adidas AS Roma 25/26 Men's Home Jersey JP4184 Instruction Manual

Model: Adidas as Roma 2025/26 Men's Home Jersey (JP4184)

INTRODUCTION

Thank you for choosing the adidas AS Roma 25/26 Men's Home Jersey. This jersey is designed for both training and daily wear, featuring a slim fit, crewneck collar, and Aeroready technology for optimal comfort and performance. It proudly displays an embroidered AS Roma crest and is constructed from 100% recycled polyester. Please read this manual carefully to ensure proper use and care of your jersey.

SETUP AND FIRST USE

Unpacking

Carefully remove the jersey from its packaging. Inspect the garment for any signs of damage or manufacturing defects. If any issues are found, please contact customer support immediately.

Pre-Wash Recommendation

It is recommended to wash the jersey before its first wear to remove any manufacturing residues and to set the colors. Follow the detailed care instructions provided in the Maintenance section.

OPERATING (WEARING AND USE)

Intended Use

This jersey is designed for:

- **Sports Activities:** Ideal for football training, casual play, and other athletic pursuits.
- **Daily Wear:** Suitable for casual wear, showing support for AS Roma, or as comfortable everyday apparel.

Aeroready Technology

The integrated Aeroready technology helps manage your body's moisture, keeping you dry and comfortable during physical activity. This fabric wicks sweat away from your skin, promoting quick evaporation.

MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your jersey. Always refer to the care label inside the garment for specific instructions.

Washing Instructions

- **Machine Wash:** Wash in cold water on a gentle cycle.
- **Detergent:** Use a mild detergent. Avoid harsh chemicals or bleach.
- **Inside Out:** Turn the jersey inside out before washing to protect the crest and logos.
- **Similar Colors:** Wash with similar colors to prevent color bleeding.

Drying Instructions

- **Air Dry:** It is highly recommended to air dry the jersey by hanging it. This helps maintain the fabric integrity and prevents shrinking or damage to printed/embroidered elements.
- **Avoid Tumble Drying:** High heat from tumble dryers can damage the fabric and graphics. If necessary, use a very low heat setting.

Ironing and Storage

- **Ironing:** If ironing is necessary, do so on a low heat setting and avoid direct contact with logos, crests, or printed areas. Iron the jersey inside out.
- **Storage:** Store the jersey in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

Most issues with apparel can be prevented with proper care. Here are some common concerns and solutions:

- **Fading Colors:** Ensure you are washing with cold water and a mild detergent. Avoid excessive exposure to direct sunlight during drying.
- **Shrinking:** Always air dry or use a very low heat setting if tumble drying. High heat is the primary cause of shrinking in polyester garments.
- **Pilling:** Pilling (small balls of fiber on the fabric surface) can occur from friction. Washing the jersey inside out and avoiding abrasive surfaces can help minimize this.
- **Damaged Logos/Crest:** Always turn the jersey inside out before washing and avoid ironing directly on embroidered or printed areas.

If you encounter persistent issues not covered here, please refer to the Warranty and Support section.
