Model: 110-inch U-Shape Sectional Sofa (ASIN: B0FKB94R4G)

INTRODUCTION

Thank you for choosing the Karl home 110-inch U-Shape Sectional Sofa. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new furniture. Please read these instructions carefully before assembly and retain them for future reference.

SAFETY INFORMATION

- Always assemble the sofa on a soft, clean surface to prevent damage.
- Ensure all bolts and screws are securely tightened before using the sofa. Periodically check and re-tighten as necessary.
- Do not stand or jump on the sofa.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not exceed the maximum weight limit of 1000 pounds.
- Avoid placing the sofa near open flames or direct heat sources.

SETUP AND ASSEMBLY

The Karl home U-Shape Sectional Sofa requires simple assembly upon arrival. All necessary hardware and a detailed installation manual are included in the packaging. Please follow the step-by-step instructions provided in the separate assembly guide for optimal results.

Important Note: Your sofa will be shipped in two separate boxes, which may arrive on different dates. Please ensure you have received all packages before beginning assembly.

General Assembly Steps:

1. Unpack all components and verify against the parts list in the assembly manual.
2. Attach the wooden legs to the base of each sofa section.
3. Connect the individual sofa sections using the provided connectors.
4. Place the seat cushions and back cushions onto the sofa frame. Back cushions typically attach with Velcro for stability.

MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Karl home sectional sofa.

Fabric Care (Chenille Upholstery):

- Regularly vacuum the sofa using an upholstery attachment to remove dust and debris.
- Spot clean spills immediately with a clean, damp cloth and a mild soap solution. Blot, do not rub.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the fabric.
- For deeper cleaning, professional upholstery cleaning is recommended.

Frame and Legs Care:

- Wipe wood grain legs with a soft, dry cloth.
- Ensure foot pads are intact to protect your flooring from scratches.
- Periodically check all connections and tighten any loose hardware.

Cushion Care:

- Fluff and rotate cushions regularly to maintain their shape and even out wear.
- If cushions are removable, occasionally flip them to prolong their lifespan.

TROUBLESHOOTING

This section addresses common issues you might encounter with your sectional sofa.

Cushions Shifting:

If cushions shift during use, ensure they are properly aligned and that any integrated Velcro fasteners are securely attached to the sofa frame. Re-adjust as needed.

Assembly Difficulties:

If you encounter difficulties during assembly, such as misaligned holes, double-check that you are using the correct parts for each step as indicated in the assembly manual. Do not force parts together. If issues persist, please contact customer support.

Squeaking Noises:

Squeaking can sometimes occur if hardware is loose. Check and tighten all bolts and screws on the frame and legs. If the issue continues, inspect the frame for any signs of damage.
