Heybly Tall Cat Tree HCT038G Instruction Manual

Model: HCT038G

1. INTRODUCTION

Thank you for choosing the Heybly Tall Cat Tree, Model HCT038G. This multi-level cat tower is designed to provide a safe and engaging environment for your cats, featuring multiple platforms, scratching surfaces, and resting areas. Please read this manual thoroughly before assembly and use to ensure proper setup and long-lasting enjoyment for your feline companions.

2. SAFETY INFORMATION

- Ensure all parts are securely fastened during assembly.
- Place the cat tree on a flat, stable surface to prevent tipping.
- Utilize the included anti-tip device to secure the tree to a wall, especially for taller models or active cats.
- Regularly inspect the cat tree for loose parts or damage. Tighten screws and replace worn components as needed.
- Keep small children away from the cat tree during assembly and ensure they do not climb on it.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed in the included parts list are present and undamaged. If any parts are missing or damaged, please contact customer support.

4. ASSEMBLY INSTRUCTIONS

Assembly of the Heybly Tall Cat Tree is designed to be straightforward. Follow the detailed step-by-step instructions provided in the separate assembly guide included with your product. Ensure all screws are tightened securely, but do not overtighten.

1. **Prepare the Base:** Begin by attaching the initial support posts to the extra-large base plate. The oversized base (21.7" x 17.7") provides enhanced stability.
2. **Build Upwards:** Follow the numerical sequence in the assembly guide to connect platforms, posts, and cat condos.
3. **Install Perches and Hammocks:** Secure the two widened plush top perches (21.7" x 17.8" and 21.7" x 9.8") and the spacious cat hammock as indicated.
4. **Attach Scratching Elements:** Install sisal-wrapped posts and the sisal ramp for scratching.
5. **Secure Anti-Tip Device:** For maximum safety, especially with active cats, attach the anti-tip device to a wall

stud using appropriate hardware (not always included, check your specific package).

5.2. Encouraging Use

To help your cat adapt to the new tree, place familiar toys or treats on different levels. You can also use catnip to attract them to the scratching posts and resting areas.

6. MAINTENANCE

Regular maintenance will extend the life of your Heybly Tall Cat Tree and keep it hygienic for your pets.

- **Cleaning:** The faux fur material can be machine washed. For spot cleaning, use a mild detergent and damp cloth. Allow to air dry completely.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten as necessary.
- **Sisal Posts:** Sisal scratching surfaces are designed to wear down. Monitor their condition and consider replacing posts if they become excessively frayed or ineffective.

7. TROUBLESHOOTING

- **Tree feels wobbly:**
 - Ensure all screws are fully tightened.
 - Verify the tree is on a level surface.
 - Confirm the anti-tip device is securely installed to a wall stud.
- **Cats not using the tree:**
 - Try placing treats or favorite toys on different levels.
 - Spray catnip on scratching posts and resting areas.
 - Ensure the tree is in a location your cat feels safe and comfortable.
- **Missing or damaged parts:**
 - Refer to the "Warranty & Support" section to contact Heybly customer service for assistance.
