Belkin CCC001

Belkin USB-C Car Charger 75W with Retractable Cable (Model CCC001)

Instruction Manual

1. INTRODUCTION AND OVERVIEW

The Belkin USB-C Car Charger 75W (Model CCC001) is designed to provide efficient and versatile charging for multiple devices in your vehicle. Featuring a built-in 30-inch (75cm) retractable USB-C cable, along with additional USB-C and USB-A ports, this charger delivers a maximum output of 75W. It supports fast charging for a wide range of devices, including smartphones, tablets, and laptops, ensuring your devices are powered up quickly and conveniently on the go.

2. PRODUCT FEATURES

- **Retractable USB-C Cable:** A convenient, built-in 30-inch (75cm) tangle-free USB-C cable for organized charging.
- **Fast Charging Technology:** Rapidly charges compatible devices. For example, an iPhone 16 Pro can charge from 0-50% in approximately 27 minutes, and a Galaxy S25 in approximately 31 minutes.
- **Simultaneous Charging:** Features a 75W max output (60W from retractable cable), one additional USB-C port, and one USB-A port, allowing up to three devices to charge concurrently.
- **Universal Compatibility:** Supports fast charging for all Power Delivery (PD)-enabled devices, including laptops, tablets, smartphones, smartwatches, earbuds, and power banks.

- **Sleek, Compact Design:** Low-profile form factor integrates seamlessly into your car's interior, keeping cables organized and accessible.
- **Belkin SmartProtect:** Incorporates overvoltage protection and rigorous safety testing for dependable performance and dynamic power distribution.
- **Sustainable Design:** Constructed with a minimum of 90% post-consumer recycled plastic (excluding cable) and packaged in 100% plastic-free materials.

Image 2.2: Visual representation of the charger's versatile power distribution across its ports for different usage scenarios.

3. SETUP

1. **Insert into Vehicle Power Outlet:** Plug the Belkin USB-C Car Charger firmly into your vehicle's 12V power outlet (cigarette lighter socket). Ensure it is securely seated.
2. **Power Indicator:** The charging status indicator light on the charger will illuminate to confirm it is receiving power.

4. OPERATING INSTRUCTIONS

4.1 Using the Retractable USB-C Cable

1. **Extend Cable:** Gently pull the USB-C connector end of the retractable cable to extend it to the desired length (up to 30 inches / 75 cm).
2. **Connect Device:** Plug the USB-C connector into your compatible device.
3. **Retract Cable:** When finished charging, gently pull the cable again until it clicks, then release it to allow it to retract back into the charger housing. This mechanism helps prevent tangles and keeps your car interior tidy.

4.2 Using Additional Ports

1. **Connect USB-C Device:** Plug a compatible USB-C charging cable (not included) into the additional USB-C port on the charger, then connect it to your device.
2. **Connect USB-A Device:** Plug a compatible USB-A charging cable (not included) into the USB-A port on the charger, then connect it to your device.

The charger intelligently distributes power to connected devices, optimizing charging speed up to its 75W maximum output.

5. COMPATIBILITY

The Belkin USB-C Car Charger offers universal compatibility with a wide range of devices that support USB-C and USB-A charging standards, especially those utilizing Power Delivery (PD) technology.

- **Compatible Phone Models:** Supports Apple (iPhone 15 series and later), Samsung (Galaxy S25 series), Google Pixel phones, and many other USB-C powered smartphones.
- **Compatible Devices:** Includes laptops (e.g., MacBook, Chromebook), tablets (e.g., iPad Air 13), smartwatches, earbuds (e.g., AirPods), power banks, and other USB-C accessories.

6. SAFETY INFORMATION

The Belkin USB-C Car Charger is equipped with Belkin SmartProtect technology to ensure the safety of your devices and the charger itself. This includes:

- **Overvoltage Protection:** Prevents damage from excessive voltage.
- **Overheat Protection:** Monitors and regulates temperature to prevent overheating.
- **Rigorous Safety Testing:** Undergoes extensive testing to meet safety standards.
- **Dynamic Power Distribution:** Maximizes charging efficiency while safeguarding connected

equipment.

Always ensure the charger is properly connected to your vehicle's power outlet and that cables are securely attached to devices.

7. SPECIFICATIONS

Model Number	CCC001
Product Dimensions	3.86 x 1.95 x 1.14 inches (98 x 49.5 x 29 mm)
Item Weight	3.52 ounces
Input Voltage	12 – 24V DC
Total Wattage Output	75W Max
Retractable USB-C Cable Output	60W Max (5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3A) PPS 5-16V/3A
Additional USB-C Port Output	30W Max (5V/3A, 9V/3A, 15V/2A) PPS 5-11V/3A
USB-A Port Output	12W Max (5V/2.4A)
Integrated Cable Length	30 inches (75 cm)
Special Features	Charging Status Indicator, Fast Charging, Retractable Cable, Travel-friendly
What's in the Box	1 x Belkin USB-C Car Charger 75W w/ 30in Retractable USB-C Cable

8. TROUBLESHOOTING

- **No Power/Charging:**

- Ensure the car charger is fully inserted into the vehicle's 12V power outlet.
- Check if your vehicle's power outlet is active (some vehicles require the ignition to be on).
- Verify that the charging cable is securely connected to both the charger and your device.
- Test with a different device or cable to rule out device/cable issues.

- **Slow Charging:**

- Ensure your device supports fast charging and that you are using a compatible cable.
- Charging multiple devices simultaneously may distribute the total wattage, potentially reducing individual device charging speeds.
- Check the power requirements of your device against the charger's output specifications.

- **Retractable Cable Not Functioning:**

- Gently pull the cable to its full extension and then release it to allow the retraction mechanism to reset.
- Avoid forcing the cable or pulling it at an extreme angle.

9. WARRANTY AND SUPPORT

The Belkin USB-C Car Charger 75W (Model CCC001) comes with a 2-year warranty. Additionally, Belkin offers a Connected Equipment Warranty (CEW) of up to \$2,500. This warranty covers electronic devices damaged by an electrical charge while properly connected to this product.

For detailed warranty information, product support, or to register your product, please visit the official Belkin website: [belkin.com/cew](https://www.belkin.com/cew).
