PHI VILLA 8 Seats Dining Set

PHI VILLA 9-Piece Acacia Wood Outdoor Dining Set Instruction Manual

Model: 8 Seats Dining Set

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Exercise caution during assembly, especially around sharp edges of wooden components.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the recommended weight capacity for the table or chairs.
- Keep children away from the assembly area. Small parts can be a choking hazard.
- Place the dining set on a flat, stable surface to prevent tipping.

2. PRODUCT COMPONENTS

The PHI VILLA 9-Piece Acacia Wood Outdoor Dining Set includes:

- 1 x Extendable Acacia Wood Dining Table
- 8 x Acacia Wood Dining Chairs with Wicker Back and Seat

Please verify all components are present and undamaged before beginning assembly. Refer to the packing list provided with your product for a detailed inventory.

3. SETUP AND ASSEMBLY

Assembly is required for both the table and chairs. Detailed instructions and necessary tools are provided in the product packaging. Follow the step-by-step guide carefully to ensure proper and safe assembly.

3.1 Table Assembly

Assemble the table frame first, ensuring all connections are firm. Attach the tabletop securely. The table features an extendable design for flexible seating arrangements.

Step 1

Step 2

Step 3

Image: The extendable design of the acacia wood dining table. The image shows a person extending the table by lifting a central leaf and sliding the table halves apart, then lowering the leaf into place. Below this, three smaller diagrams illustrate the process: Step 1 (table in compact form), Step 2 (table halves sliding apart with leaf lifting), and Step 3 (table fully extended).

To extend the table, gently pull the two ends of the table apart. The central leaf will lift. Position the leaf into the gap and push the table ends back together until the leaf is securely in place. To retract, reverse the process.

3.2 Chair Assembly

Each chair requires assembly. Ensure the legs are firmly attached to the seat and backrest. The chairs are designed with a wide seat and elevated backrest for comfort.

Premium Selected Acacia Wood

Elevate the Sophisticated Atmosphere of Your Patio

Image: A close-up view of a PHI VILLA dining chair, highlighting the acacia wood frame and the woven wicker back and seat. Text overlays indicate "Premium Selected Acacia Wood," "Smooth Processed Surface," "Weather Proof," and "Sturdy & Durable."

After assembly, confirm all parts are stable and no wobbling occurs. If any issues arise, re-check the assembly steps and tighten all fasteners.

4. OPERATING INSTRUCTIONS

4.1 Table Extension

The dining table can be easily extended from 70.9 inches to 94.5 inches to accommodate 6 to 8 people. Follow the steps outlined in Section 3.1 for smooth extension and retraction.

4.2 Outdoor Use

This dining set is designed for outdoor use. The acacia wood is robust and water-resistant. The slatted tabletop

design helps prevent water accumulation, making it suitable for patios, decks, backyards, and porches.

