## iATOM IA11018

# iATOM Green Rose Bouquet Building Set Instruction Manual

Model: IA11018

Brand: iATOM

## INTRODUCTION

---

Thank you for choosing the iATOM Green Rose Bouquet Building Set. This set allows you to construct a beautiful and lasting bouquet of green roses, designed to add an elegant touch to any space. This manual provides detailed instructions for assembly, safety guidelines, and product information to ensure a satisfying building experience.

## SAFETY INFORMATION

---

**WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.**

Please keep all small parts out of reach of young children to prevent choking. Adult supervision is recommended during assembly, especially for younger builders.

## WHAT'S IN THE BOX

---

Your iATOM Green Rose Bouquet Building Set includes:

- Building blocks for 12 green roses, featuring different petal shapes to represent various bloom stages.
- Stems and leaves for the roses.
- Detailed assembly instructions manual.

## ASSEMBLY INSTRUCTIONS

---

Follow these steps to assemble your green rose bouquet. The set is designed for easy and efficient assembly, providing a relaxing and enjoyable experience.

1. **Unpack Components:** Carefully open the packaging and sort the building blocks. The parts are typically organized into numbered bags to simplify the process.
2. **Identify Rose Stages:** The set includes components for roses in three stages of bloom: budding, half-opening, and full blooming. Refer to the instruction manual for visual guidance on distinguishing these parts.
3. **Assemble Rose Heads:** Begin by assembling the petals for each rose head according to the detailed diagrams in the included manual. The petals feature a unique frosted surface to reduce light reflection and accurately restore natural color.
4. **Attach Stems and Leaves:** Once the rose heads are complete, attach them to the green stems. Some stems include leaves, which can be adjusted for desired positioning. The flower core is die-cast for easier and more beautiful assembly.
5. **Adjust Stem Length:** The length of the stems can be adjusted to fit various vases and display preferences.

## Rich Details Highlight Unique Beauty

The length of the branches can be adjusted to suit different vases, and the integrated flower core is elegant and unique.

## DISPLAY AND CARE

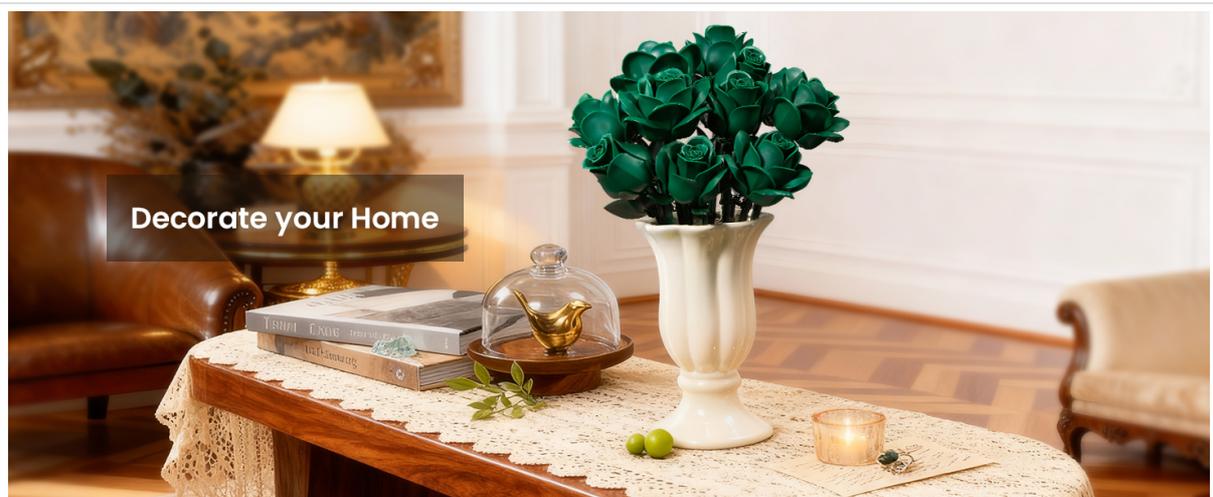

Once assembled, your iATOM Green Rose Bouquet is ready for display. These artificial flowers are designed to be fade-resistant, wither-free, and odor-free, requiring minimal maintenance.

- Place the bouquet in a vase of your choice. The adjustable stem lengths allow for versatility with various vase sizes and styles.
- Periodically dust the roses with a soft cloth or brush to maintain their appearance.
- Avoid prolonged exposure to direct sunlight to preserve the color, although the materials are fade-resistant.

## Relax & Unwind Experience

## TROUBLESHOOTING

If you encounter any issues during assembly or with the product, please refer to the following:

- **Missing Parts:** In the rare event of missing parts, please contact our customer support team.
- **Assembly Difficulty:** Review the detailed instructions and diagrams carefully. Ensure all pieces are correctly oriented and firmly connected.
- **Loose Connections:** If any parts feel loose, gently press them together until they click securely into place.

## SPECIFICATIONS

---
