T4TREAM FPSC48VDW8

T4TREAM 48" Fluted Makeup Vanity Desk with Large LED Lighted Mirror Instruction Manual

Model: FPSC48VDW8 | Brand: T4TREAM

1. Product Overview

The T4TREAM 48" Fluted Makeup Vanity Desk is designed to provide a functional and elegant space for your beauty routine. It features a modern fluted design, a large LED-lighted mirror, ample storage, and a convenient charging station.

- **Elegant Fluted Design:** Meticulously crafted fluted panels add depth and dimension, blending with various home decor styles.
- **48-Inch Large LED Lighted Mirror:** Offers a clear reflection with three adjustable color temperature settings (warm, cool, natural) and adjustable brightness.
- **Ample Storage Space:** Includes two spacious large drawers with dividers and six smaller drawers for organizing cosmetics, jewelry, and other items.
- **Visible Tabletop & Charging Station:** A transparent glass tabletop showcases stored items, while a built-in charging station with multiple ports keeps devices powered.

2. Safety Information

- Read all instructions carefully before assembly and use.
- Keep small parts and packaging materials away from children.
- Assemble on a soft, clean surface to prevent scratches.
- Ensure all connections are secure before use.
- Do not overload drawers or shelves.
- Use the charging station only with compatible devices and avoid liquid spills.
- Always unplug the vanity from the power source before cleaning or maintenance.

3. Assembly Instructions

Assembly is required for this vanity desk. Please follow the steps carefully. It is recommended to have two people for

assembly.

3.1 Unboxing and Preparation

Carefully open the packaging and lay out all components on a clean, soft surface to prevent damage. Verify all parts are present against the parts list in your manual.

Video 3.2: Detailed installation guide for the T4TREAM 48" Fluted Makeup Vanity Desk. This video demonstrates each assembly step, from unboxing to final setup.

For a visual walkthrough of the entire assembly process, please refer to the video above. It covers all necessary steps for constructing the vanity desk.

3.3 Drawer Assembly

Assemble the drawers according to the provided diagrams. Ensure the drawer slides are correctly aligned and securely fastened.

Image 3.3: Close-up of a drawer with detachable partitions, illustrating the assembly of internal dividers.

3.4 Mirror and Charging Station Installation

Attach the LED lighted mirror to the main vanity structure. Connect the power cable for the mirror and install the charging station on the side panel. Secure all wiring to prevent hazards.

4. Operating Instructions

4.1 LED Lighted Mirror

The mirror features integrated LED lighting with adjustable settings:

- **Power On/Off:** Tap the touch sensor on the mirror to turn the lights on or off.
- **Adjust Brightness:** Long-press the touch sensor to cycle through brightness levels (0% to 100%). Release when desired brightness is reached.
- **Change Color Temperature:** Tap the touch sensor to switch between three lighting modes:
  - Warm Light (3000K)
  - Natural Light (4000K)
  - Cool Daylight (6000K)

Image 4.1: Controls for adjusting the LED mirror's brightness and color temperature settings.

4.2 Charging Station

The integrated charging station provides convenient power access:

- Plug the vanity's main power cord into a standard wall outlet.
- Use the 125V/12A AC outlets for hair dryers or other appliances.
- Use the 5V/2.1A USB/Type-C ports for charging mobile devices.

4.3 Storage Drawers

The vanity includes multiple drawers for organized storage:

- The two large drawers feature detachable partitions for customizable organization of cosmetics and accessories.
- The six smaller drawers are suitable for storing smaller items like makeup tools, cotton pads, or hairpins.
- The transparent glass tabletop allows for easy visibility and access to items stored in the top drawers.

Image 4.3: Overview of the vanity's storage capabilities, including large and small drawers, and the transparent glass top.

5. Maintenance and Care

- **Cleaning the Surface:** Wipe the engineered wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Glass Top and Mirror:** Use a glass cleaner and a microfiber cloth for streak-free cleaning. Do not spray cleaner directly onto the mirror's edges to prevent damage to the LED components.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, apply a small amount of silicone-based lubricant.
- **Electrical Components:** Ensure the charging station and mirror wiring are free from damage. Do not attempt to repair electrical components yourself.
- **General Care:** Avoid placing hot items directly on the surface. Protect from direct sunlight and excessive moisture.

6. Troubleshooting

Problem	Possible Cause	Solution
LED mirror lights not working.	Power cord unplugged, loose connection, faulty power adapter.	Ensure the power cord is securely plugged into the wall and the vanity. Check all connections. If the issue persists, contact customer support.
Drawers are difficult to open/close.	Misaligned drawer slides, overloaded drawer, debris in slides.	Check if the drawer slides are properly aligned and free of obstructions. Reduce the weight in the drawer. Apply silicone lubricant to the slides if necessary.
Charging station not providing power.	Vanity not plugged in, device not compatible, faulty charging station.	Verify the vanity is plugged into a live outlet. Ensure your device is compatible with the USB/Type-C ports. Test with another device. Contact support if the problem continues.

7. Specifications
