DWVO 65-inch L-Shaped Desk with Drawers and LED Lights Instruction Manual

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your DWVO 65-inch L-Shaped Desk. This desk is designed for home office use, offering a convenient workspace with integrated features such as power outlets, LED lighting, and ample storage. Please read these instructions carefully before assembly and use to ensure proper setup and longevity of your product.

2. PACKAGE CONTENTS

Your DWVO L-Shaped Desk package should contain the following items:

- 1 x Instructions Manual
- 1 x L Shaped Desk (components)
- 1 x Packet of Fittings (hardware)

Note: The L-shaped computer desk comes in 2 packages, which might not arrive at the same time. Please ensure all packages are received before beginning assembly.

4. FEATURES

4.1. Convenient Charging Station

The desk is equipped with a built-in charging station featuring 2 USB ports and 4 standard power outlets. This allows for easy charging of laptops, tablets, printers, and other electronic devices directly from your workspace. The power cord is 6.56 feet long.

4.2. Smart LED Light Strips

Integrated RGB LED light strips are located under the monitor stand, providing ambient lighting. These lights can be controlled via a phone app or a physical switch, allowing you to customize colors and choose from various modes, including music sync and timer functions.

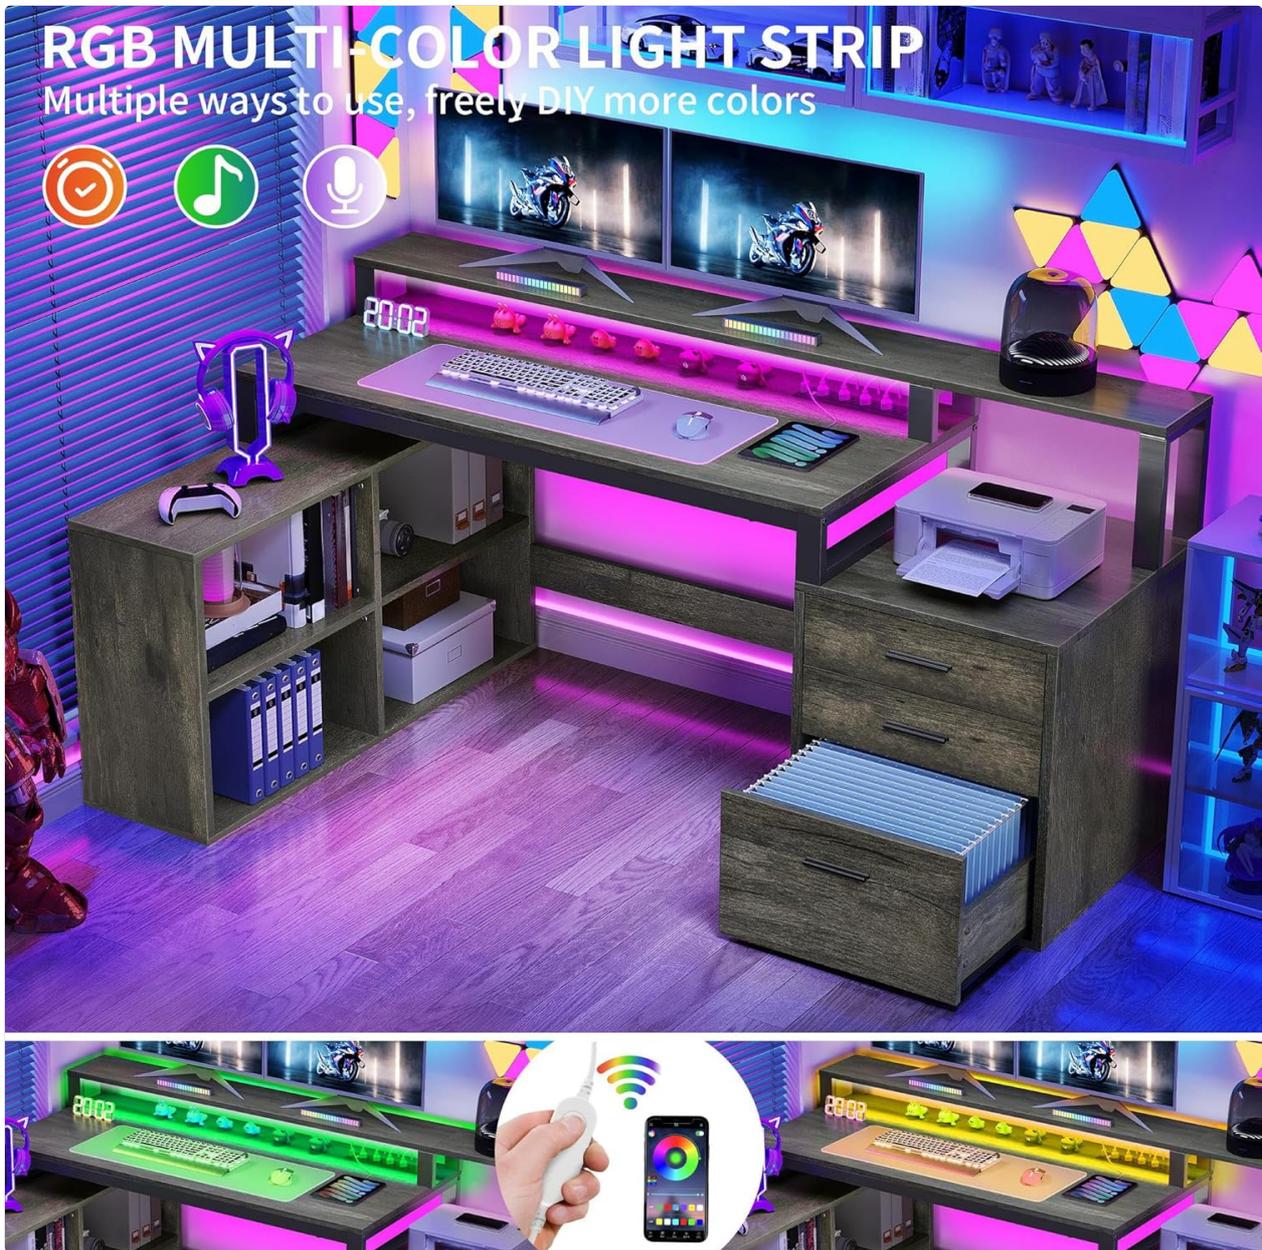

Figure 5: The desk with its RGB LED lights illuminated, enhancing the workspace ambiance.

4.3. Ample Storage Solutions

The L-shaped design includes a versatile storage cabinet. This cabinet features one file drawer suitable for letter, A4, and legal-size documents, two additional drawers for small office supplies, and four open storage shelves. A dedicated printer stand is also integrated for easy access to office machines.

A MUST HAVE FOR YOUR RIGHT SITTING POSTURE

Figure 6: The desk's drawers, including a file drawer for organized document storage.

4.4. Elevated Monitor Stand

An elevated monitor stand runs along the back of the desk, providing an ergonomic height for your monitors. This feature helps maintain a correct and comfortable sitting posture, reducing strain during long work sessions.

SATISFY YOUR STORAGE CHOICES

4.5. Sturdy Construction

