› HIFIT 72.8" Tall Kitchen Pantry Cabinet with LED & Charging Station (Model PB-058) - Instruction Manual

HIFIT PB-058

HIFIT 72.8" Tall Kitchen Pantry Cabinet with LED & Charging Station

Model: PB-058 | **Brand:** HIFIT

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your HIFIT 72.8" Tall Kitchen Pantry Cabinet. Please read all instructions carefully before assembly and use to ensure safe and proper functionality. Keep this manual for future reference.

SAFETY INFORMATION

- Ensure proper installation to prevent tipping. Utilize the provided anti-tipping devices.
- Do not exceed the maximum load capacity of 1200 pounds. Distribute weight evenly across shelves.
- Be cautious of pinch points when opening and closing doors and drawers.
- Follow all electrical safety guidelines when using the built-in charging station. Do not overload the outlets.
- Keep liquids away from electrical outlets and connections.

PACKAGE CONTENTS & PRE-ASSEMBLY

The kitchen pantry cabinet is shipped in two separate packages, which may arrive on different days.

Please ensure you have received both packages before beginning assembly.
All parts are pre-drilled and labeled for easier identification. It is recommended to lay out all components and hardware before starting assembly.

ASSEMBLY INSTRUCTIONS

Assembly typically requires two individuals. Follow the step-by-step instructions provided in the included manual. Ensure all screws and fasteners are tightened securely, but do not overtighten. If you encounter any difficulties, refer to the visual guides or contact customer support.

Note: Some customer reviews have indicated minor discrepancies in screw types mentioned in the manual (e.g., using 'G' screws instead of 'H' screws for certain steps). Always cross-reference with the diagrams and ensure the correct hardware is used for a secure fit.

FEATURES & USAGE

Ample Storage Capacity

This cabinet offers extensive storage with 12 closed compartments and 4 adjustable shelves. The design allows for organized storage of kitchen utensils, food, sauces, and other items, ensuring easy access and a tidy space.

LED Lighting

The tall pantry cabinet includes bright LED lights in the open central section. This feature illuminates the countertop area, preventing shadows and enhancing visibility for tasks like preparing coffee or using small appliances.

Integrated Charging Station

A spacious 55.1" wide countertop features a built-in charging station with 2 AC outlets, 2 USB ports, and a convenient on/off switch. This allows for easy powering of coffee makers, microwaves, and other small appliances directly on the cabinet.

Swing-Out Door with Internal Rack

The swing-out door design maximizes internal volume, featuring a 3-tier internal rack. This is suitable for storing various sizes of wine, sauces, beverages, and other items. The door is equipped with a magnetic catch and smooth hinges for stable storage.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Electrical:** Ensure the charging station is kept dry. Disconnect from power before cleaning.
