Haier H43S80FUX

Haier H43S80FUX 43-inch QLED 4K UHD Smart TV User Manual

Model: H43S80FUX

INTRODUCTION

Thank you for choosing the Haier H43S80FUX 43-inch QLED 4K UHD Smart TV. This manual provides essential information for the safe and efficient use of your new television. Please read it thoroughly before operating the device and retain it for future reference. This television features QLED 4K HDR technology with Quantum Dot for vibrant colors, Google TV for smart functionality, Dolby Audio for immersive sound, and multiple HDMI 2.1 ports for advanced connectivity.

SAFETY INFORMATION

Always follow basic safety precautions when using this television to reduce the risk of fire, electric shock, and injury.

- **Power Source:** Ensure the power supply voltage matches the rating label on the TV.
- **Ventilation:** Do not block ventilation openings. Allow adequate space around the TV for proper airflow.
- **Water and Moisture:** Do not expose the TV to rain or moisture. Do not place objects filled with liquids, such as vases, on the TV.
- **Cleaning:** Unplug the TV before cleaning. Use a soft, dry cloth. Do not use liquid cleaners or aerosol cleaners.
- **Placement:** Place the TV on a stable, level surface. Avoid placing it in direct sunlight or near heat sources.
- **Children:** Supervise children to prevent them from climbing on the TV or stand.
- **Servicing:** Do not attempt to service this product yourself. Refer all servicing to qualified service personnel.

WHAT'S IN THE BOX

Upon unpacking, please verify that all the following items are included:

- Haier H43S80FUX 43-inch QLED 4K UHD Smart TV
- Smart Remote Control
- Power Cable
- User Manual (this document)
- TV Stand Components (if applicable, for desktop placement)

SETUP

1. Physical Installation

Your Haier TV can be installed on a stand or wall-mounted. Ensure the TV is placed on a stable surface or securely mounted to a wall according to VESA standards (wall mount not included).

Image Description: This image illustrates the physical dimensions of the Haier H43S80FUX television, both with and without its central stand. Key measurements include width (957.2 mm), depth without stand (84.9 mm), depth with stand (240.7 mm), height without stand (566.2 mm), and height with stand (608.1 mm). These dimensions are crucial for planning placement and installation.

2. Connecting Power

Connect the power cable to the TV's power input and then to a wall outlet.

3. Initial Setup

Upon first power-on, the TV will guide you through the initial setup process. This includes selecting your language, connecting to a Wi-Fi network, and logging into your Google account to access Google TV features.

4. Connecting External Devices

Your TV is equipped with multiple ports for connecting external devices.

- **HDMI 2.1:** Connect gaming consoles, Blu-ray players, or soundbars. The TV features 4 HDMI 2.1 ports for high-speed data transfer and advanced features like VRR and ALLM.
- **USB 2.0:** Connect USB storage devices for media playback.
- **Ethernet:** For a wired internet connection.
- **Bluetooth 5.1:** Connect wireless headphones, soundbars, or other Bluetooth-enabled accessories.

Image Description: This image shows a close-up of an HDMI 2.1 port on the rear of the Haier TV, highlighting its capability for dynamic movement and exceptional precision in various media.

