3. Setup

3.1 Initial Charging

Before first use, fully charge your tablet using the included 25W Super Fast Charger and USB cable. Connect

the USB cable to the tablet's USB Type-C port and the charger cube, then plug the charger into a power outlet.

3.2 Power On/Off

- **To Power On:** Press and hold the Power button until the Samsung logo appears.
- **To Power Off:** Press and hold the Power button, then tap 'Power off' on the screen.

3.3 Initial Setup Wizard

Upon first power-on, follow the on-screen instructions to:

- Select your language.
- Connect to a Wi-Fi network.
- Sign in with your Google account or create a new one.
- Set up security features, including the fingerprint sensor.
- Review and accept terms and conditions.

3.4 S-Pen Pairing

The S-Pen typically pairs automatically when first used with the tablet. Ensure the S-Pen is charged by attaching it magnetically to the designated area on the tablet's back.

4. Operating Your Device

4.1 Display and S-Pen Features

The tablet features a 14.6-inch Dynamic AMOLED 2X display with a 120Hz refresh rate and HDR10+ support, providing a vibrant and smooth visual experience. The included S-Pen allows for precise input, drawing, and note-taking.

- **Drawing Assistance:** Utilize the S-Pen for detailed sketches and creative projects.
- **Writing Assistance:** Convert handwritten notes to text and organize your thoughts efficiently.

5. Maintenance

5.1 Cleaning Your Device

Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid abrasive materials or harsh chemicals. For stubborn smudges, lightly dampen the cloth with water or a screen-cleaning solution designed for electronics.

5.2 Battery Care

To prolong battery life:

- Avoid extreme temperatures.
- Do not let the battery drain completely before recharging frequently.
- Use only the provided charger or a Samsung-approved charger.

5.3 Software Updates

Regularly check for and install software updates to ensure optimal performance, security, and access to new features. Navigate to **Settings > Software update > Download and install**

6. Troubleshooting

- **Device not turning on:** Ensure the battery is charged. Connect to the charger for at least 10 minutes before attempting to power on.
- **Screen unresponsive:** Perform a forced restart by pressing and holding the Power button and Volume Down button simultaneously for about 7 seconds.
- **Wi-Fi connection issues:** Restart your tablet and your Wi-Fi router. Ensure you are within range of the Wi-Fi signal.
- **S-Pen not working:** Ensure the S-Pen is properly attached to the tablet to charge and pair. Check S-Pen settings in the tablet's menu.
