## truke S44

# truke Buds Lite Earbuds User Manual

Model: S44

## INTRODUCTION

---

Welcome to the truke Buds Lite Earbuds user manual. This guide provides detailed instructions on how to set up, operate, maintain, and troubleshoot your new truke Buds Lite Earbuds (Model S44). Please read this manual carefully before using the product to ensure optimal performance and longevity. The truke Buds Lite Earbuds are designed for wireless audio enjoyment, offering convenience and quality sound for various activities including entertainment, gaming, and professional use.

## WHAT'S IN THE BOX

---

Upon unboxing, please ensure all the following components are present:

- Wireless Charging Case
- Charging Cable
- Eartips (various sizes)
- User Manual

Image: truke Buds Lite Earbuds with their charging case. The earbuds are shown nestled within the open case, highlighting their compact design and the case's smooth finish.

## SETUP

---

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The case contains a built-in battery to charge the earbuds multiple times on the go.

1. Connect the provided charging cable to the charging port on the case and the other end to a USB power adapter (not included) or a computer's USB port.
2. The indicator light on the charging case will show the charging status. Refer to the indicator light section (if available on the physical product) for specific light patterns.
3. Place the earbuds into the charging case. Ensure they are correctly seated; magnetic contacts will hold them in place. The earbuds will begin charging automatically.
4. Allow approximately 1-2 hours for a full charge of both the case and earbuds.

### 2. Initial Pairing with a Device

Follow these steps to pair your truke Buds Lite Earbuds with your smartphone, tablet, or other Bluetooth-

enabled device:

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode, and their indicator lights will flash (refer to product for specific light patterns).
3. On your device, go to Bluetooth settings and turn Bluetooth on.
4. Search for available devices. You should see "truke Buds Lite" appear in the list.
5. Select "truke Buds Lite" to connect. Once connected, a voice prompt will confirm the connection, and the earbud indicator lights will turn off or show a steady light.
6. If pairing fails, turn off the earbuds, close the case, and repeat the steps.

## OPERATING INSTRUCTIONS

---

The truke Buds Lite Earbuds feature touch controls for easy management of audio playback and calls. Specific touch functions may vary slightly; refer to the quick start guide included with your product for precise details.

### Basic Controls (Typical)

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.
- **Activate Voice Assistant:** Long press (2 seconds) on either earbud.

### Call Management

- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Long press (2 seconds) on either earbud during an incoming call.

## MAINTENANCE

---

Proper maintenance ensures the longevity and optimal performance of your truke Buds Lite Earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners, alcohol, or chemical solvents. Gently remove any earwax or debris from the eartips and speaker mesh using a small, soft brush or cotton swab.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust, dirt, and physical damage. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To preserve battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even if not in constant use.
- **Water Resistance:** The earbuds may have a degree of water resistance (check product specifications for IP rating). Avoid submerging them in water or exposing them to heavy rain. Dry them thoroughly if they get wet.

## TROUBLESHOOTING

---

If you encounter issues with your truke Buds Lite Earbuds, try the following solutions:

### Earbuds Not Pairing/Connecting

- Ensure both earbuds are charged.
- Turn off Bluetooth on your device, then turn it back on.
- Place the earbuds back into the charging case, close the lid, wait a few seconds, then open the lid to re-enter pairing mode.
- Forget "truke Buds Lite" from your device's Bluetooth list and attempt to pair again.
- Try pairing with a different device to rule out device-specific issues.

### No Sound or Low Volume

- Check the volume level on both your device and the earbuds.
- Ensure the earbuds are properly seated in your ears.
- Clean any debris from the earbud speaker mesh.
- Reconnect the earbuds to your device.

### Charging Issues

- Ensure the charging cable is securely connected to both the case and the power source.
- Try a different charging cable or USB power adapter.
- Clean the charging contacts on both the earbuds and the case.