OPERATING INSTRUCTIONS

1. Smart Remote Control

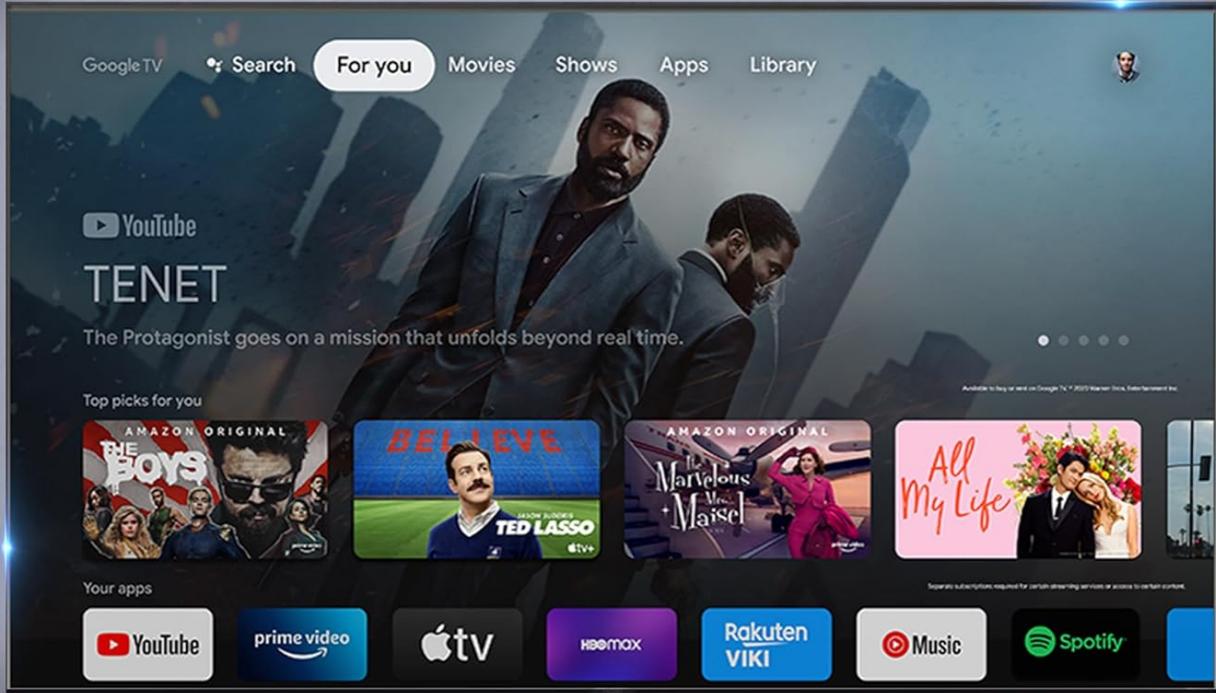

The included Smart Remote Control allows for intuitive navigation and control of your TV. It supports both infrared and Bluetooth connectivity. For optimal performance, pair the remote via Bluetooth during initial setup.

2. Google TV Interface

Google TV organizes all your favorite content from various streaming services and apps into one personalized interface.

- **Home Screen:** Access personalized recommendations, watchlists, and quick links to your installed apps.
- **Apps:** Download and manage over 10,000 applications from the Google Play Store, including Netflix, YouTube, Disney+, and more.
- **Chromecast Built-in:** Easily cast content from your mobile device directly to the TV.

Google TV

UN MUNDO DE ENTRETENIMIENTO

Acceso completo a aplicaciones, streaming y contenido personalizado con Google TV

Image Description: This image displays the Google TV interface on the Haier television, featuring a clean layout with recommended content and icons for popular streaming applications like YouTube, Prime Video, Apple TV, HBO Max, and Spotify.

3. Google Assistant

Use the built-in Google Assistant for voice control. Press the dedicated Google Assistant button on your remote and speak your commands to search for content, control smart home devices, or get information.

Image Description: A person is shown using the smart remote control to activate Google Assistant on the Haier TV, demonstrating the voice control feature for hands-free operation.

4. Picture and Sound Settings

Access the TV settings menu to customize picture and sound preferences.

- **QLED 4K HDR:** Experience a billion colors and optimal brightness with Quantum Dot technology.
- **Dolby Audio:** Enjoy immersive, cinematic sound. The TV also includes dbx-tv certification for enhanced audio calibration.
- **Gaming 120Hz DLG Accelerator:** For a smoother gaming experience, this feature improves motion clarity and response time, achieving 120Hz in 2K resolution via Dual Line Gate technology.

Gaming 120Hz

Standard 60Hz

GAMING 120HZ DLG ACCELERATOR*

Mejora la nitidez en movimiento y la capacidad de respuesta para una experiencia de juego más fluida

*El modo DLG a 120Hz permite alcanzar 120Hz en 2K gracias a la tecnología Dual Line Gate.

Image Description: The Dolby Audio logo is prominently displayed on the Haier TV screen, set against a serene ocean backdrop, signifying the television's enhanced audio capabilities for a cinematic sound experience.

EXPERIENCIA DE SONIDO CINEMATOGRAFICA

Disfruta cada momento con Dolby Audio, una nueva dimensión de excelencia sonora

Image Description: This image visually compares a standard 60Hz refresh rate with a Gaming 120Hz DLG Accelerator, showing a blurred car at 60Hz and a sharper, clearer image at 120Hz, illustrating improved motion clarity for gaming.

MAINTENANCE

- **Screen Cleaning:** Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a specialized screen cleaner (ensure it's TV-safe) and wipe carefully. Do not spray liquid directly onto the screen.
- **Cabinet Cleaning:** Use a soft, dry cloth to clean the TV cabinet. Avoid abrasive materials or harsh chemicals.
- **Ventilation:** Regularly check that the ventilation openings on the back of the TV are not obstructed by dust or debris.
- **Power Cord:** Inspect the power cord periodically for any damage. If damaged, contact qualified service personnel for replacement.

TROUBLESHOOTING

Before contacting customer support, please refer to the following common issues and solutions:

| Problem | Possible Solution |
|----------------------------------|---|
| No Power | Check if the power cable is securely connected to both the TV and the wall outlet. Ensure the outlet is functional. |
| No Picture, but Sound is Present | Verify the correct input source is selected. Check external device connections. Try restarting the TV. |
| No Sound, but Picture is Present | Check the volume level and mute status. Ensure external audio devices are correctly connected and selected. |
| Remote Control Not Working | Replace batteries. Ensure no obstructions between the remote and the TV's IR sensor. Re-pair the remote via Bluetooth if it's a Smart Remote. |
| Network Connection Issues | Restart your router and modem. Check Wi-Fi password. Try a wired Ethernet connection if available. |
| Slow Interface / App Freezing | Restart the TV. Close unused applications. Ensure sufficient storage space. |
