MAINTENANCE AND CARE

To maintain the quality and appearance of your Polibi Sleeper Sofa Bed, follow these care guidelines:

- **Regular Cleaning:** The Teddy fabric upholstery is designed for easy maintenance. Regularly vacuum or gently brush the fabric to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Avoid rubbing, which can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading. Position your sofa bed away from direct sunlight or use curtains/blinds.
- **Protect from Sharp Objects:** Avoid placing sharp objects on the fabric to prevent snags or tears.
- **Removable Cover:** The sofa features a removable cover for easier cleaning. Refer to the care label on the cover for specific washing instructions.
