QIXZOCV MWE-CS32BCT214

QIXZOCV MWE 32 Inch Multifunctional Touchscreen Table User Manual

Model: MWE-CS32BCT214

1. Introduction

This manual provides essential information for the safe and effective use of your QIXZOCV MWE 32 Inch Multifunctional Touchscreen Table. This interactive display is designed for indoor entertainment, meetings, and educational purposes, featuring a 32-inch Full HD touchscreen, Android 13 operating system, and a detachable design for versatile use. Please read this manual thoroughly before operating the device and retain it for future reference.

2. Safety Information

WARNING: Failure to follow these safety instructions could result in fire, electric shock, or other injury or damage.

- Always assemble and use the table according to manufacturer's instructions.
- Keep fingers and other body parts away from pinch points during assembly and operation.
- Do not exceed the maximum weight limit of 330 lbs (150 kg) on the table surface.
- Ensure the table is stable and properly anchored to prevent tipping or collapse.
- Use only the provided power adapter and cables.
- Avoid exposing the device to water, excessive moisture, or extreme temperatures.
- Do not attempt to repair or modify the device yourself. Contact customer support for assistance.

3. Package Contents

Verify that all items are present in the package:

- 32-inch Touch Screen Display
- Table Bracket/Legs
- Power Adapter

- Assembly Tools (e.g., Hex Key/Screw Driver)
- User Manual
- All necessary accessories for assembly

4. Setup

Follow these steps to assemble your QIXZOCV MWE 32 Inch Touchscreen Table:

1. Carefully unpack all components and place them on a soft, clean surface to prevent scratches.
2. Attach the table legs to the main display unit using the provided screws and tools. Ensure all connections are secure.
3. Connect the power adapter to the display unit and then plug it into a power outlet.
4. Press the power button to turn on the device.

5. Operating Instructions

5.1 Power On/Off

To power on, press the power button located on the side or back of the display. To power off, press and hold the power button until the shutdown options appear, then select 'Power Off'.

5.2 Navigating the Android 13 Interface

The touchscreen table runs on Android 13.0, providing a familiar and intuitive interface. Use touch gestures (tap, swipe, pinch-to-zoom) to navigate through apps, menus, and content.

Figure 6.3: Electronic whiteboard feature for drawing and creative activities.

Figure 6.4: The touchscreen table used as a commercial display for meetings.

7. Maintenance

To ensure the longevity and optimal performance of your touchscreen table:

- **Cleaning:** Use a soft, lint-free cloth slightly dampened with water or a screen-cleaning solution. Avoid harsh chemicals or abrasive materials.
- **Dust:** Regularly wipe down the screen and frame to prevent dust buildup.
- **Storage:** When not in use for extended periods, store the device in a cool, dry place away from direct sunlight.
- **Software Updates:** Periodically check for and install system updates to ensure the latest features and security patches.

8. Troubleshooting

If you encounter issues with your QIXZOCV MWE Touchscreen Table, refer to the following common problems and solutions:

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Device does not power on.	Power cable not connected, power outlet issue.	Ensure power cable is securely connected and the outlet is functional. Try a different outlet.
Touchscreen unresponsive.	Software glitch, screen dirty, or temporary system freeze.	Restart the device. Clean the screen with a soft cloth. If issue persists, perform a factory reset (data will be lost).
Wi-Fi connection issues.	Incorrect password, router issue, or out of range.	Verify Wi-Fi password. Restart your router. Move the table closer to the Wi-Fi source.
Slow performance.	Too many apps running, low storage.	Close unnecessary applications. Clear cache or uninstall unused apps to free up storage.

If the problem persists after attempting these solutions, please contact QIXZOCV customer support.
