## AWEI A880 Pro

# AWEI A880 Pro Bluetooth 6.0 Earhook Sports Headphones User Manual

Model: A880 Pro

## 1. INTRODUCTION

This manual provides detailed instructions for the proper use, setup, and maintenance of your AWEI A880 Pro Bluetooth 6.0 Earhook Sports Headphones. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

## 2. PACKAGE CONTENTS

Verify that all items listed below are present in your product packaging:

- Wireless Stereo Bone Conduction Headphones (AWEI A880 Pro)
- USB Charging Cable
- User Manual
- Large and Small Earplugs

## 3. PRODUCT OVERVIEW

The AWEI A880 Pro headphones feature an ergonomic earhook design for secure fit during physical activity. They are equipped with bone conduction technology for open-ear listening and a flexible neckband connecting the two earpieces.

**Image 3.1:** Front view of the AWEI A880 Pro headphones. The image displays the black earhook earpieces with red ear tips, connected by a red flexible neckband. The AWEI logo is visible on one earpiece.

## 4. SETUP

### 4.1. Charging the Headphones

1. Connect the supplied USB charging cable to the charging port on the headphones.
2. Connect the other end of the USB cable to a compatible USB power source (e.g., computer USB port, wall adapter).
3. The indicator light will show the charging status. Refer to the LED indicator section for specific light patterns.
4. A full charge provides approximately 20 hours of continuous playback. The built-in charging protection chip safeguards the battery against overcharging.

### 4.2. Bluetooth Pairing

1. Ensure the headphones are fully charged.
2. Power on the headphones. The indicator light will flash, indicating they are in pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "AWEI A880 Pro" from the list of found devices.
5. Once connected, the indicator light will change, typically to a slow flash or solid blue, confirming successful pairing.
6. The headphones will automatically attempt to reconnect to the last paired device when powered on.

**Note:** The Bluetooth 6.0 technology provides a stable connection up to 33 feet (10 meters).

## 5. OPERATING INSTRUCTIONS

## 5.1. Basic Controls

The A880 Pro headphones feature touch controls for various functions:

- **Power On/Off:** Press and hold the multi-function button.
- **Play/Pause:** Single tap the multi-function button.
- **Volume Up/Down:** Use the dedicated volume control buttons.
- **Next Track:** Double tap the multi-function button (or specific button, refer to product diagram if available).
- **Previous Track:** Triple tap the multi-function button (or specific button, refer to product diagram if available).

## 5.2. Call Management

- **Answer/End Call:** Single tap the multi-function button during an incoming call.
- **Reject Call:** Press and hold the multi-function button during an incoming call.
- **Voice Assistant:** Press and hold the multi-function button for 2 seconds (when not on a call).

The built-in microphone ensures clear hands-free communication.

## 5.3. Audio Performance

Experience rich, dynamic sound with 10mm dynamic drivers, delivering enhanced bass and crisp highs. The open-ear design allows you to enjoy your audio while remaining aware of your surroundings.

## 6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to wipe the headphones. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The A880 Pro features an IP4 waterproof rating, making it resistant to splashes and sweat. Do not submerge the headphones in water. Ensure the charging port cover is securely closed before exposure to moisture.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not in use for extended periods.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Cannot power on	Low battery	Charge the headphones fully.
Cannot pair with device	Bluetooth not enabled, headphones not in pairing mode, device too far	Ensure Bluetooth is on, headphones are in pairing mode, and within 33 feet (10m) of the device. Try restarting both devices.
No sound	Volume too low, not connected, incorrect audio output selected	Increase volume on headphones and device. Verify successful Bluetooth connection. Check device's audio output settings.

Problem	Possible Cause	Solution
Intermittent connection	Interference, device too far, obstacles	Move closer to the device. Avoid environments with strong Wi-Fi or other Bluetooth interference.

## 8. SPECIFICATIONS