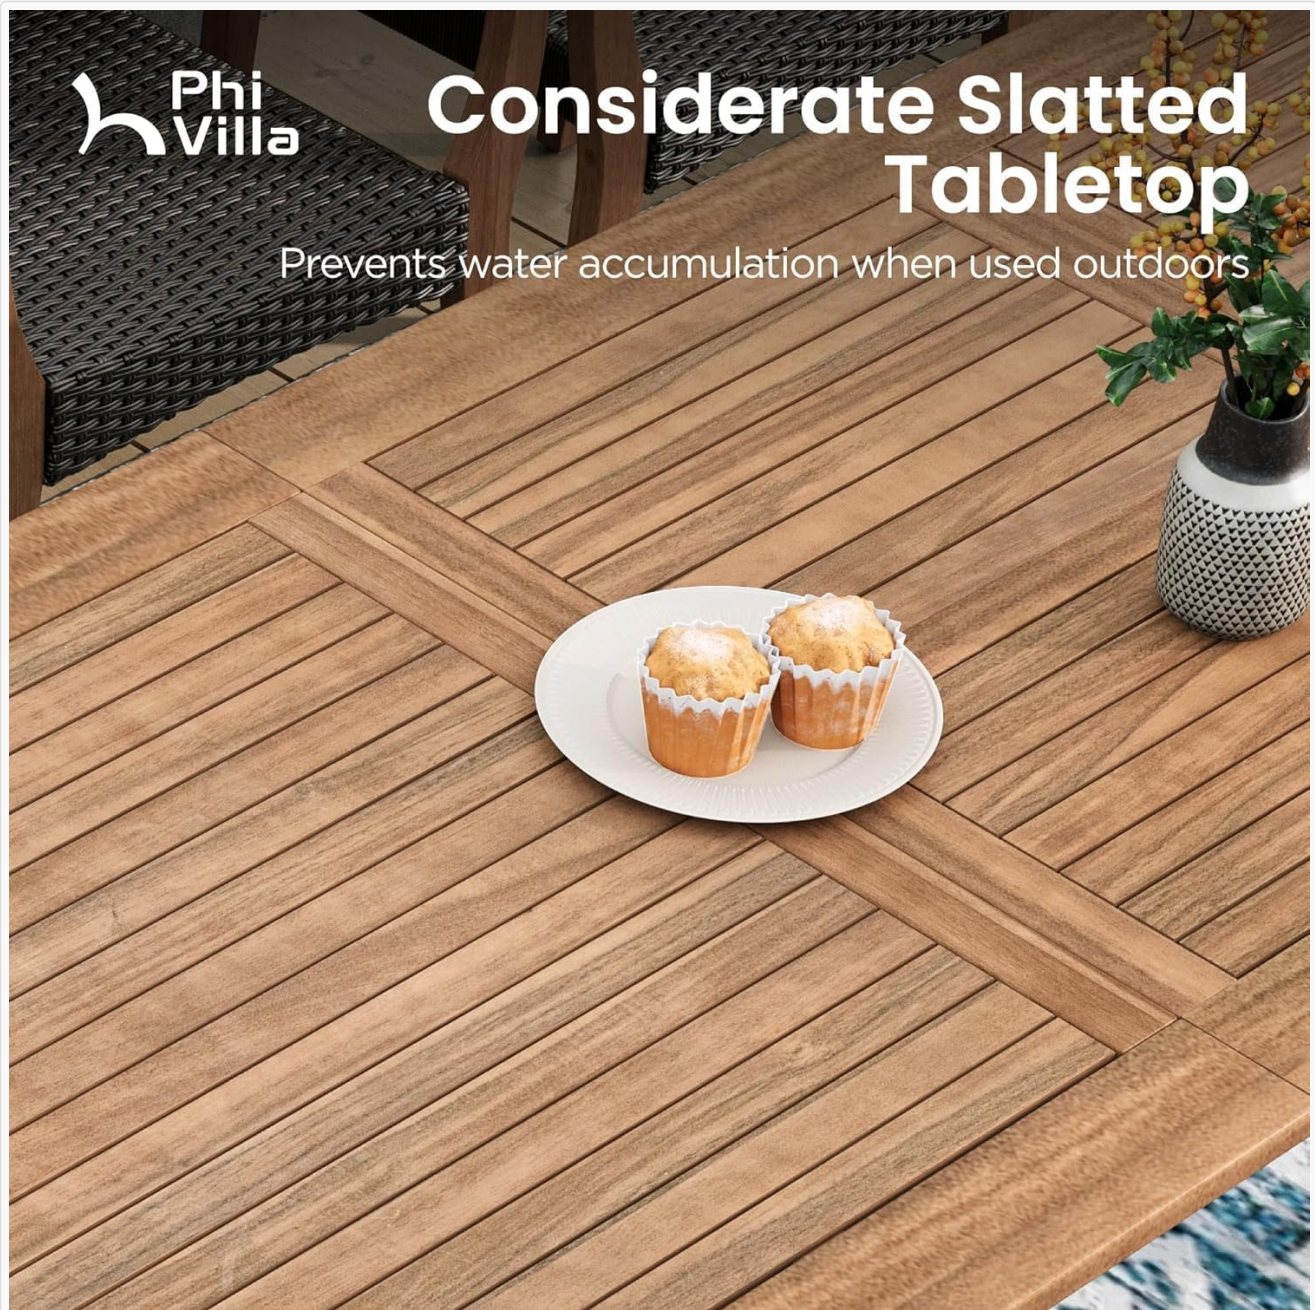

Image: A close-up view of the PHI VILLA dining table's slatted surface. The slats are evenly spaced, and a plate with muffins is visible on the table. Text overlays highlight "Considerate Slatted Tabletop" and "Prevents water accumulation when used outdoors."

5. MAINTENANCE AND CARE

Proper care will prolong the life and appearance of your dining set.

5.1 Acacia Wood Care

- Clean wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- For best results and to maintain the wood's natural luster, periodically apply a wood protector or teak oil, especially if exposed to direct sunlight and rain.
- Wipe up spills immediately to prevent staining.

5.2 Wicker Care

- The handwoven rattan wicker is weather-resistant. Clean with mild soap and water using a soft brush or cloth.

Rinse thoroughly.

- Avoid using high-pressure washers, which can damage the wicker.
- For prolonged outdoor exposure, consider using furniture covers during harsh weather or off-season to protect both wood and wicker components.

Refined Handwoven Rattan

Superior Durability for Outdoor Use

High-Strength UV Resistance Resistance To Aging

200% Longer Service Hours

35% thicker than others

Double-Ribbed Design

Phi Villa

Text overlays highlight "Refined Handwoven Rattan," "Superior Durability for Outdoor Use," "High Strength," "UV Resistance," and "Resistance To Aging." A diagram also shows the double-ribbed design of the rattan.

6. TROUBLESHOOTING

- **Wobbly Table/Chairs:** Ensure all bolts and screws are fully tightened. If the issue persists, disassemble and reassemble, paying close attention to alignment.
- **Difficulty Extending Table:** Check for any obstructions in the extension mechanism. Ensure the table halves are sliding smoothly along their tracks. Apply a silicone-based lubricant if necessary.
- **Damage Upon Arrival:** Inspect all components immediately upon delivery. If any parts are scratched, cracked, or damaged, contact customer support with photographic evidence for assistance.
- **Fading Wood/Wicker:** This is natural with prolonged sun exposure. Regular application of wood

protector/teak oil and using furniture covers can mitigate fading.

7. SPECIFICATIONS

Image: A diagram illustrating the dimensions of the expandable dining table and a single dining chair. The table dimensions are shown for both shrunk (70.9") and extended (94.5") lengths, along with width (35.4") and height (30.5"). Chair dimensions include height (32.7"), width (19.7"), and depth (21.6").

8. WARRANTY AND SUPPORT

8.1 Manufacturer Warranty

For specific warranty details regarding manufacturing defects or issues, please refer to the warranty card included with your product or contact PHI VILLA customer service directly. Warranty terms may vary.

8.2 Optional Protection Plans

Additional protection plans may be available for purchase through your retailer. These plans typically offer extended coverage beyond the manufacturer's warranty. Examples include:

- **3-Year Protection Plan:** One-time payment for extended coverage.
- **Complete Protect:** Monthly billing for comprehensive coverage across eligible purchases.

Review the terms and conditions of any protection plan carefully before purchase.

8.3 Customer Support

If you have any questions, require assistance with assembly, or need to report a problem, please contact PHI VILLA customer support. Contact information can typically be found on the product packaging, the PHI VILLA website, or through your purchase retailer.
