truke B200

truke Mega 7 True Wireless Earbuds User Manual

Model: B200

INTRODUCTION

Thank you for choosing the truke Mega 7 True Wireless Earbuds. This manual provides essential information for setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read these instructions carefully before use.

PRODUCT OVERVIEW

The truke Mega 7 earbuds offer an immersive audio experience with 24-bit 360 Spatial Audio, extended 60-hour playtime, and advanced features like Dual Pairing, 40ms Low Latency Gaming Mode, and Quad-Mic Environmental Noise Cancellation (ENC). They are equipped with 13mm Titanium Drivers for rich sound and feature an IPX5 water resistance rating.

WHAT'S IN THE BOX

- truke Mega 7 Wireless Charging Case
- truke Mega 7 True Wireless Earbuds (Left and Right)
- USB Charging Cable
- Multiple Sizes of Eartips
- User Manual

SETUP INSTRUCTIONS

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided USB cable to the charging case and a power source. The LED indicator on the case will show charging status. A full charge provides up to 60 hours of total playtime. Fast charging allows 160 minutes of playback from just 10 minutes of charging.

Up to
60 Hours Playtime

Image: The truke Mega 7 charging case demonstrating its fast charging capability, providing 160 minutes of playback from a 10-minute charge.

2. Pairing with a Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "truke Mega 7" from the list.
4. Once connected, you will hear an audio prompt, and the earbuds' indicator lights will change.

3. Dual Pairing Technology

The truke Mega 7 earbuds support dual pairing, allowing seamless connection and switching between two devices simultaneously. This is ideal for multitasking, such as listening to music on a laptop and answering calls on a smartphone.

Dual Devices Connectivity

OPERATING INSTRUCTIONS

Touch Controls

The truke Mega 7 earbuds feature intuitive touch controls for managing audio playback, calls, and other functions. Refer to the quick start guide or product packaging for specific touch gestures (e.g., single tap, double tap, long press) for actions like play/pause, skip track, answer/end call, and activate voice assistant.

24-Bit 360 Spatial Audio

Experience immersive, theater-like surround sound with 24-bit 360 Spatial Audio. This feature enhances depth and clarity for music, movies, and gaming, providing a rich audio landscape.

24-bit 360° Spatial Sound

Image: The truke Mega 7 earbuds showcasing the 24-bit 360 Spatial Sound capability for an immersive audio experience.

40ms Ultra Low Latency Gaming Mode

Activate Gaming Mode for a competitive edge with near-instant audio response. This mode reduces audio lag to 40ms, ensuring synchronized sound during gameplay.

Quad-Mic PureVoice ENC Technology

Enjoy crystal-clear voice calls even in noisy environments. The Quad-Mic PureVoice ENC (Environmental Noise Cancellation) technology effectively reduces background noise, ensuring your voice is heard clearly.

Quad-Mic PureVoice ENC

IPX5 Water Resistance

The earbuds are safeguarded against sweat and splashes with an IPX5 rating, making them suitable for workouts and outdoor activities. Avoid submerging the earbuds in water.

MAINTENANCE

Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove eartips and clean any earwax or debris from the earbud nozzles using a small, soft brush or cotton swab.
- Ensure charging contacts on both earbuds and case are clean and dry.

Storage

- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Avoid storing in extreme temperatures or high humidity.

TROUBLESHOOTING

If you encounter issues with your truke Mega 7 earbuds, please refer to the following common solutions:

- **No Sound/Poor Sound Quality:** Ensure earbuds are properly paired and charged. Check volume levels on both earbuds and the connected device. Try cleaning the earbud nozzles.
- **Pairing Issues:** Make sure Bluetooth is enabled on your device and the earbuds are in pairing mode. Try forgetting the device in your Bluetooth settings and re-pairing.
- **Charging Issues:** Verify the charging cable and power source are working. Ensure charging contacts on both earbuds and case are clean and free of debris.
- **Earbuds Not Turning On:** Place earbuds back into the charging case, close the lid, and then open it again. Ensure the case has sufficient charge.

For persistent issues, please contact customer support.
