance of your PHI VILLA patio furniture set.

6.1 Cleaning the Wicker Frame:

- Wipe the PE rattan frame with a soft cloth dampened with mild soap and water.
- Rinse thoroughly with clean water and dry completely to prevent water spots.
- Avoid using abrasive cleaners, brushes, or harsh chemicals, as these can damage the rattan finish.

6.2 Cushion Care:

- The cushions are water-repellent; however, it is recommended to store them indoors or cover them during heavy rain or prolonged periods of non-use to maintain their quality.
- Spot clean spills immediately with a clean cloth and mild soap solution.
- For deeper cleaning, refer to the care label on the cushions. Allow cushions to air dry completely before storing or replacing.

6.3 Acacia Wood Coffee Table Care:

- The polymer wood tabletop is easy to clean. Wipe with a damp cloth and mild soap.
- The acacia wood legs are coated with PU for protection. Clean with a soft, damp cloth.
- Periodically check and tighten any loose screws on the table legs.

7. TROUBLESHOOTING

If you encounter any issues with your PHI VILLA patio furniture set, refer to the following common solutions:

7.1 Stability Issues:

- **Problem:** The furniture wobbles or is uneven.
- **Solution:** Adjust the leveling feet located at the bottom of the acacia wood legs. Turn them clockwise or counter-clockwise until the furniture is stable on your surface. Ensure all assembly bolts are securely tightened.

7.2 Cushion Appearance:

- **Problem:** Cushions appear flattened or misshapen over time.
- **Solution:** Fluff cushions regularly. While designed for outdoor use, prolonged exposure to direct sunlight or heavy moisture can affect their longevity. Store or cover cushions when not in use for extended periods.

7.3 Wicker Damage:

- **Problem:** Minor fraying or damage to the PE wicker.
- **Solution:** For minor fraying, carefully trim loose strands. For more significant damage, contact customer support for advice or potential repair options. Avoid pulling on damaged wicker strands.
