SATHIBI Long Sword (Model 1533)

SATHIBI Demon Swords Long Sword Building Set

Model: Long Sword (Model 1533)

INTRODUCTION

This instruction manual provides detailed guidance for assembling, operating, and maintaining your SATHIBI Demon Swords Long Sword Building Set. This set allows you to construct a detailed replica of a long sword, designed for display and light handling. Please read all instructions carefully before beginning assembly.

SETUP AND ASSEMBLY

The SATHIBI Demon Swords Long Sword Building Set consists of 904 building blocks. Assembly is required. Follow the included instruction book for a step-by-step guide to construct the sword and its display stand.

- **Unpack Components:** Carefully unbox all parts and verify that all 904 pieces are present according to the parts list in the instruction manual.
- **Follow Instructions:** Refer to the detailed instruction book provided with your set. Each step is illustrated to guide you through the assembly process.
- **Assemble the Sword:** Begin by constructing the main blade and handle sections as indicated in the manual.
- **Assemble the Display Stand:** Once the sword is complete, assemble the accompanying display stand.
- **Connect Sections:** Ensure all connections are secure to prevent parts from detaching during handling or display.

Image: A close view of the sword's handle and the instruction manual, emphasizing the importance of following the guide.

Image: Dimensional diagram of the Long Sword and its stand, indicating a total length of approximately 46 inches.

OPERATING AND DISPLAY

This building set is designed as a collectible display item. Once assembled, the sword can be placed on its dedicated stand for exhibition.

- **Display:** Position the sword securely on the provided display stand on a flat, stable surface.
- **Handling:** The sword is suitable for light swinging and handling. Avoid using it to strike or cut other objects, as this may cause damage to the model or pose a safety risk.
- **Intended Use:** This product is intended for display and imaginative play, not for combat or rough handling.

CARE AND MAINTENANCE

Proper care will ensure the longevity of your building set.

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** When not on display, store the set in a cool, dry place away from direct sunlight to prevent material degradation or discoloration.
- **Handling:** Always handle the assembled model with care to avoid accidental disassembly or damage to individual pieces.

TROUBLESHOOTING

If you encounter any issues during assembly or use, refer to the following common solutions:

- **Missing Pieces:** If you find any pieces missing, first double-check the packaging and all assembled sections. If a piece is genuinely missing, contact customer support for assistance.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together according to the instruction

manual. Sometimes, re-assembling a section can resolve looseness.

- **Difficulty Assembling:** Review the instruction manual carefully for the specific step. Ensure you are using the correct pieces and applying appropriate pressure. Do not force pieces together.

PRODUCT SPECIFICATIONS

Brand Name	SATHIBI
Model Number	1533
Set Name	Demon Swords
Style	Long Sword
Number of Pieces	904
Assembled Length	Approximately 46 inches
Material Type	Plastic
Color	Gold and Black
Assembly Required	Yes