The desk is constructed from high-grade P2 MDF board with a scratch-resistant finish, protecting the desktop from daily wear and tear. It features a 1.57" x 0.78" heavy-duty metal frame, ensuring stability, durability, and longevity for years of use. The desk is designed to meet various daily load-bearing needs.

5. OPERATING INSTRUCTIONS

5.1. LED Lights Operation

The LED lights can be controlled using the inline switch on the power cord or through a dedicated smartphone application. The lights have a memory function, retaining the last color and mode setting when turned off and on.

5.2. Drawer Usage

The drawers are designed for smooth operation with metal drawer slides. While sturdy, avoid overloading them with excessive weight to ensure continued smooth functionality. The file drawer is designed to accommodate letter, A4, and legal-size files.

5.3. Charging Station Usage

Plug your devices into the available USB ports or AC outlets on the integrated power strip. Ensure the desk's main power cord is securely plugged into a wall outlet.

6. MAINTENANCE

To maintain the appearance and longevity of your desk, wipe surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the finish. Regularly check and tighten any loose screws or fittings to ensure structural integrity.

Video 2: Demonstration of re-securing a detached LED light strip using double-sided tape.

7. TROUBLESHOOTING

- **Desk Wobbles:** Ensure all assembly screws and cam locks are fully tightened. Verify the desk is placed on a flat, even surface.
- **LED Lights Not Working:** Check that the USB cable for the LED strip is securely plugged into one of the desk's USB ports and that the desk's main power cord is connected to a functional wall outlet. If using the app, ensure Bluetooth is enabled and the app is correctly paired.
- **Drawers Stick:** Check for any obstructions in the drawer slides. Ensure the drawer contents are evenly distributed and not exceeding the recommended weight.
- **LED Strip Detaches:** If the adhesive on the LED strip weakens, use strong double-sided tape to re-secure it to the underside of the monitor stand.

8. SPECIFICATIONS

Brand	DWVO
Model Number	MADWVLI0j8
Shape	L-Shape
Product Dimensions	35.4"D x 65.4"W x 36"H
Color	Grey
Top Material Type	Engineered Wood
Base Material	Engineered Wood
Special Feature	With Power Outlets & LED Lights & Drawers
Number of Drawers	3
Number Of Shelves	4
Item Weight	100.5 Pounds
Required Assembly	Yes
Recommended Number of People for Assembly	2
