SETUP AND ASSEMBLY

This hutch requires assembly. Detailed assembly instructions, including specific steps and required tools, are provided in the packaging. Please ensure all parts are present before beginning assembly.

General Assembly Guidelines:

1. **Unpack and Identify Parts:** Carefully unpack all components and hardware. Refer to the parts list in your included manual to ensure everything is accounted for.
2. **Prepare Workspace:** Clear a spacious area for assembly. It is recommended to assemble on a soft, clean surface to prevent scratches.
3. **Two-Person Assembly:** As recommended, assembly should be performed by two people to ensure safety and ease of construction.
4. **Follow Step-by-Step Instructions:** Adhere strictly to the numbered steps in the provided assembly manual. Do not skip steps.
5. **Secure Mounting:** Once assembled, the hutch is designed to mount onto the matching 60" executive desk. Ensure all connection points are tightened securely. Alternatively, it can be repurposed as a standalone wall cabinet or sideboard topper, requiring appropriate wall-mounting hardware (not included) and professional installation for safety.

OPERATING INSTRUCTIONS

The OKD Farmhouse Hutch is designed for straightforward use, enhancing your workspace organization.

Using Storage Compartments:

- **Glass-Door Cabinets:** Gently pull the knobs to open the glass doors. The interior shelves are adjustable. To adjust, remove the shelf, reposition the shelf pins to the desired height, and reinsert the shelf.
- **Center Cubbies and Open Shelf:** These areas are open for easy access to frequently used items, books, or decorative displays.

Using Integrated Power Outlets:

- Plug the hutch's power cord into a standard wall outlet.
- Use the two standard electrical outlets for devices such as lamps or monitors.
- Use the two USB ports to charge compatible electronic devices.

MAINTENANCE

To maintain the appearance and longevity of your OKD Farmhouse Hutch, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a **dry cloth**. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- **Spills:** Immediately wipe up any spills with a dry or slightly damp cloth to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of the finish.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.

TROUBLESHOOTING

If you encounter any issues with your hutch, please refer to the following common solutions:

- **Wobbly Hutch:** Ensure all assembly screws and bolts are securely tightened. Verify that the hutch is placed on a level surface. If mounted to a desk, confirm the desk itself is stable.
- **Doors Not Closing Properly:** Check that the hinges are correctly aligned and tightened. Ensure no items inside the cabinet are obstructing the door's path.
- **Power Outlets Not Working:** Verify that the hutch's main power cord is securely plugged into a functional wall outlet. Check if the wall outlet itself is receiving power (e.g., by plugging in another device).
- **Missing Parts:** If you find any parts missing during assembly, please contact customer support immediately.
