T4TREAM FPSC48VDW8-DGY

T4TREAM 48" Fluted Makeup Vanity Desk with LED Mirror - Instruction Manual

Model: FPSC48VDW8-DGY

Brand: T4TREAM

1. Safety Information

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **General Safety:** Ensure all parts are present and undamaged before assembly. Assemble on a soft, clean surface to prevent scratches. Do not overtighten screws. Keep small parts away from children.
- **Stability:** Place the vanity on a level surface. Use the included anti-tip kit to secure the vanity to a wall, especially if children are present.
- **Electrical Safety (LED Mirror & Charging Station):** Do not expose electrical components to water or excessive moisture. Unplug the vanity from the power outlet before cleaning or performing any maintenance. Do not attempt to repair or modify the electrical components.
- **Weight Limit:** Do not overload drawers or the tabletop. Refer to specifications for weight limits.

2. Package Contents

Verify that all components and hardware are present before beginning assembly. Refer to the detailed parts list in the assembly video for identification.

Video 1: T4TREAM 48" Fluted Makeup Vanity Desk Installation Video. This video provides a comprehensive overview of all package contents and step-by-step assembly instructions. Duration: 9:49.

3. Assembly Instructions

For detailed visual guidance, please refer to **Video 1: T4TREAM 48" Fluted Makeup Vanity Desk Installation Video** above. The

following steps provide a general overview.

1. **Unpack and Identify Parts:** Carefully unbox all components and lay them out on a soft, clean surface. Identify each part using the labels and the parts list provided in the manual or assembly video.
2. **Assemble Drawer Boxes:** Follow the instructions to assemble the smaller and larger drawer boxes. Ensure all screws are tightened securely.
3. **Attach Drawer Slides:** Secure the drawer slides to the sides of the assembled drawer boxes and to the main vanity frame according to the diagrams.
4. **Construct Main Vanity Frame:** Assemble the base and side panels of the vanity desk. Ensure all connections are firm and stable.
5. **Install Power Strip and Hair Dryer Holder:** Attach the built-in power strip and the hair dryer holder to the designated side panel of the vanity.
6. **Attach Mirror:** Carefully place and secure the LED lighted mirror to the top of the vanity desk. Connect the mirror's power cable to the vanity's internal wiring.
7. **Insert Drawers:** Slide the assembled drawers into their respective compartments.

Image 2: Organize Your Various Cosmetics. A close-up view of a drawer featuring detachable partitions, ideal for organizing various cosmetic items.

4. Operating Instructions

4.1 LED Lighted Mirror

The 48-inch mirror features integrated LED lighting with adjustable settings.

- **Power On/Off:** Tap the touch sensor button on the mirror to turn the LED lights on or off.
- **Change Color Temperature:** Tap the touch sensor button repeatedly to cycle through three color temperature settings: Warm Light, Natural Light, and Cold Daylight.
- **Adjust Brightness:** Long-press the touch sensor button to smoothly adjust the brightness level from 0% to 100%. Release the button when the desired brightness is reached.

Image 3: 48 Inch HD Lighted Mirror. This image illustrates the mirror's touch controls for adjusting brightness and switching between Cold Daylight, Natural Light, and Warm Light modes.

4.2 Built-in Charging Station

The vanity includes a convenient charging station for your electronic devices.

- **AC Outlets:** Plug in your hair dryer, curling iron, or other AC-powered devices into the 125V/12A 2AC outlets.
- **USB/Type-C Ports:** Use the 5V/2.1A USB and Type-C ports to charge your smartphone, tablet, or other compatible devices.
- **Hair Dryer Holder:** Utilize the integrated holder to store your hair dryer when not in use.

Image 4: Built-in Power Strip. This image details the integrated power strip, showing the AC outlets, USB/Type-C ports, and the convenient hair dryer holder.

5. Maintenance

- **Cleaning the Surface:** Wipe the vanity surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Cleaning the Mirror:** Use a glass cleaner and a microfiber cloth to clean the mirror surface. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Drawer Care:** Periodically check drawer slides for smooth operation. If needed, clean any dust or debris from the tracks.
- **General Care:** Avoid placing hot items directly on the tabletop. Protect surfaces from spills and scratches.

6. Troubleshooting

Problem	Possible Cause	Solution
LED mirror lights not working.	Power cable disconnected; power outlet issue; faulty mirror.	Ensure the power cable is securely plugged into the vanity and a working wall outlet. Check the circuit breaker. If the issue persists, contact customer support.
Charging station not providing power.	Power cable disconnected; power outlet issue; device incompatibility.	Verify the vanity is plugged into a live outlet. Test with a different device. Ensure your device is compatible with the charging station's specifications.
Drawers are stiff or difficult to open/close.	Misaligned slides; debris in tracks; overtightened screws.	Check that drawer slides are correctly aligned and free of obstructions. Loosen any overtightened screws on the drawer slides slightly.

7. Specifications

Model Number: FPSC48VDW8-DGY

Dimensions: 13.7"D x 48"W x 53.6"H

Item Weight: 145 pounds
